Grantmaking: In FY21 (Apr. 1, 2020 - Mar. 31, 2021), the Foundation awarded \$3.1 million in grants to create equal opportunity and build pathways to economic security for women and girls who experience the greatest disparities in outcomes, particularly low-income women and girls, women and girls of color, and women and girls from Greater Minnesota. In 2020, WFMN shifted all grantmaking to general operations to allow organizations greater flexibility in a time of uncertainty and heightened need in response to the emergent needs of communities impacted by the COVID-19 pandemic and racial injustice. (Continued on Schedule O)These twin pandemics impacted the way in which grantee-partners engaged with program participants, how programming was conducted, and how grantee-partners continued to engage and support women, girls and their families throughout 2020. In response to COVID-19, which disproportionately impacts the economic well-being, health, and capacity of women of color, nonprofit partners were forced to pivot and serve urgent and unprecedented, rapidly changing needs of its community while adapting programming to meet remotely. As a result, COVID-19 has impacted women, girls, and gender-expansive people in unique and distinct ways at home, in school, and in programs.The effects of the pandemic are not only short-term but will impact grantee-partners and program participants for years to come. True recovery for organizations and program participants is incumbent upon multi-year support, continued listening, flexibility in programming, and increased capacity to sustain and thrive in the long-term.The Foundation's \$3.1 million investment across Minnesota in FY21 included:* 356 grants to 176 nonprofit organizations and 34 individuals* 164,940 women and girls served The Women's Foundation of Minnesota has the following grantmaking funds: girlsBEST (girls Building Economic Success Together) Fund, Community Response Fund, Fund for Safety, and the Young Women's Initiative of Minnesota (YWI MN). A commitment to communities in Greater Minnesota and a value of inclusivity are reflected in the demographics of all the funds. 1. girlsBEST (girls Building Economic Success Together)Launched in 2002, girlsBEST awards multi-year grants to programs that build the opportunity and future economic success of Minnesota's girls, ages 12-18. Priority is given to programs that include outreach to underserved, underrepresented populations of girls around the state, including low-income girls, girls of color and American Indian girls, and girls from Greater Minnesota. Grantees are funded in one of four program tracks: Academic; Entrepreneurial; Employment Development & High-Paying/High-Skill Careers; and Public Education & Advocacy.girlsBEST awards grants to programs that build the opportunity and future economic success of Minnesota's girls, ages 12-18. Priority is given to programs that include outreach to underserved, underrepresented populations around the state, including low-income girls, girls of color, American Indian girls, and girls from Greater Minnesota.Since the launch of girlsBEST in 2002, WFMN has funded six multi-year cohorts of grantee-partners across the state. Through these cohorts, WFMN has provided planning and implementation grants totaling more than \$5.1 million to 134 girl-led and girl-driven programs statewide and impacted more than 45,100 young women across Minnesota. In FY21, WFMN approved \$311,250 in grants to support the first year of the sixth cohort of girlsBEST grantee-partners across the state with 20 multi-year and three seed grants. Multi-year grants are renewed for up to three years, based on an annual grant review and approval of progress towards goals. Planning grants are limited to one year. The grant period is June 15, 2020, to June 14, 2021.Last year, girlsBEST impacted the economic well-being of 1,100 girls and gender-expansive youth through grants to our partner organizations. The most recent program evaluation of girlsBEST Cohort VI, year one grantee-partners (May 2021) clearly illustrates the model's effectiveness: * High School Graduation: girlsBEST participants have an 73% high school graduation rate, compared to 50-83% in Minnesota overall, depending on ethnicity. The graduation rate reflects challenges related to the pandemic that are especially acute for the girlsBEST participants, including access to online learning technology, housing and income crises, and paused programming.* Post-Secondary Enrollment: Among graduates 69% of girlsBEST participants are on track to pursue post-secondary education, compared to 31-73% in Minnesota overall, depending on ethnicity.* Unintended Pregnancy: girlsBEST participants have a teen pregnancy rate of 10 per 1,000, compared to 16 per 1,000 of girls in Minnesota overall in 2017 (the most recent data available), increasing their ability to attain post-secondary education and access career opportunities.2. Community Response FundThrough Community Response fund grantmaking, the Foundation responds quickly to emerging community needs and funds programs that ensure women's safe and healthy lives. Because inequity looks different in every community, we use our Intersectional Equity Framework to look at how gender, race, place (geography), and additional identities (ethnicity, sovereignty, class, age, ability, LGBTQ+, immigration) intersect in order to target the most innovative solutions to build greater gender and racial equity. Priority is given to organizations that ensure women's safe and healthy lives. Through our Status of Women & Girls in Minnesota research and early conversations with grantee-partners, we knew women and girls would