Return Reference	Explanation
Part X, Line 2:	Planned Parenthood Illinois Action is a tax-exempt organization as defined by Section 501(c)(4) of the IRC and has also been classified as an organization that is not a private foundation under Section 509(a)(1). The accounting guidance on income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded and disclosed in the consolidated financial statements. The organization may recognize the tax benefit from an uncertain tax position only if it is more-likely-than not that the tax position will be sustained on examination by the taxing authorities, based on the technical merits of the position. Management has determined that the organization has no material uncertain tax positions that would require disclosure or adjustment. The organization's federal exempt organization income tax returns for the fiscal years ended June 30, 2022, 2023 and 2024 are subject to examination by the Internal Revenue Service (IRS), generally for three years after they are filed.
