## Independent Auditor's Report

The Board of Directors  
Community Action Agency of Southern New Mexico  
Las Cruces, New Mexico

### Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Community Action Agency of Southern New Mexico, Inc. (Agency) a nonprofit organization, which comprise the consolidated statement of financial position, as of September 30, 2021, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

#### OFFICE LOCATIONS

TEXAS | Waco | Temple | Hillsboro | Houston  
NEW MEXICO | Albuquerque

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### **Opinions**

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Agency as of September 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Other Matters**

#### *Other Information*

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The supplementary information as identified in the table of contents is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

#### *Other Reporting Required by Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated May 12, 2022, on our consideration of the Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

**COMMUNITY ACTION AGENCY OF SOUTHERN NEW MEXICO  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
SEPTEMBER 30, 2021**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting.** The consolidated financial statements of the Community Action Agency of Southern New Mexico (CAASN) have been prepared on the accrual basis. The following is a general description of significant policies followed by CAASN in accounting for its operations. These significant accounting policies and other notes to the consolidated financial statements are described below to enhance the usefulness of the consolidated financial statements to the reader.

**Basis of Presentation.** The Agency's consolidated financial statements are presented in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 2016-14, *Not-for-Profit Entities, Presenting Financial Statements*. Under ASC 2016-14, the Agency is required to report information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions. In addition, the Agency is required to present a statement of cash flows and statement of functional expenses.

**Organization.** The Agency is a nonprofit organization established in 1965, which provides social services in the form of community assistance and services to low-income individuals and households in the southern New Mexico counties of Dona Ana, Luna, Hidalgo, Sierra, and Grant. The Agency is exempt from income tax under Section 501(C)(3) of the U.S. Internal Revenue Code. This code section defines such organizations as "corporations...organized and operated exclusively for religious, charitable, scientific testing of public safety, literary or educational purposes...no part of the net earnings of which inures to the benefit of any shareholder or individual..."

The Agency operates the following programs:

**Community Services Block Grant** – The Agency utilizes the funds from the Community Services Block Grant to provide a variety of community social services. Programs currently funded through this grant include (1) Free Tax Preparation (2) Financial and Computer Literacy and (3) Benefit screenings for low-income families.

**Child Care Food Program** – Provides cash reimbursements for food and childcare technical assistance to individuals caring for children in their homes.

**Asset Development** – The Business Development program allows the self-employed to understand and effectively implement the many areas of running a small business. The Tax Program prepares federal and state tax returns for free. The IDA program offers clients financial accounts for education, business or home with a 4-to-1 match on savings after completion of the program.

**COMMUNITY ACTION AGENCY OF SOUTHERN NEW MEXICO  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
SEPTEMBER 30, 2021**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**CYFD Home Visiting Program (Thriving Kids)** – Work with high-risk families with children ages 0-3 to ensure they are developing according to age appropriateness. The program has three (3) full time employees that visit the homes to ensure children are developing appropriately. The focus is on prevention of child abuse and neglect.

The Agency also receives funding from the State of New Mexico Department of Health, U.S. Housing and Urban Development, City of Las Cruces, W.K. Kellogg Foundation (Empowerment Congress Grant) and the United Way of Southwest New Mexico, which is used to assist in providing community social services to low-income individuals and households.

**NM DOH Healthy Kids Healthy Childcare.** Manage trainings reaching 35 licensed childcare centers. Trainings at childcare centers are to establish childcare wellness policies to support healthy eating and increased physical activity. Implement Family 5.2.1.0 challenge to encourage and support families to adopt healthy behaviors at home. The Agency also receives funding from the State of New Mexico Department of Health, U.S. Housing and Urban Development, City of Las Cruces, and the United Way of Southwest New Mexico, which is used to assist in providing community social services to low-income individuals and households.

**Consolidated of Related Not-for-Profit Entities.** FASB 958-810-25 (FASB 958) states that in the case of control of a related but separate not-for-profit entity through a majority voting interest in the board of the other not-for-profit entity by means other than ownership or sole corporate membership and an economic interest in other such organizations, consolidation is required, unless control does not rest with the holder of the majority voting interest, in which case consolidation is prohibited. A not-for-profit entity has a majority voting interest in the board of another entity if it has the direct or indirect ability to appoint individuals that together constitute

a majority of the votes of the fully constituted board (that is, including any vacant board positions). For the year ended September 30, 2021, the Agency was required to consolidate Community Properties, Inc. (CPI) into its financials based on the criteria noted above.

