INDEPENDENT AUDITORS' REPORT

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Lenox Hill Neighborhood House, Inc. and Affiliates (collectively, the "Organization"), which comprise the consolidated statements of financial position as of June 30, 2021 and 2020, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Lenox Hill Neighborhood House, Inc. and Affiliates as of June 30, 2021 and 2020, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards ("SEFA") for the year ended June 30, 2021, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, ("Uniform Guidance"), is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 24, 2021, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS JUNE 30, 2020 and 2021

NOTE 1 - ORGANIZATION AND NATURE OF ACTIVITIES

Lenox Hill Neighborhood House, Inc. (the "Neighborhood House" or "Organization") is a 127-year-old community service organization located in New York City. Each year, the Organization provides assistance to more than 15,000 people in need who live, work or attend school on the East Side of Manhattan. The Neighborhood House is the oldest and largest social service and educational organization on the Upper East Side. Founded in 1894 to provide a free kindergarten for immigrant children, the Organization has greatly expanded its range of services. Throughout, it has sought to help people in its community gain the skills necessary to better themselves. The Organization's service area extends from Fifth Avenue to the East River and from 14th Street to 143rd Street. Its principal programs serve children and families, homeless and formerly homeless adults, older adults, disabled persons, immigrants, adult learners and other nonprofits. The Neighborhood House is a tax-exempt corporation under Section 501(c)(3) of the Internal Revenue Code.

The Neighborhood House oversees a special purpose not-for-profit corporation, 159-61 East 102nd Street Housing Development Fund Corporation (the "HDFC"). The HDFC owns the stock of Casa Mutua, Inc., a New York corporation that serves as General Partner of Casa Mutua Limited Partnership (the "Partnership"). The HDFC is also the sole Limited Partner of the Partnership, making the HDFC the sole owner of the Partnership. The Partnership owns and operates a building at 159-61 East 102nd Street in Manhattan and provides permanent supportive housing for 54 formerly homeless persons who live with mental illness. Because the Neighborhood House controls the HDFC and therefore the Partnership, the financial statements of the HDFC and Partnership must be consolidated with those of the Neighborhood House. See also Notes 7, 8 and 13.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Lenox Hill Neighborhood House, Inc. and Affiliates consolidated financial statements are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). All intercompany transactions have been eliminated in consolidation.

Revenue Recognition

The Neighborhood House receives its funding from city, state and federal government agencies ("Government Funds") and from private donors including individuals, estates, corporations, foundations and other not-for-profit entities ("Gifts").

The Organization records receivables and revenue when earned based on established rates or contracts for services provided. Generally, the Organization bills government agencies, third-party payors and individuals after the services are performed or when the Organization has completed its portion of the contract. Reimbursements from government agencies for prior years are occasionally adjusted in subsequent years due to audit adjustments or the receipt of additional monies in excess of contract amounts. Government Funds are nonexchange transactions accounted for under the Financial Accounting Standards Board ("FASB") Accounting Standards Update ("ASU") 2018-08, "Clarifying the Scope and Accounting Guidance for Contributions Received and Contributions Made" (Topic 958)(see below). Government funds amounted to \$15,235,497 and \$14,418,119 for the years ended June 30, 2020 and 2021, respectively, and are included in the consolidated statements of activities. To the extent amounts received exceed amounts spent, the Organization records government and other advances as a liability.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2020 and 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The Organization records revenue from dues and fees based on the five-step model described under ASU 2014-09, "Revenue from Contracts with Customers" (Topic 606). Dues and fees are billed either in advance or at the time of purchase. Dues and fees collected prior to the time period for which they are due are recorded as advances. Dues and fees collected in a period subsequent to when they were due are recognized as revenue in that specific year.

Gifts are recorded as revenue when they are reported to the Organization and their amounts become reasonably certain. Gifts are recorded with donor restrictions if donors stipulate their use for a specific purpose and/or for a specified time period, or if they stipulate that the gift is perpetual in nature. Non-operating revenue consists of gifts to endowment, capital gifts, bequests, investment income and certain other income that is derived from activities that are not related to the Organization's core programs and operations. The Partnership's apartment rental income is recognized as it accrues. Advanced receipt of rental income is deferred until earned. Income for services rendered between programs is recorded as revenue in the program that provides the service and as an expense in the program using the service; such amounts have been eliminated in the consolidated financial statements.

