FORM 990, PART III, LINE 4D - OTHER PROGRAM SERVICES - PRO BONO	The NYLPI Pro Bono Clearinghouse connects innovative and impactful nonprofit organizations with free legal services by drawing on volunteer lawyers from New York's most prestigious law firms and corporate law departments. Legal projects placed through the Clearinghouse provide high-quality legal solutions to organizations that strengthen communities, serve underrepresented New Yorkers, and combat systemic inequalities. It helps nonprofits and community groups thrive by providing resources that help organizations overcome legal obstacles, build capacity, and develop stronger and more effective programs. Form 990, Part III - Program Services	the COVID-19 pandemic and economic crisis only deepened systemic and racial inequality and decimated our client communities. Like other providers, we mobilized in support of our clients' urgent needs even as we switched abruptly to remote work. The pandemic shutdown, court closures, and acute health concerns shifted client need and served as a significant functional barrier. We rapidly shifted our outreach online and through channels used by our client communities (such as WhatsApp and Facebook Live). As a result, we had much greater reach with our pandemic-related community legal education. The COVID-19 health crisis brought an increase in urgent requests for advocacy addressing people's vulnerabilities to serious illness if exposed to the virus while detained in already crowded facilities without proper medical care, and we rapidly increased our medical network while streamlining our advocacy templates to serve more clients. In addition, the cases we see are more complex, the health and immigration risks more life-threatening, and the systems at issue more interconnected. The flexibility of NYLPI's service model ensured concrete results: NYLPI provided direct legal services, education, and training that benefited approximately 85,000 people in New York and accomplished significant impact achievements improving the lives of more than 1.4 million New Yorkers. Where direct benefits and cost savings were measured, the value to clients topped \$2 million.