**Controlled Affiliate.** The controlled affiliate, CPI, is a single asset nonprofit corporation that serves as a holding company for the Agency. The determination of why the CPI should be consolidated is disclosed above. CAASNМ paid rent each month to CPI in the amount of \$8,000 for land and building. The amount of the rent is reevaluated each year. CPI pays taxes and any repairs and maintenance required on the building. Any funds remaining in CPI at the end of the year are reverted back to the CAASNМ. During 2021, CPI returned \$76,110 to the CAASNМ.

**COMMUNITY ACTION AGENCY OF SOUTHERN NEW MEXICO  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
SEPTEMBER 30, 2021**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Principles of Consolidation.** The consolidated financial statements include the accounts of CPI. Intercompany accounts and transactions for these entities have been eliminated in the preparation of the consolidated financial statements. Collectively, the consolidated entity is referred to as the “Agency.”

**Functional Allocation of Expenses.** Expenses are charged directly to program and supporting services categories based on specific identification. Costs benefiting more than one service are allocated based on measures such as management’s estimates of time spent.

**Management Estimates and Assumptions.** The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Basis of Presentation.** The consolidated financial statements of the Agency have been prepared in accordance with accounting principles generally accepted in the United States of America (“US GAAP”), which require the Agency to report information regarding its financial position and activities according to the following net asset classifications:

*Net assets without donor restrictions:* Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Agency. These net assets may be used at the discretion of management and the board of directors.

*Net assets with donor restrictions:* Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Agency or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

**Revenue Recognition.** Grant revenues and contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished), net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

**COMMUNITY ACTION AGENCY OF SOUTHERN NEW MEXICO  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
SEPTEMBER 30, 2021**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

In May 2014, the FASB issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers*. The guidance requires the Agency to recognize revenue to depict the transfer of goods or services to customers in an amount that reflects the consideration to which the Agency expects to be entitled in exchange for those goods or services. The guidance also requires expanded disclosures relating to the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. Additionally, qualitative and quantitative disclosures are required regarding customer contracts, significant judgments, and changes in judgments, and assets recognized from the costs to obtain or fulfill a contract.

ASU 2014-09 requires organizations to exercise more judgment and recognize revenue using a five-step process. The Agency adopted the requirements of the new guidance retrospectively to all periods presented in this report. Adoption of the new guidance did not result in significant changes to the accounting policies for revenue recognition, receivables, and deferred revenues since most of the Agency's revenue sources are not included in the scope of ASU 2014-09.

**Cash and Cash Equivalents.** Cash and cash equivalents consist of cash held in checking and money market accounts and certificates of deposit with maturities of less than 90 days. At times, these balances exceed amounts covered by insurance provided by the Federal Deposit Insurance Corporation (FDIC), up to \$250,000 per institution. As of September 30, 2021, the Agency's balances did not exceed the amounts covered by insurance provided by the FDIC. The Agency has not experienced any losses and maintains deposits with reputable institutions. As such, the Agency believes it is not exposed to any significant credit risk to cash.

**Investments.** The Agency has adopted FASB ASC 958, *Not-for-Profit Entities*. Under this Standard, investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the Statement of Financial Position. Unrealized gains and losses are included in the change of net assets. Investment income and gains restricted by a donor are reported as increases in net assets with donor restrictions if the restrictions are met in the reporting period in which the income and gains are recognized.

**Fair Value of Financial Instruments.** The fair values of substantially all reported assets and liabilities which represent financial instruments (none of which are held for trading purposes) approximate the carrying values of such amounts.

**Property and Equipment.** Assets purchased whose cost is greater than \$5,000 are recorded, at cost, as property and equipment. Depreciation of property and equipment is provided using the straight-line method over the assets estimated useful life or the lease term of the related asset improvement. Repairs and maintenance costs are expensed as incurred. Estimated useful lives of the assets are as follows:

**COMMUNITY ACTION AGENCY OF SOUTHERN NEW MEXICO  
 NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
 SEPTEMBER 30, 2021**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

<u>Type</u>	<u>Life</u>
Furniture and fixtures	5-10 years
Equipment	5-10 years
Vehicles	5 years
Buildings and improvements	40 years

Management reviews long-lived assets to assess recoverability whenever events or changes in circumstances indicate that expected future undiscounted cash flows might not be sufficient to support the carrying amount of an asset. If an asset is determined to be impaired, the loss is measured as the amount by which the carrying value of the asset exceeds its fair value. At this time, no impairment losses have been recorded.

