What is the organization's primary exempt purpose?

Civic Engagement Beyond Voting works to engage and empower everyday Arizonans in every level of government in their state. By following the work of the state legislature, school boards, courts, and other boards and commissions, we inform the public of policies and actions that impact their lives. We seek to move Arizona forward with equity, education, justice, and progressive social ideals.

Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. In a clear and concise manner, describe the services provided, the number of persons benefited, and other relevant information for each program title.

28

Our Program Service Accomplishments are as follows:1. Produce a weekly analysis of the Arizona state legislation with analysis and insights into processes and procedures2. Inform the public of events and actions they can take to participate in state and local government3. Produce a bi-annual summary of judicial actions and decisions to better understand the workings of the courts4. Train the public on writing letters to the editor, social media messaging, testifying in front of government bodies, and other actions of citizen engagement
