BEYOND SHELTER

FREDERICK

ILLUMINATING Paths to Hope

MAKING A DIFFERENCE

For more than four decades, Beyond Shelter Frederick has moved Frederick County residents in need from crisis to hope. Our organization was created in 1981 when a group of congregations came together to address the challenges of homelessness and poverty in our community. And while our initial mission was to serve as a safety net for those in need of emergency shelter, we continue to evolve beyond to include programs that support people as they move beyond crisis and regain control of their lives.

HOMELESSNESS PREVENTION

While we respond to the immediate needs of those in crisis, we also work to prevent problems before they start.

Security Deposit Assistance

We offer rehousing assistance to eligible Frederick County residents who are at risk of homelessness or are currently homeless by providing support with security deposits.

Utility Assistance

We can help you keep the lights on and the heat running. Beyond Shelter is home to the Frederick County Community Energy Fund—the primary source of emergency financial assistance to families facing cutoff notices and immediate loss of utilities.

Rental Assistance

Does paying rent feel impossible? If you need assistance to pay your rent, you may be eligible for Emergency Rental Assistance.