As of June 30, 2020 and 2021, respectively, the Organization received conditional grants and contracts from government agencies and organizations in the aggregate amounts of \$25,939 and \$110,356, respectively. Such grants and contracts have not been recognized as revenue in the consolidated financial statements as they relate to future periods and will be recognized when relevant barriers are overcome (e.g., expending funds in accordance with their agreements).

During the years ended June 30, 2020 and 2021, contributed professional services of \$48,810 and \$35,664, respectively, were received. These contributions are reflected as revenue and an equal expense in the period received. The value of non-professional time is not reflected in the consolidated financial statements as it does not meet the criteria for recognition.

The Organization received Employee Retention Credits ("ERC"), a fully refundable payroll tax credit for qualified wages paid (including allocable qualified health plan expenses), for the period March 12, 2020 through June 30, 2021 under the federal Coronavirus Aid, Relief, and Economic Security Act ("CARES Act")(enacted March 2020), the Consolidated Appropriations Act, 2021("Relief Act")(enacted December 2020) and the American Rescue Plan Act of 2021 ("American Rescue Plan Act")(enacted March 2021). The Organization received ERCs totaling \$2,217,151 reflected as non-operating for the year ended June 30, 2021. Of that amount, \$2,090,797 was paid to the Neighborhood House through receipt of direct payments from the U.S. Internal Revenue Service ("IRS") and offsetting of payroll taxes; the remaining \$126,354 is expected in direct payment from the IRS.

Net Assets

Net assets, revenues, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor restrictions. The governing Board of Directors of the Organization (the "Board") has designated, from net assets without donor restrictions, net assets for a Board-designated Endowment.

Net Assets With Donor Restrictions – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires (i.e., when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both); the related net assets are reported in the consolidated statements of activities as net assets released from restrictions. Net assets of \$1,938,775 and \$2,128,861, respectively, were released from donor restrictions during the years ended June 30, 2020 and 2021. Gifts to the endowment received with donor stipulations that they are perpetual in nature are recorded in the Thomas J. Edelman Restricted Endowment Fund f/b/o Lenox Hill Neighborhood House (the "Thomas J. Edelman Restricted Endowment Fund")(see Note 6). All investment earnings on the Thomas J. Edelman Restricted Endowment Fund are recorded as perpetual in nature until the Board authorizes an expenditure in accordance with the restrictions of the Thomas J. Edelman Restricted Endowment Fund and applicable law.

Accounts and Pledges Receivable

Allowances for doubtful accounts are provided on accounts and pledges receivable when management deems appropriate. These allowances are based on management's assessment of the collectability of these accounts. At June 30, 2020 and 2021, allowances totaling \$24,518 and \$30,844, respectively, were recorded against accounts receivable. No allowances against pledges were believed necessary. The Organization does not currently discount to present value contributions that will be received in more than one year because that discount is deemed immaterial given the non-discounted value of such contributions.

Cash, Equivalents and Restricted Cash

Cash and equivalents include highly liquid instruments having maturities of three months or less from the date acquired, except restricted cash held in restricted deposits and funded reserves. Cash and equivalents in the Board-designated Endowment and in the Thomas J. Edelman Restricted Endowment Fund (see Note 6) are treated as investments.

Consolidated Statements of Cash Flows

For purposes of the consolidated statements of cash flows, the Organization considers income designated by the Board for the Board-designated Endowment as a cash flow provided by financing activities. This includes the general allocation of funds from the operating accounts to the Board-designated Endowment.

Fair Value Measurements

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, a fair value hierarchy prioritizes observable and unobservable inputs used to measure fair value into three levels, as described in Note 6.

Property and Equipment

Property and equipment is reported at cost less accumulated depreciation. Property and equipment with a cost of \$5,000 or more, and a useful life of more than one year, is capitalized and depreciated over its estimated useful life

LENOX HILL NEIGHBORHOOD HOUSE, INC. AND AFFILIATES

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2020 and 2021**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

utilizing the straight-line method if it relates to equipment or betterments in property owned by the Organization. Betterments with a cost of \$5,000 or more, and a useful life of more than one year, are capitalized and depreciated over the lesser of their estimated useful life or the lease term if they are located in property leased by the Organization for a term of more than one year. Betterments in property used by the Organization either without a lease or pursuant to a lease with a term of one year or less will be expensed. When assets are retired or disposed of, their costs and accumulated depreciation are removed from the accounts and any gain or loss is reflected in operations. Repairs and maintenance are charged to operations as incurred.

