Part X, Line 2:	The accounting guidance on income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded and disclosed in the consolidated financial statements. The Agency may recognize the tax benefit from an uncertain tax position only if it is more-likely-than not that the tax position will be sustained on examination by the taxing authorities, based on the technical merits of the position. Management has determined that the Agency has no material uncertain tax positions that would require disclosure or adjustment. The Agency's federal exempt organization income tax returns for the fiscal years ended June 30, 2021, 2022 and 2023 are subject to examination by the Internal Revenue Service (IRS), generally for three years after they are filed.
