Explanation: It was my understanding that the extension was for 6 months and that the deadline would then be November 15th. If that was not correct and I am filing this late, then I apologize but would say that it is very confusing to find that information on the IRS website and I didn't think I was late until this section came up while I was entering the 990 information in the electronic filing documents. I sincerely apologize but would add that we have not been able to find an affordable paid professional to complete our 990. We have a staff shortage and are struggling to complete all duties.