Loans

In accounting for the terms of a loan under the Paycheck Protection Program (“PPP”) from the U.S. Small Business Administration (“SBA”)(see Note 10), the Organization is guided by FASB’s ASU 470 (Debt) and ASU 450-30 (Gain Contingencies). Accordingly, the Organization recorded the proceeds of the PPP loan as debt and it will derecognize the liability when the loan is paid off or it believes forgiveness is reasonably certain. The Organization believes that the possibility of loan forgiveness is to be regarded as a contingent gain and therefore will not recognize the gain, and derecognize the loan, until all uncertainty is removed (i.e., all conditions for forgiveness are met).

Allocation of Expenses

The costs of providing the various programs and other supporting activities of the Organization have been summarized on a functional basis in the consolidated statements of activities and functional expenses. Expenses that can be identified with a specific program or support service are charged directly to that program or support service. Costs common to multiple programs and/or functions have been allocated among the various programs and/or functions benefited using a reasonable allocation methodology, determined by management, that is consistently applied as follows: salaries and wages, associated fringe benefits and payroll taxes are allocated based on estimates of time and effort; occupancy costs are allocated based on the estimated amount of space used by each program and function; information and communication technology expenses are allocated, when appropriate, on the basis of employee headcount for each program and supporting activity; insurance costs are allocated based on either the estimated amount of space used by each program and function or by total salary cost; and depreciation and loss on write off of property and equipment are allocated based on the estimated amount of space used by each program and function. The basis on which costs are allocated are evaluated annually or more frequently when programs or supporting functions are added or eliminated or when employee headcount changes significantly.

Income Taxes

The Organization is unaware of any uncertain tax positions as of June 30, 2021 in accordance with Accounting Standards Codification (“ASC”) Topic 740 (“Income Taxes”), which provides standards for establishing and classifying any tax provisions for uncertain tax positions.

Use of Estimates

The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures at the date of

LENOX HILL NEIGHBORHOOD HOUSE, INC. AND AFFILIATES

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3 - LIQUIDITY AND AVAILABILITY OF RESOURCES

The Organization regularly monitors the liquidity required to meet its planned operating needs and other commitments, including non-operating expenditures, while also striving to maximize the investment of its available funds and to provide for unanticipated liquidity needs. The Organization has various sources of liquidity at its disposal, including cash and cash equivalents, accounts receivable, pledges receivable, marketable fixed income and equity securities in its Board-designated Endowment, marketable fixed income and equity securities available for use, in accordance with law and donor restrictions, from the Thomas J. Edelman Restricted Endowment Fund, and a line of credit. See Notes 4, 5, 6 and 10. For purposes of analyzing liquidity and the availability of resources to meet general operating expenditures and other commitments, including non-operating expenditures, over a twelve-month period, the Organization considers all expenditures, both general operating and non-operating, related to its program activities and supporting services.

As of June 30, 2020 and 2021, financial assets available without donor or other restrictions limiting their use, within one year of the consolidated statement of financial position date, comprise the following:

	At June 30,	
	2020	2021
Cash and equivalents	\$ 3,510,661	\$ 2,854,078
Accounts receivable, net	3,166,675	4,195,074
Pledges receivables due in less than one year	574,000	145,000
Investments in the Board-designated Endowment	18,840,737	26,693,699
Total	<u>\$ 26,092,073</u>	<u>\$ 33,887,851</u>

The Organization's endowment funds consist of the Board-designated Endowment and the Thomas J. Edelman Restricted Endowment Fund (see Note 6). The Board-designated Endowment of \$18,840,737 (as of June 30, 2020) and \$26,693,699 (as of June 30, 2021) is subject to a withdrawal rate as determined annually by the Board of the Organization as part of the Board's annual budget approval and appropriation process for the succeeding year. The Thomas J. Edelman Restricted Endowment Fund of \$7,787,585 (as of June 30, 2020) and \$9,873,638 (as of June 30, 2021) was not used for any expenditures in 2020 or 2021; withdrawals can be authorized by the Board of the Organization in accordance with law and donor restrictions. As further described in Note 11, the Organization has a line of credit for \$1,000,000 that can be used to support its operations as needed.

