The Northwest Michigan Arts & Culture Network connects the dots between the artists, culture bearers, community builders, organizations & creative projects that are furthering the arts & creating culturally vibrant communities throughout northern lower Michigan.

WE FOCUS ON BACKBONE SERVICES
THAT BUILD:

- **Connections** – to each other, to resources, to collaboration & to opportunities
- **Capacity** – to strengthen the ecosystem supporting arts & culture with access to professional development, calls for art, funding, partnering, & programming
- **Communications** – to promote and advocate for arts, culture & our vibrant creative sector
