Return Reference	Explanation
PART X, LINE 2 - FIN 48 FOOTNOTE:	Accounting principles generally accepted in the United States of America require management to evaluate income tax positions taken and accrue an income tax liability if the Association has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has evaluated the income tax positions taken and concluded that as of December 31, 2024 there are no uncertain positions taken or expected to be taken that would require recognition in the consolidated financial statements. NATCA, NMI and the NATCA PAC are subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. In addition, there have been no tax related interest of penalties for the periods presented in these consolidated financial statements.
