4b (Code: ) (Expenses \$ 745,313 including grants of \$ ) (Revenue \$ 281,958 ) Youth engagement: Ten Strands advanced youth engagement through the California Youth Climate Policy Leadership Program (CYCP) and a student internship program. During FY25, more than forty high school students from nine regions across California participated in CYCP, receiving training and mentorship to design and lead local civic engagement and leadership projects related to climate literacy and school sustainability. Ten Strands also provided internship opportunities for high school and college students to gain hands-on experience supporting research, communications, and policy education work, strengthening a statewide youth leadership pipeline. Partners in this work include Sierra Club California and UndauntedK12. Found at: https://tenstrands.org/work/youth-engagement/Technical assistance services: Ten Strands provided targeted technical assistance to school districts and county offices of education to support planning and implementation of whole-school sustainability strategies, including environmental and climate literacy, youth leadership, and sustainable practices. Through this campaign, Ten Strands convened leaders across education, health, research, and community organizations to establish a shared vision that every child in California should have regular opportunities to learn outdoors. Activities included cross-sector convenings, research and evaluation coordination, and development of exemplars to support integration of outdoor learning into everyday schooling. Ten Strands, in partnership with Green Schoolyards America, is a founding partner of and continues to support the California Schoolyard Forest System, which seeks to ensure that all public school grounds achieve at least 30 percent tree canopy cover to protect students from extreme heat and the impacts of climate change. In addition, Ten Strands is a member of the statewide California School Garden Coalition and supports advocacy efforts to ensure that every school has a garden, further supporting equitable access to outdoor learning and environmental literacy. Found at: https://tenstrands.org/work/outdoor-learning-initiatives/Sustainable and climate-ready schools: Ten Strands advanced work to support sustainable and climate-ready schools through coalition leadership, professional learning, and systems support. In partnership with UndauntedK12 and the California Collaborative for Educational Excellence, Ten Strands launched a professional learning series for district and county leaders focused on climate adaptation strategies, including extreme heat mitigation, energy resilience, stormwater management, and emergency planning. This work culminated in the release of a resilience and adaptation toolkit and a recommendations brief to support climate-ready planning statewide. Ten Strands also contributed to coalition efforts supporting implementation of California's Proposition 2 school facilities bond by informing guidance that integrates climate readiness, energy efficiency, and student health into school facility upgrades. Found at: https://www.climate-readyschoolscoalition.org/Data initiative for environmental and climate action in California's TK12 schools: Ten Strands advanced a statewide, data-driven initiative to support county and district leaders in assessing and strengthening whole-school sustainability across curriculum, campus, community, and culture.