Gifts of long-lived assets such as land, buildings, or equipment are reported at fair value at date of donation, as unrestricted support, and are excluded from the excess of revenues over expenses, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

**Advertising.** The Agency expenses advertising costs as amounts are incurred. For the period ended September 30, 2021, the Agency recorded \$5,421 in advertising expense.

**Income Taxes.** The Agency is a not-for-profit organization that is exempt from income taxes under Section 501(C)(3) of the Internal Revenue Code of 1986 and, therefore, has made no provision for federal income taxes in the accompanying consolidated financial statements. There was no unrelated business income for the fiscal year ending September 30, 2021.

**Compensated Absences.** Employees of the Agency are entitled to paid vacation depending on length of service. Non-vesting sick leave benefits are not accrued. Employees are not paid for any sick leave balance at termination of employment.

**Sales Tax.** State of New Mexico imposes a gross receipts tax of 8.3125% on some of the Agency’s sales to exempt and nonexempt customers. These taxes are reported monthly to the State of New Mexico.

**Receivables.** The Agency estimates that all receivables will be collected; therefore, no allowance for doubtful accounts has been set up.

**COMMUNITY ACTION AGENCY OF SOUTHERN NEW MEXICO

SEPTEMBER 30, 2021**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Subsequent Events.** Subsequent events are events or transactions that occur after the statement of financial position date but before financial statements are available to be issued. The Agency recognizes in the consolidated financial statements the effects of all subsequent events that provide additional evidence about the conditions that existed at the date of the statement of financial position, including the estimates inherent in the process of preparing the consolidated financial statements. The Agency's consolidated financial statements do not recognize subsequent events that provide evidence about conditions that exist at the date of the statement of financial position but arose after the statement of financial position date and before the consolidated financial statements are available to be issued. The Agency has evaluated subsequent events through May 12, 2022, which is the date the consolidated financial statements were available to be issued and, as a result of evaluation, there were no subsequent events that require disclosure.

**New Accounting Pronouncement.** The Agency adopted the Financial Accounting Standards Board's Accounting Standards Update (ASU) No 2018-08 – *Not for Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. This update provides a more robust framework for determining whether a transaction should be accounted for as a contribution or an exchange transaction. To accomplish this, the ASU clarifies how a not-for-profit organization determines whether a resource provider is receiving value in return for the resources transferred based on the following criteria:

- A resources provider (including a private foundation, a government agency, or other) is not synonymous with the general public. Indirect benefit received by the public as a result of the assets transferred is not equivalent to commensurate value received by the resource provider.
- Execution of a resource provider's mission or the positive sentiment from acting as a donor would not constitute commensurate value received by a resource provider for purposes of determining whether a transfer of assets is a contribution or an exchange.

In addition, this ASU also requires an organization to determine whether a contribution is conditional based on whether the agreement includes a barrier that must be overcome or whether a right of return of assets transferred or a right of release of a promisor's obligation to transfer assets.

**NOTE 2 – CASH, RESTRICTED CASH, AND CASH EQUIVALENTS**

At September 30, 2021 cash and cash equivalents were as follows:

**NOTE 13 – RETIREMENT PLAN**

A qualified deferred compensation plan 403(b) has been established for employees through Mutual of America Life Insurance Company. Employees participating in the plan are fully vested at initial contribution. During the year ended September 30, 2021, the Agency contributed a total of \$32,181.

**COMMUNITY ACTION AGENCY OF SOUTHERN NEW MEXICO  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
SEPTEMBER 30, 2021**

**NOTE 14 – IN-KIND CONTRIBUTIONS**

A total of 1300 volunteer hours were identified during the year; however, the value is not recorded in the Statement of Activities. The Board of Directors contributed 52.5 hours of their time in performance of board duties, including strategic planning and other capacity building endeavors. The value is not recorded in the Statement of Activities.