As of November 24, 2021, all but \$195,000 of fiscal 2021 pledges receivable had been collected.

NOTE 6 - ENDOWMENT

The Neighborhood House has established a significant pool of financial assets to serve as an endowment (the "Endowment"). The Endowment is comprised of two parts: 1) funds designated by the Board which are unencumbered by donor restrictions ("Board-designated Endowment"); and 2) funds received with donor stipulations that they are perpetual in nature (the "Thomas J. Edelman Restricted Endowment Fund"). In combination, these funds are referred to as the Endowment.

At June 30, 2020, the Board-designated Endowment totaled \$18,840,737 and the Thomas J. Edelman Restricted Endowment Fund totaled \$7,787,585, or \$26,628,322 in total. At June 30, 2021, the Board-designated Endowment totaled \$26,693,699 and the Thomas J. Edelman Restricted Endowment Fund totaled \$9,873,638, or \$36,567,337 in total.

The Neighborhood House's current investment policy for the Endowment is to invest in a mix of equity and fixed income securities based on a target allocation set periodically by the Board's Finance and Audit Committee. The objective is to preserve the "real" or inflation adjusted principal of the Endowment, to obtain relatively stable returns, to achieve long-term growth and to comply with the New York Prudent Management of Institutional Funds

NOTE 6 - ENDOWMENT (Continued)

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Organization uses various methods including market, income and cost approaches. Based on these approaches, the Organization often utilizes certain assumptions that market participants would use in pricing the asset or liability, including assumptions about risk and or the risks inherent in the input to the valuation technique. Based on the observability of the inputs used in the valuation techniques, the Organization is required to provide the following information used to determine fair values. Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

Level 1 – Valuations based on quoted prices (unadjusted) in an active market that are accessible at the measurement date for identical assets or liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs.

Level 2 – Valuations based on observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in inactive markets; or model-derived valuations in which all significant inputs are observable or can be derived principally from or corroborated with observable market data.

Level 3 – Valuations based on unobservable inputs are used when little or no market data is available. The hierarchy gives the lowest priority to Level 3 inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Equities

Equities are valued at the closing price reported on the active market on which the individual securities are traded.

Corporate Bonds, Foreign Bonds and Government Obligations

Corporate bonds, foreign bonds and government obligations are valued at the closing price reported in the active market in which the individual securities are traded.

Financial assets carried at fair value at June 30, 2020 and 2021 are classified as Level 1 and were as follows:

	Board-designated Endowment		Thomas J. Edelman Restricted Endowment		Total	
	2020	2021	2020	2021	2020	2021
Assets Carried at Fair Value

NOTE 7 - RESTRICTED DEPOSITS AND FUNDED RESERVES

As a condition for the long-term debt obtained by the Partnership from the New York City Department of Housing Preservation and Development (“HPD”) to finance the acquisition and operation of the building at 159-61 East 102nd Street in Manhattan (the “Project”), the Partnership agreed to fund the Project operating and replacement reserves to ensure the Project’s successful operations as low-income housing. On May 31, 2011, as agreed to by the Partnership and HPD, certain amounts of the restricted deposits for Project operating and replacement reserves were transferred from bank accounts of the Partnership to certain lockbox accounts in the name of New York City Housing Development Corporation (“HDC”). The balances of these accounts as of June 30, 2020 are \$440,858 (Project Operating Reserve) and \$64,691 (Project Replacement Reserve). The balances of these accounts as of June 30, 2021 are \$445,393 (Project Operating Reserve) and \$80,992 (Project Replacement Reserve). As of June 30, 2020 and 2021, the Partnership is required to make specified annual contributions to the Project Replacement Reserve but not to the Project Operating Reserve. These balances are net of withdrawals from the Project Operating Reserve and the Project Replacement Reserve, authorized by HPD and transferred from HDC.

