Uzazi Village's primary purpose is to decrease maternal and infant mortality in our immediate community among African-American and other childbearing families through our Sister Doula/ Perinatal Community Health Worker (community-based doula) program, and community-education classes such as childbirth education, breastfeeding classes, newborn care class, baby-wearing classes, etc. We prepare candidates of color to enter the perinatal fields through continuing education and workforce training. During the COVID-19 pandemic, we were able to continue offering services by moving to virtual platforms. In January 2022 we opened up to in person services.