be distinctly impacted by COVID-19. In the last month of FY20, WFMN leveraged its responsive grantmaking infrastructure to launch the COVID-19 Women and Girls Response Fund to award emergency grants to organizations serving women and girls facing multiple, intersecting burdens and barriers to their economic security, safety, and well-being as caregivers, service workers, and providers. During the last fiscal year, WFMN awarded a total of \$1,045,600 in general operating grants through our COVID-19 Women and Girls Response Fund to 80 organizations across the state to address the needs of women and girls experiencing gender-based violence, older women, policy and advocacy, organizational capacity building and adaptation, staff healing and wellness, and short-term financial support for everyday needs, including childcare, eldercare, food, housing, transportation, health, and wellness. As disparities and systemic inequities worsen because of the continuing COVID-19 pandemic and longstanding racial and gender inequities, WFMN's responsive investments also target transformative organizational adaptation to reimagine, adapt, evolve, and sustain their operations and programming in response to COVID-19 and related social and economic crises for long-lasting impact. WFMN is investing in these organizations leading on the frontlines and ensuring the health and wellness of social change leaders as they play crucial roles in advancing creative and responsive programming that meets community needs for technology infrastructure, childcare, and distance-learning support.More than 83 percent of all COVID-19 Response Fund grantmaking supports organizations led by women of color and Indigenous women, including undocumented women, Muslim women, immigrant women, young women, LGBTQ+ people, and women in Greater Minnesota, representing WFMN's ethos that people most impacted by inequity hold the solutions to lasting change. With four rounds of grantmaking, funded programs will directly reach nearly 100,000 women and girls and hundreds of thousands more through secondary impact in families and communities. After four rounds of responsive funding to address the impacts of COVID-19 on Minnesota communities pushed to the margins, the continued need for long-term recovery will inform WFMN's grantmaking processes, priorities, and policy.

Research, Education, and Public PolicyStatus of Women and Girls in MinnesotaIn 2009, the Foundation launched the Status of Women & Girls in Minnesota (Status) research project in partnership with the University of Minnesota's Humphrey School's Center on Gender, Women, and Public Policy. Data specific to Minnesota women and girls has been gathered, analyzed, and published in economics, safety, health, and leadership. The Status research and community input expands the available data on women and girls, provides ongoing trend analysis, informs the Foundation's annual grantmaking and policy agenda, identifies new areas where research is needed, and raises public awareness about the needs of women and girls in Minnesota. (Continued on Schedule O)During the last fiscal year, the Foundation released the 2020 Status of Women and Girls in Minnesota. In addition to this leading quantitative report, WFMN conducted qualitative research through a Road to Transformation Listening Series with grantee-partners and community leaders across our state. Through nine online Listening Sessions, WFMN heard direct testimony on the lived experiences and issues faced by Minnesota women and girls in order to strategically reduce or eliminate the challenges, barriers, and obstacles women and girls face as a result of inequities and injustice in our systems. Participants discussed the impacts of COVID-19, racial injustice, and additional crises on women, girls, and families, and shared their solutions to create a state where all women, girls, and their families can thrive. The insights and solutions connect with our leading 2020 Status on Women and Girls in Minnesota research to expand our understanding of how systems must change. Themes and solutions surfaced across the Listening Series will inform the Women's Foundation's statewide agenda for gender and racial equity, using our levers of grantmaking, policy, strategic partnerships, narrative shifting communications, and future research for years to come.Public PolicyWFMN is a systems change community foundation investing in transformational policies and narratives to achieve gender and racial equity. WFMN is committed to addressing underlying socioeconomic inequities that impact women and girls across Minnesota, including racism, gender-based violence, and gaps in leadership and representation. Building on the Foundation's historical legislative work, WFMN's 2021 legislative agenda advanced public policy in partnership with young women and grantee-partner organizations to advance intersectional equity and increase holistic well-being for women and families. During Minnesota's legislative session in 2020, WFMN hired an alumna of the Young Women's Cabinet, Raie Gessesse, to serve as the first WFMN Policy Fellow and work directly with the Young Women's Cabinet of YWI MN to carry a legislative agenda, mobilize the public, and increase the visibility and priorities of young women. advocate for and advance the WFMN policy agenda at the Capitol. Cabinet members are testifying with legislators, raising awareness of issues that directly affect their lives, and leading a social media campaign to elevate bills that drive economic opportunity, safety, and expanded leadership for all women and girls. Once again, the Young Women's Cabinet created a comprehensive policy agenda