The Organization’s headquarters at 331 East 70th Street in Manhattan was built in 1928 and is fully depreciated. Over the past 19 years, the building has been entirely renovated and its principal systems and finishes restored or replaced. In October 2021, the market value of the land on which the building sits had an estimated market value of \$49.8 million (assumed vacant and available for development) based on an independent appraisal completed by KTR Real Estate Advisors (“KTR”). The building at 159-61 East 102nd Street in Manhattan that provides permanent supportive housing for 54 formerly homeless persons who live with mental illness (see Note 1) and the land on which it sits had an estimated fair market value of \$2 million as of November 2021 based on an independent appraisal completed by KTR.

NOTE 9 - LONG-TERM DEBT

At June 30, 2021, the Partnership was liable for two mortgages on the building at 159-61 East 102nd Street as follows:

- An HPD mortgage in the principal amount of \$1,671,575 due May 14, 2037. Through January 1, 2015, simple interest on the principal amount of this mortgage accrued at the rate of one percent (1%) per annum. Beginning January 1, 2015, interest is payable monthly. A servicing fee of one quarter of one percent (0.25%) per annum is payable monthly.
- A New York State Homeless Housing and Assistance Corporation (“HHAC”) mortgage in the principal amount of \$1,317,824 due May 14, 2022. Simple interest accrues at 0.25% per annum. Principal and all accrued interest is payable at maturity. Based upon the terms of the Agreement, note and mortgage with HHAC, upon the satisfactory completion of all of the Organization’s obligations at the end of the term on May 14, 2022, the mortgage and note will be deemed satisfied without repayment required and a mortgage satisfaction extinguishing the obligations will be issued to the Organization.

NOTE 10 - LOAN PAYABLE

The Organization received a PPP loan through Chase from the SBA in the amount of \$2,382,913 on May 1, 2020. The full amount of this loan was outstanding at June 30, 2021. PPP loan payments were deferred and the loan was eligible for forgiveness up to the full amount of the loan if certain criteria were satisfied. The Organization submitted a loan forgiveness application in the amount of \$2,018,075 and was notified in July 2021 by Chase that the SBA had forgiven this entire amount. The Organization thereafter paid Chase the remaining \$364,838 of the PPP loan, as well as \$4,549 in interest due under the terms of the PPP loan program.

NOTE 11 - LINE OF CREDIT

The Organization renewed a \$1,000,000 commercial line of credit with a major bank in February 2020. This line is collateralized by all of the Organization’s business assets. There was no outstanding balance on the line of credit at June 30, 2021. Drawings were subject to interest at the London Inter-Bank Offered Rate (LIBOR) plus 3.00%. The line of credit expires on February 20, 2022 with an option to renew.

NOTE 12 - PENSION PLANS

Union Plans

The Neighborhood House is a party to collective bargaining agreements with 1199SEIU National Healthcare Workers East (“1199”); and Local 95 (“Local 95”) of AFSCME (“AFSCME”) Community & Social Agency Employees Union District Council 1707 (“DC 1707”), which represent certain Neighborhood House staff. The Neighborhood House has pension obligations on behalf of employees in these unions as required by the respective collective bargaining agreements. Effective September 1, 2019, DC 1707 unified with AFSCME District Council 37 (“DC 37”) with representational responsibilities fulfilled by DC 1707 and all matters related to the negotiation and administration of the collective bargaining agreement managed by DC 37. The agreement with 1199 expires on September 30, 2025; the agreement

NOTE 12 - PENSION PLANS (Continued)

with Local 95/DC 1707/DC 37 expires on January 31, 2022.

The Neighborhood House does not administer either of these pension plans, which are subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Pension Protection Act of 2006 ("PPA"), among other laws and regulations. For the years ended June 30, 2020 and 2021, the Neighborhood House contributed an average of 12.60% of salary, respectively, for 1199 employees and 10.89% and 10.89%, respectively, for Local 95/DC 1707/DC 37 employees. Pension expenses for employees covered by these two collective bargaining agreements for the years ended June 30, 2020 and 2021 totaling \$369,493 and \$383,308, respectively, are included in personnel expense in the consolidated statements of functional expenses.

