Return Reference	Explanation
PART X, LINE 2 - FIN 48 FOOTNOTE:	U.S. GAAP requires management to evaluate income tax positions taken and accrue an income tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has evaluated the income tax positions taken and concluded that as of December 31, 2022 and 2021 there are no uncertain positions taken or expected to be taken that would require recognition in the consolidated financial statements. The General Fund (US), General Fund (Canada), PEA International, 1800 Mass, COPE and United We Can are subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. In addition, there have been no tax related interest or penalties for the periods presented in these consolidated financial statements. Should such penalties and interest be incurred, management's policy would be to recognize them as administrative expenses.
