

Part III

Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

☐

1 Briefly describe the organization’s mission:

Founded in 1972, the Vermont Public Interest Research Group (VPIRG) is the largest nonprofit consumer and environmental advocacy organization in Vermont. For nearly five decades, VPIRG has brought the voices of everyday Vermonters to public policy debates concerning the environment, health care, consumer protection, and democracy. VPIRG’s mission is to promote and protect the health of Vermont’s people, environment and locally-based economy by informing and mobilizing individuals and communities across the state.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? ☐ Yes ☒ No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? ☐ Yes ☒ No

If "Yes," describe these changes on Schedule O.

4 Describe the organization’s program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a	(Code:) (Expenses \$ 105,940 including grants of \$ 0) (Revenue \$ 0)
General Membership Services - As the largest membership-based environmental and consumer advocacy organization in the state, VPIRG provides educational and informational resources on our campaigns and related issues to tens of thousands of members and supporters annually. * In 2020, in response to the COVID-19 pandemic, VPIRG launched our first ever "Virtual Canvass", reaching out to thousands of VPIRG members statewide through phone calls, emails, text messages, and social media to build support for priority public interest campaigns. * VPIRG continues to serve as the go-to resource for individuals and groups to learn about public interest policy issues and opportunities for making their voices heard on issues at critical times throughout the year.	

4b	(Code:) (Expenses \$ 57,886 including grants of \$ 0) (Revenue \$ 0)
Climate & Energy - Our Climate & Energy work is driven by the understanding that we must fully decarbonize both Vermont and the nation, and that everyone deserves access to clean and affordable energy and transportation. Breaking down barriers contributing to rural, BIPOC and low-income communities being left behind in this transition is a core part of our efforts. * After years of watching our elected leaders fail to pass the bold climate action necessary to address Vermont's rising carbon pollution, VPIRG and our allies hit the ground running in 2020, organizing a series of "lobby days" for student groups, the faith community, business leaders, and healthcare experts. At the forefront of those efforts was H.688 - the Global Warming Solutions Act - legislation turning Vermont's climate goals into legally binding requirements and laying the groundwork for solutions that will create good green jobs and enhance the resilience of our communities. * The Solutions Act passed through the House and Senate with overwhelming support, before being vetoed by Governor Scott. Working alongside our allies and climate champions in the legislature, we were able to override the governor's veto and enact this landmark climate legislation in September 2020. * Also in 2020, VPIRG worked with our allies to successfully press for maintained or increased levels of funding for weatherization, electric vehicle incentives, EV charging infrastructure, and other critical climate programs. And we played a critical role in the passage of S.337, the Energy Efficiency Modernization Act, creating a three-year pilot program allowing Efficiency Vermont to spend up to \$2 million annually on projects aimed at reducing climate pollution in Vermont's thermal and transportation sectors - building on their historic focus on electric energy efficiency.	

4c	(Code:) (Expenses \$ 72,254 including grants of \$ 0) (Revenue \$ 0)
Democracy - VPIRG actively supports efforts to make our democracy more open and transparent. We seek to ensure that elections are fair and accessible, and we are committed to reducing the undue influence of money in our political process. In 2020, VPIRG led statewide efforts to ensure that all voters received ballots at home so they could vote without jeopardizing their health or the health of election workers. Current priorities include removing any barriers to full participation in our political process, giving voters more choices by promoting ranked choice voting, and prohibiting direct campaign contributions from corporate entities.	

	(Code:) (Expenses \$ 111,145 including grants of \$ 0) (Revenue \$ 0)
Other programs include Zero Waste, Environmental Health, Consumer Protection and Health Care Reform. See Schedule O (above) for a complete description of these programs.

Other	Part III / Line 4d - Other Programs:
Other	Zero Waste - VPIRG works to advance policies and solutions that hold manufacturers accountable for the products they put into our environment and move us closer to zero waste in Vermont. In 2019, VPIRG successfully advocated for the enactment of the nation's most comprehensive law to deal with the scourge of single-use plastic pollution. Despite last minute attempts by the plastics industry to derail implementation of the law, it took effect on July 1, 2020. Also in 2020, VPIRG supported legislation to address additional throwaway plastic products. We led state efforts to modernize Vermont's popular beverage container redemption program and helped to expose the improper disposal of recyclable materials in the state as well.
Other	Environmental Health - VPIRG works to protect public health and our environment from the hidden dangers of toxic chemicals that we're exposed to every day. In 2020, a major focus for us was legislation aimed at banning toxic PFAS chemicals in common products such as carpets and rugs, firefighting foam, and food packaging. These toxic "forever chemicals" have been linked to cancers and other problems with human health and have come under growing public scrutiny in recent years as they have been discovered in public and private water supplies across Vermont. VPIRG also worked to ensure proper implementation of policies already enacted to protect children from lead in school water, and from children's products containing other toxins.
Other	Consumer Protection - VPIRG serves as a watchdog, protecting the public interest when corporations attempt to put profits over people, and ensures that the policies and laws that we do pass to protect the public interest are, in fact, enforced. In recent years, VPIRG's Consumer Protection Program has placed a specific emphasis on working for policies that protect consumers in the digital space. In 2020, the governor signed into law wide-ranging legislation (Act 89) containing several VPIRG-backed provisions aimed at improving data privacy for Vermont students, better protecting all Vermonters' personal information, informing them when their data has been compromised, and keeping them out of unwanted 'zombie contacts.' VPIRG had advocated for enactment of this law since it was introduced in 2019. VPIRG also has a long commitment to addressing Vermont's connectivity issues and moving Vermont much more rapidly toward universal broadband coverage. The pandemic thrust into stark relief the need for access to affordable, high-speed internet and the serious digital divide that exists in Vermont. In 2020, VPIRG supported - and the legislature ultimately authorized - around \$20 million to fund a variety of programs designed to expand access, including funding for line extensions, subsidies to Vermonters with low incomes, and planning support to community-owned internet providers.
Other	Health Care Reform - VPIRG works to reform our health care system so that it provides all Vermonters access to quality, affordable health care when they need it. We remain committed to advancing policies that ensure no Vermonter ever has to decide between receiving a paycheck or caring for a loved one.