The risks inherent in multiemployer pension plans such as the 1199 Pension Plan are different from sponsoring or participating in a single-employer plan in that assets contributed to a multiemployer plan by one employer may be used to provide benefits to employees of other participating employers. If a participating employer stops contributing to a plan, the unfunded obligations of the plan may be borne by the remaining participating employers. In addition, if a participating employer stops participating in a multiemployer plan, the former participating employer may be required to pay the plan an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

The PPA contains certain provisions to address funding problems encountered by many multiemployer plans and established different categories, or "zones", of plans: (1) "Green Zone" for healthy; (2) "Yellow Zone" for endangered; and (3) "Red Zone" for critical. These categories are based generally upon the funding ratios of plan assets to plan liabilities. In general, Green Zone plans have a funding ratio greater than 80%, Yellow Zone plans have a funding ratio between 65 and 80%, and Red Zone plans are less than 65% funded. The Zone Status for the 1199 Pension Plan is based on information obtained from the Form 5500 Annual Report filed by the Plan and certified by the Plan's actuaries.

Based on 1199 Pension Plan's annual report on Form 5500, the 1199 Pension Plan was 83.6% and 82.3% funded for its plan years beginning January 1, 2019 and January 1, 2020, respectively. According to the audited financial statements of the 1199 Pension Plan and the actuarial certification, the 1199 Pension Plan was therefore not in an endangered or critical status under the PPA for the Plan Year beginning January 1, 2020.

The Neighborhood House recently learned for the first time that the DC 37 Plan is not filed with the U.S. Department of Labor as a multiemployer plan, but rather as a single employer plan, sponsored by the Head Start Sponsoring Board Council ("HSSBC") which is the Primary Employer under the DC 37 Plan. The DC 37 Plan covers employees working for a number of organizations, including the Neighborhood House. The current collective bargaining agreement between HSSBC and Local 95 calls for a contribution of 10.89% of salary to the Plan, which the Neighborhood House has consistently paid.

In February 2021, HSSBC notified the Neighborhood House and other organizations whose employees participate in the DC 37 Plan that as of April 1, 2021 it was instituting an increase to 18% of salary in the monthly contribution to the DC 37 Plan in order for the DC 37 Plan "to remain in place and to continue to provide benefits to participants." While there would be only minimal impact on the Neighborhood House to pay this increase, notwithstanding this notice, the Neighborhood House has continued to pay 10.89% of salary based upon the requirements of the collective bargaining agreement and has budgeted for 18% payments in the event that it will be required to make such contributions.

NOTE 12 - PENSION PLANS (Continued)

Although the DC 37 Plan has elected to be treated as a single employer plan, because multiple unrelated employers contribute to the DC 37 Plan, it faces many of the same risks as a multiemployer plan in this respect. Moreover, these risks may be exacerbated in the case of the DC 37 Plan because, as a single employer plan, there is no well-established legal regime for pursuing withdrawing employers.

Defined Contribution Plans

The Neighborhood House has a defined contribution 403(b) thrift plan (“403(b) Plan”) covering certain eligible employees and a separate 457(b) Deferred Compensation Plan (“457(b) Plan”). Contributions to the 403(b) plan for the years ended June 30, 2020 and 2021 amounted to \$159,509 and \$153,367, respectively. The Neighborhood House made additional contributions for certain key employees to the 403(b) Plan and the 457(b) Plan. The Neighborhood House paid \$81,685 in January 2020 to these key employees, all of which was reflected in the consolidated financial statements for the year ended June 30, 2019. The Neighborhood House paid \$90,000 in January 2021 to these key employees, none of which was reflected in the consolidated financial statements for the year ended June 30, 2020. All of these contributions are included in personnel expense on the consolidated statements of functional expenses.

NOTE 14 - RELATED PARTY TRANSACTIONS

As described in Note 1, the Neighborhood House controls the Partnership, which in turn owns and operates a building at 159-61 East 102nd Street in Manhattan which serves as a permanent supportive housing residence for 54 formerly homeless persons living with mental illness. The Organization manages the building under a management agreement which expires on December 31, 2021, but which automatically renews for one-year terms unless earlier terminated under certain conditions. For the years ended June 30, 2020 and 2021, the Partnership paid \$14,703 and \$15,291, respectively, to the Neighborhood House for partnership management and \$48,930 and \$48,930, respectively, for property management. At June 30, 2020, the Partnership owed the Neighborhood House \$712,540, of which \$632,104 was for capital improvements made at the building which were paid for by the Neighborhood House. At June 30, 2021, the Partnership owed the Neighborhood House \$1,003,769, of which \$926,893 was for capital improvements made at the building which were paid for by the Neighborhood House. These intercompany transactions have been eliminated in the consolidated financial statements.

