Catalyzing Action: Across the nation PHA collaborates with cross-sector partners (public, private, charitable) to realize our vision of Good Food for All - that no matter their zip code, every American has access to affordable, nutritious, good food. Our diverse programs include: Good Food at Home that provides participating families with 50 servings of fruits and vegetables weekly for 12 weeks, creating a long-lasting habit of produce. Healthy Hunger Relief that recognizes, elevates and accelerates the work of food banks across the country that are uplifting the health and well-being of their communities. Regional Food Systems Transformation that focuses on community-driven change to increase consumption of vegetables and fruits by building a greater local supply and increasing demand.

4b (Code:) (Expenses \$ **721,252** including grants of \$) (Revenue \$)

Commitments: PHA negotiates voluntary business practice change among private sector partners that work to improve the food supply and increase healthy choices. As part of these partnerships, PHA coordinates monitoring activities over the life of the agreement and works with third party contractors to verify progress. We also work with corporate partners from across the food sector to make commitments to increase servings of fruits and vegetables, and to provide greater access to nutritious food using their products and services.

4c (Code:) (Expenses \$ **150,587** including grants of \$) (Revenue \$ **139,000**)

Convening: Bringing together leaders from across the public, private, nonprofit and philanthropic sectors is critical to ensuring that everyone in the United States, no matter their zip code, has access to foods that build health. PHA brings people together to challenge our current food system and shift the paradigm towards good food and healthier communities with all of our events, but in particular through our annual Summit. Indirect costs, such as personnel costs and occupancy, related to the planning of these events are expensed as incurred.

Form 990, Part III, Line 1, Description of Organization Mission:	PHA's mission is to leverage the power of the private sector to transform the food landscape in pursuit of health equity. PHA employs its vast convening power, diverse network, and thought leadership to develop and spotlight the top programs and practices with the greatest potential to create positive change in the U.S. food landscape. PHA works with organizations across the supply chain food producers, manufacturers, distributors and retailers to improve the nutritional profile of foods and beverages wherever consumers are resulting in a greater volume of healthier options for all. We also collaborate with other non-profit organizations, including food banks, who understand the importance of, not just providing any food to communities in need, but providing the right food to children and families who suffer the most from health disparities caused by lack of access to healthier food options.
Form 990, Part VI, Section B, line 11b	After the audited financial statements are approved by the Finance and Audit Committee of the PHA Board of Directors, the Form 990 is first prepared and reviewed by external accountants, then reviewed internally by PHA staff, then by the Finance and Audit Committee of the Board and finally is shared with the full Board of Directors prior to filing with the IRS.
Form 990, Part VI, Section B, line 12c	PHA requires all directors, officers, members of the Board of Directors and key employees to sign a statement annually, which indicates their understanding and acceptance of the Conflict-of-Interest Policy. PHA enforces compliance on a situational basis. It does not include individuals with potential conflicts in certain conversations or meetings where a conflict may exist. Periodic reviews are conducted to ensure PHA does not engage in activities that may jeopardize its tax-exempt status. If there is cause to believe that an individual has acted in violation of the Conflict-of-Interest Policy, the Board or Committee shall inform the individual and offer the opportunity to explain the violation. If the individual fails to explain the conflict-of-interest violation adequately, proper disciplinary action is taken.
Form 990, Part VI, Section B, line 15	When hired, the Board of Directors used an executive compensation consultant to assess competitive market pay levels for the CEO and senior staff of similarly situated organizations and recommended a salary range. The Compensation Committee utilized this data to determine appropriate compensation. The Board of Directors approves the compensation of the CEO.
Form 990, Part VI, Section C, line 19	PHA's Form 990 and audited financial statements are available on the PHA website. The Conflict of Interest Policy and Application for Exemption are available upon request.