and elected policy leaders to work with a hired lobbyist to prioritize and move forward bills. Simultaneously, young women received rigorous policy training using a curriculum that centers people of color to engage in policy for systems change. While the full outcome of the 2020-2021 legislative session is still pending and much proposed legislation has been stalled as COVID-19 recovery takes precedence in the state, WFMN will continue seeking policies to advance initiatives aligned with WFMN's policy agenda in future sessions, including: Dignity in Pregnancy and Childbirth Act, Establishing the Office of Economic Security of Women, and the Women of Color Opportunity Act. In addition, WFMN serves on the State Attorney General's Women's Economic Security Taskforce to understand the multiple barriers women face in the economy and establish a diverse set of strategies to create a more inclusive economy. State & National PartnershipsThe Foundation engages in collaborative funding and partnerships within Minnesota's foundation community dedicated to social change grantmaking. 4c	(Code:) (Expenses \$ 1,647,998 including grants of \$ 443,836) (Revenue \$)	Building Philanthropy for Gender & Racial EquityA critical part of the Foundation's work is helping people understand the power they have to change the world through personal philanthropy. Our donor-partners and donor advisors are encouraged to embrace their philanthropic leadership by participating in donor workshops, sharing community and grantee connections, and engaging in giving opportunities, such as donor advised funds and legacy and planned giving. (Continued on Schedule O)Additional donor engagement opportunities building philanthropy for gender and racial equity include:* In FY21, COVID-19 forced the Foundation to cancel it annual spring Equity Summit, but we were able to plan an impactful, virtual fourth annual Equity Summit, which occurred in early FY22, bringing together corporate, philanthropic, and individual donor-partners with policymakers, young women leaders, and statewide grantee-partners from all our funds - girlsBEST, Safety Fund, Community Response, Young Women's Initiative of Minnesota, and donor advised funds - for a day of inspiration, learning, and cross-sector networking. * In response to the onset of the pandemic and the global movements for racial justice reignited in Minneapolis with the killing of George Floyd, WFMN's Road to Transformation was launched to listen, amplify, and invest in the voices and experiences of communities across our state. These online learning engagements highlighted a range of perspectives, including across geography to address the experiences of women and girls throughout Minnesota, particularly those most impacted by inequity because they hold the key to solutions for a stronger Minnesota. WFMN led convenings with leading national voices for change highlighting The Genius of Black Women and a post-election conversation, Powering Forward: Shaping the Future for Women & Families. * Donor-Centered Grantmaking: Ripley Memorial Foundation, a donor advised fund of the Women's Foundation of Minnesota, awarded \$90,890 in grants to 10 organizations focused on teen pregnancy prevention in Ramsey and Hennepin counties. Over the past year, Ripley Memorial Advisors have increased its responsive support for the health and well-being of adolescents and aligned its strategies with the Young Women's Initiative of Minnesota (YWI MN) to engage with Recommendation #15 of the YWI MN's Blueprint for Action: to promote access to women's health education and services built on cultural and community strengths so that young women know about their bodies and can make appropriate and healthy choices as they grow and age. The grant period is July 1, 2020, to December 31, 2021.* Engaged a paid Wenda Weekes Moore Intern and Dr. Reatha Clark King Fellow as we invest in building a pipeline of leadership opportunities for women of color leadersa value to philanthropy, nonprofits, and communities. Through the program to date, WFMN has engaged 40 women of color and American Indian women in all aspects of its operations, including evaluation, fundraising, grantmaking, and administration. The program also provides rigorous training and professional development opportunities.* As of 3/31/21, the Foundation has 65 donor advised funds, which includes an increase of three from the previous year. The combined assets of all donor advised funds totals: \$7,520,201.* In FY21, a year without in-person events, WFMN provided expanded virtual opportunities for donors, stakeholders, and institutional partners to engage with the Status of Women & Girls in Minnesota research, participate in the Road to Transformation's series of events to grow in activating their philanthropy and ability to advance gender and racial justice. WFMN partnered with A Call to Men for a series of conversations by, for, and with men to listen, learn, and act to end gender-based violence and discrimination. The trainings launched the Men of Courage Circle at WFMN and will provide men of influence in the workplace, community, and family life the tools to transform as individuals, leaders in institutions, and investors in changing systems to create a better future for all. WFMN hosted a series of Women of Influence convenings designed specifically to engage white women of influence in their unique history, role, and possibilities of creating a more equitable world. activate their power and position to advance gender and racial justice, facilitated by Dr. Joi Lewis, a coach, community healer, and grantee-partner committed to social and healing justice and radical self-care.