NOTE 15 - COMMITMENTS AND CONTINGENCIES

Various government agencies have the right to examine the books and records of the Neighborhood House in regard to transactions relating to contracts with those agencies. At June 30, 2020 and 2021, the consolidated financial statements included allowances in the amounts of \$24,518 and \$30,844, respectively, against all accounts receivable.

NOTE 15 - COMMITMENTS AND CONTINGENCIES (Continued)

The Neighborhood House leases space and pays for maintenance services for the Lenox Hill Neighborhood House Senior Center at Saint Peter's Church pursuant to an Amended and Restated License Agreement dated as of September 1, 2015 ("License Agreement"), as amended pursuant to an Addendum to the License Agreement dated as of May 9, 2017 ("Addendum"), a Second Addendum to the License Agreement dated September 17, 2018 and effective as of July 1, 2018 ("Second Addendum"), and a Third Addendum dated December 2, 2019 and effective as of that date ("Third Addendum"). The License Agreement, as amended, terminates on June 30, 2030, unless sooner terminated, and automatically renews for one additional five-year term. Pursuant to the License Agreement, as amended, the Neighborhood House pays Saint Peter's Church a monthly License Fee and a monthly Maintenance Fee, both of which will increase throughout the duration of the agreement. In June 2020, due to the COVID-19 pandemic, by agreement with Saint Peter's Church, the Neighborhood House ceased making maintenance payments under the License Agreement, as amended.

The License Agreement terminates immediately if any one of the following events takes place: (1) in the event that the space or an essential part of the space is totally destroyed by fire or other casualty; (2) the space is partially destroyed by fire or other casualty provided that notice is given within 20 days of the partial destruction and not less than 10 days prior to the termination date; (3) written notice is given by either the Neighborhood House or Saint Peter's Church to the other party at least 30 days prior to the current term or any renewal term that the notifying party does not wish to renew the agreement; or (4) funding from the City of New York to operate the Senior Center ceases.

NOTE 16 - CONCENTRATIONS

The only financial instruments that potentially subject the Neighborhood House or the Partnership to a concentration of credit risk are amounts on deposit at Chase that are in excess of Federal Deposit Insurance Corporation insurance limits. The excess amounts did not exceed \$4,121,750 and \$3,708,322 on the last day of any month during 2020 and 2021, respectively, for the Neighborhood House, and \$0 and \$0, during 2020 and 2021, respectively, for the Partnership. Given the size and credit rating of its bank, management believes that the credit risk related to these accounts is minimal.

The Neighborhood House's Endowments are managed by Wilkinson Global. Investment securities and cash are held in a custody account at BNY Mellon Wealth Management. At June 30, 2020, the Neighborhood House had \$18,840,737 in the Board-designated Endowment and \$7,787,585 in the Thomas J. Edelman Restricted Endowment, or a total Endowment of \$26,628,322. At June 30, 2021, the Neighborhood House had \$26,693,699 in the Board-designated Endowment and \$9,873,638 in the Thomas J. Edelman Restricted Endowment, or a total Endowment of \$36,567,337.

NOTE 17 - SUBSEQUENT EVENTS

Management has evaluated, for potential recognition and disclosure, events subsequent to the date of the consolidated statement of financial position through November 24, 2021, the date the consolidated financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Directors
Lenox Hill Neighborhood House, Inc. and Affiliates

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Lenox Hill Neighborhood House, Inc. and Affiliates (collectively, the "Organization"), which comprise the consolidated statement of financial position as of June 30, 2021, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated November 24, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

The Board of Directors
Lenox Hill Neighborhood House, Inc.

Report on Compliance for Each Major Federal Program

We have audited Lenox Hill Neighborhood House, Inc.'s ("Lenox Hill") compliance with the types of compliance requirements described in the *U.S. Office of Management and Budget Compliance Supplement* that could have a direct and material effect on Lenox Hill's major federal program for the year ended June 30, 2021. Lenox Hill's major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Lenox Hill's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Lenox Hill's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Lenox Hill's compliance.

Opinion on Each Major Federal Program

In our opinion, Lenox Hill complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control Over Compliance

Management of Lenox Hill is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Lenox Hill's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Lenox Hill's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
