Other	NET OPERATING LOSS (NOL) - The increase in expenses is significantly linked to grant funding awarded to The Martin Luther King, Jr. Center for Nonviolent Social Change Inc. (The King Center) in a previous fiscal year. For FY 2021-2022, The King Center realized a net profit of $2,574,947.00 attributable to excess grant revenue. While the grants were designed to support activities over a three to five year term, the entire funding was recorded as income in the year it was received, during and after the pandemic. Extensions were granted by the funding sources, to allow spending of these funds. Consequently, the corresponding programmatic and operational expenses related to these grants have also been charged to the current fiscal year, instead of being distributed over the intended duration. This accounting methodology resulted in the current year $3,317,507 net loss. Therefore, when considering the three years combined, there is a net loss of $3,250,683. This approach reflects our commitment to transparency and accountability in managing funds for impactful programs, consistent with established accounting standards.