**NOTE 15 – FAIR VALUE MEASUREMENT**

Under FASB ASC 820-10-05, the Financial Accounting Standards Board establishes a framework for measuring fair value in US GAAP and expands disclosures about fair value measurements. This statement reaffirms that fair value is the relevant measurement attribute. The adoption of this standard did not have a material effect on the Agency's consolidated financial statements as reflected herein. The carrying amounts of cash and cash equivalents, receivables, payables, accrued expenses, and other liabilities approximate fair value due to the short maturity periods of these instruments. The fair value of long-term debt is the carrying value due to the adjustable market rate of interest. The Agency measures certain financial assets and liabilities at fair value on a recurring basis. The Agency's financial assets and liabilities are measured using inputs from the three levels of the fair value hierarchy. The three levels are as follows:

**Level 1 Inputs** – Measurement based upon quoted prices for identical assets in an active market as of the reporting date.

**Level 2 Inputs** – Measurement based upon marketplace inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in inactive markets, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

**Level 3 Inputs** – Measurement based on the Organization's assumptions about a hypothetical marketplace because observable market inputs are not available as of the reporting date. The Agency uses appropriate valuation techniques based on the available inputs to measure the fair values of its assets and liabilities. When available, the Agency measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs have the lowest priority.

At September 30, 2021, the valuations of the Agency's investments according to the fair value hierarchy are all Level 1.

**COMMUNITY ACTION AGENCY OF SOUTHERN NEW MEXICO  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
SEPTEMBER 30, 2021**

**NOTE 16 – SUBLEASE OF FACILITY**

The Agency entered into a sublease agreement with Ngage New Mexico. The terms of the agreement are \$1,285 per month on a month-to-month basis.

**NOTE 17 – CONTINGENCIES**

The Agency participates in a number of federal award programs. Although the Agency's programs have been audited in accordance with the provisions of the Uniform Guidance, these programs are still subject to financial and compliance audits. The amounts, if any, of expenditures or overhead allowances which may be disallowed or changed by the granting agencies cannot be determined at this time, although the Agency expects such amounts, if any, to be immaterial.

Amounts received, or receivables from grantor agencies and through agreements, are subject to audit and adjustment by grantor and organizations. Any disallowed claims, including amounts already collected, may constitute a liability of the Agency. The amount, if any, of expenses which may be disallowed by the grantor or organization cannot be determined at this time, although the Agency expects such amount, if any, to be immaterial.

**NOTE 18 – ECONOMIC DEPENDENCY**

The Agency receives a significant portion of its revenue in the form of grants from governmental entities. The Agency expects these grants to continue into the foreseeable future. If, however, a significant portion of these funds are not continued, the Agency's ability to continue all programs would be diminished. As of September 30, 2021, the Agency's federal and local grants accounted for approximately 95% of its total revenue.

**NOTE 19 – COVID-19**

In early March 2020, the COVID-19 virus was declared a global pandemic, and it continues to cause market fluctuations. Business continuity and financial markets, including supply chains and consumer demand across a broad range of industries and countries, could be severely impacted for months or more, as governments and their citizens take significant and unprecedented measures to mitigate the consequences of the pandemic. Management is carefully monitoring the situation and evaluating its options during this time.

**INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

The Board of Directors  
Community Action Agency of Southern New Mexico  
Las Cruces, New Mexico

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of the Community Action Agency of Southern New Mexico, Inc. (Agency), which comprise the consolidated statement of financial position, as of September 30, 2021, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon May 12, 2022.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Agency’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR’S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM  
AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH  
THE UNIFORM GUIDANCE**

The Board of Directors  
Community Action Agency of Southern New Mexico  
Las Cruces, New Mexico

**Report on Compliance for Each Major Federal Program**

We have audited the Community Action Agency of Southern New Mexico, Inc.’s (Agency) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Agency’s major federal programs for the year ended September 30, 2021. The Agency’s major federal programs are identified in the summary of auditor’s results section of the accompanying schedule of findings and questioned costs.

**Management’s Responsibility**

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

**Auditor’s Responsibility**

Our responsibility is to express an opinion on compliance for each of the Agency’s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Agency’s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Agency’s compliance.

**Opinion on Each Major Federal Program**

In our opinion, the Agency complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2021.

## **Report on Internal Control over Compliance**

Management of the Agency is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Agency's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected and corrected on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
