Return Reference	Explanation
Form 990, Part III, Line 3	The United Nations did not have an International Climate Conference during this fiscal year because of the pandemic, and so SustainUS did not send a youth delegation. This is our flagship program and typically drives the majority of our expenses and fundraising, so this was an atypical fiscal year.
Form 990, Part VI, Section A, Line 6	SustainUS has general members. Per our bylaws, these members can optionally be involved in the election of directors and leadership within the organization, although this is not required.
Form 990, Part VI, Section B, Line 11b	The 990 is completed by the Treasurer or acting Treasurer, typically with consult from the Board chair and using the Form990online web program. A draft is shared with the entire board for review. The Board chair, and possibly others, review it carefully and may amend it. The board chair signs off on the 990 before it is submitted.
Form 990, Part VI, Section B, Line 12c	The policy is reviewed and signed off on annually by board directors and staff.
Form 990, Part VI, Section C, Line 19	The 990 forms are available from the IRS. Other governing documents are available within the organization through our google drive, and some (but not all) are posted on our public-facing website. They are also available on request.

Explanation: The return was originally completed before the extension due date. However, the review process, including by former board members who were directors during the fiscal year of the filing but are not currently with the organization, has taken somewhat longer. This caused us to miss our extension due date by approximately 10 days.
