Part VI - Governance, Management, and Disclosure

Section B. Policies

11a Has the organization provided a complete copy of this form to all members of its governing body before filing the form?

11b Describe in Schedule O the process, if any, used by the organization to review this Form 990.

Board members are provided with a copy of the 990 following filing. Information in the form has been provided in advance, including programmatic, fund raising and budget information. Because the program year ends August 31, there is ample time between the end of the program year and filing to provide this information to board members for review.

12a Did the organization have a written conflict of interest policy?

IYLI's written conflict of interest policy is included in the Board Handbook and requires that each Board member or officer, acting in that capacity or in the capacity of an officer to disclose to IYLI any facts or circumstances which may constitute actual or potential conflicts between the personal or financial interests of the Board member or officer that might operate to the detriment of the interests of IYLI and to refrain from acting or debating on any Board action or other decision of the Association as noted in the official minutes in which the personal or financial interests of the Board member or officer conflict with the Purpose and Objectives of IYLI.

15. Process for determining compensation of the following persons include a review and approval by independent persons, comparability data, and contemporaneous substantiation of the deliberation and decision.

a. The organization's CEO, Executive Director, or top management official

IYLI does not currently have paid staff. Staff are non-compensated volunteers. The Board selects the chief executive. In the event of a vacancy, the Board is responsible for reaching consensus on the chief executive's responsibilities and undertaking a search to find the most qualified individual for the position. The Board is also responsible for supporting and evaluating the chief executive to ensure that the chief executive has the moral and professional support needed to further the goals of the organization. These responsibilities are clearly articulated in the Board Handbook.

Section C-Disclosure

19. Describe whether (and if so, how) the organization made its governing documents, conflict of interest policy, and financial statements available to the public during the tax year.

IYLI does not currently have a policy for public disclosure of governing documents, conflict of interest policy and financial statements. Financial data are publicly available online through Guidestar. This information may also be accessed through the Foundation Center online.