Program A	3. WFMN Fund for Safety The Fund for Safety continues and expands upon the investments made through the Women's Foundation of Minnesota's MN Girls Are Not For Sale campaign. WFMN continues to invest in women's safety and work with communities to address gender-based violence, a continuum that includes sex trafficking, domestic violence, rape, sexual assault, and sexual harassment. In partnership with community leaders, WFMN follows an ethos of listening and responding to community concerns to drive strategic, cross-sector plans and create collective impact. During our last fiscal year, WFMN awarded \$269,843 to nine organizations and the City of Minneapolis. By resourcing the continued progress of the movement and supporting existing and emerging programming by and for underrepresented cultural communities, WFMN is investing in organizations, leaders, and the movement to create a Minnesota where women, girls, and gender-expansive people are free from every form of violence and can experience their homes, schools, and communities as safe places. 4. Young Women's Initiative of Minnesota (YWI MN) Launched in 2016, YWI MN is a multi-year, multi-million-dollar investment and public-private partnership with the Governor's Office of the State of Minnesota to achieve equity in opportunities with and for young women of color, American Indian young women, young women from Greater Minnesota, LGBTQ+ youth, and young women with disabilities. YWI MN is a seven-year, \$10 million statewide initiative focused on young women, ages 12-24, from eight communities facing the greatest systemic disparities in our state. We believe a public-private cross-sector partnership is essential for systems change to occur. No state in the country has established a formal statewide initiative for young women (ages 12-24) in partnership with a Governor until now. YWI MN is built on girl-focused work WFMN has led since 2002, including our girlsBEST (girls Building Economic Success Together) program and our MN Girls Are Not For Sale campaign to end sex trafficking in Minnesota. YWI MN is driven by and with young women and other cross-sector partners to increase equity in outcomes for all young women. In the last fiscal year, WFMN made second-year renewal investments of \$309,000 in general operating grants to 15 organizations serving 3,655 girls, young women, and gender-expansive youth ages 12-24. The grant period for this second year of investments is March 31, 2021, through March 31, 2022. In addition, WFMN awarded a \$142,500 grant to YWCA St. Paul to continue providing leadership development and support to the Young Women's Cabinet and \$15/hour payment to 32 members for participation on the Cabinet. In addition, WFMN made new investments in its fourth cohort of WFMN Innovators 50 young women and gender-expansive people whose leadership, ideas, and solutions advance key recommendations in the Young Women's Initiative of Minnesota (YWI MN) Blueprint for Action. Each WFMN Innovator was awarded a one-time \$2,500 grant, representing a total investment of \$125,000. Since the inception of the WFMN Innovators program in 2018, WFMN has made 105 grants totaling to \$262,500 to 89 young women and gender-expansive youth, ages 16 to 24. Total grantmaking through YWI MN in FY21 is \$744,850. Internship & Fellowship Program Through the Wenda Weekes Moore Internship and Dr. Reatha Clark King Fellowship WFMN hosted one intern and one fellow during the past year in all aspects of its operations, including evaluation, fundraising, grantmaking, and administration. The program also provides rigorous training and professional development opportunities.
Form 990, Part VI, Section A, line 1	The Executive Committee is comprised solely of the officers of the board of trustees. The Executive Committee shall have the authority of the Board of Trustees in the management of the business of this Foundation in the interval between meetings of the Board of Trustees and such other authority as is delegated by the Board of Trustees by resolution. As required, the Executive Committee shall have responsibility for overseeing and responding to personnel matters of the Foundation.
Form 990, Part VI, Section A, line 4	The organization amended its bylaws to include language on officer terms and the composition of the Executive Committee.
Form 990, Part VI, Section B, line 11b	The Foundation's Audit Committee will review and recommend approval. Each trustee will receive a copy of the Form 990 for review and approval prior to filing.
Form 990, Part VI, Section B, line 12c	All employees and trustees are required to review and sign the conflict of interest form annually. Except as permitted by law, with respect to any contract or other transaction between the Foundation and any Trustee (or an organization in which a Trustee is a Trustee, Officer, or legal representative or has a material financial interest), the material facts as to such contract or transaction and as to the Trustee's interest must be fully disclosed or known to the Board of Trustees prior to approval of such contract or transaction, and the interested Trustee may not be counted in determining the presence of a quorum and may not vote.
Form 990, Part VI, Section B, line 15	Compensation for all positions, including the CEO, is determined annually based on documented performance reviews and consistent with periodic compatibility studies. The last compensation study for all staff positions was done in FY 2020. Changes in the CEO and President compensation is recommended by the Chair and Vice Chair, reviewed by the Executive Committee, and approved by the full board.
Form 990, Part VI, Section C, line 19	The Foundation makes its governing documents, conflict of interest policy and financial statements available upon request.
