To address this, TFA's mission is to find, develop, and support a diverse network of leaders committed to expanding opportunity for children from classrooms, schools, and every sector and field that shapes the broader systems in which schools operate. TFA does this by finding promising leaders; developing and cultivating the leadership skills and mindsets necessary for systems change through classroom teaching; and supporting the individual and collective leadership, relationships, and learning of those in the TFA network throughout their lifetime.

In addition, regional staff also worked for the passage of various pieces of legislation which would impact Teach For America's ability to operate in a given community including the passage of alternative certification legislation and legislation permitting Teach For America to be recognized by the state as an alternative pathway to teach licensure. Teach For America has used consultants at the state level to provide lobbying services, such as bill and regulation tracking on matters, including but not limited to, teacher certification and state funding. At the federal level, Teach For America staff interfaced with Members of Congress, their personal and committee staff, and key members of the President's Administration and federal agencies, to advocate for legislation and regulations that would support Teach For America and the constituencies we serve.

Schedule D, Part V, Line 4 Intended uses of endowment funds	Teach For America's endowment is intended to provide a continuous source of funding to support the institution's primary educational and social mission. The endowment's principal is intended to be left untouched, while its earnings are used to fund various organization programs (and grants).
Schedule D, Part X, Line 2 FIN 48 (ASC 740) footnote	TFA follows guidance that clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. This guidance provides that the tax effects from an uncertain tax position can only be recognized in the financial statements if the position is "more-likely-than-not" to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged. TFA is exempt from federal income tax under IRC section 501(c)(3), though it is subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the Code. TFA has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated business income; to determine its filing and tax obligations in jurisdictions for which it was nexus; and to identify and evaluate other matters that may be considered tax positions. TFA has determined that there are no material uncertain tax positions that require recognition or disclosure in the accompanying financial statements. In addition, TFA has not recorded a provision for income taxes as it has no material tax liability from unrelated business income activities.
