INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Oklahoma Institute for Child Advocacy

We have audited the accompanying financial statements of Oklahoma Institute for Child Advocacy (a nonprofit organization), which comprise the statement of financial position as of December 31, 2013, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements. The prior year summarized comparative information has been derived from Oklahoma Institute for Child Advocacy's 2012 financial statements and, in our report dated April 16, 2013, we expressed an unqualified opinion on those financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Oklahoma Institute for Child Advocacy as of December 31, 2013, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

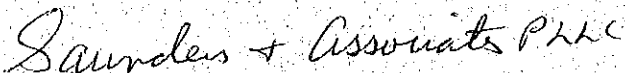

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the financial statements. In addition, the accompanying supplemental information, as listed in the preceding table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required By Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 24, 2014 on our consideration of Oklahoma Institute for Child Advocacy's internal control over financial reporting and on our tests of compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Oklahoma Institute for Child Advocacy's internal control over financial reporting and compliance.

Oklahoma City, Oklahoma

NOTES TO FINANCIAL STATEMENTS

For the Year Ended December 31, 2013

NOTE 1: ORGANIZATION MISSION AND NATURE OF ACTIVITIES

The Oklahoma Institute for Child Advocacy (Organization) was organized in 1983 as a not-for-profit corporation for children in Oklahoma. The Organization's mission is to create awareness, take action, and change policy on behalf of children and youth. The Organization affirms the value and vulnerability of children and youth by raising awareness of their needs, and by promoting public policies, programs and preventive strategies to ensure that they reach their full potential.

Advocacy – To ensure that the needs of children and youth are a priority in local and state policy and budgetary decision making.

Programs and Activities:

Oklahoma KIDS COUNT – Partnership with the National, KIDS COUNT Data Center to provide state, county and other data on a wide array of indicators related to child well-being in Oklahoma; preparation of reports, factsheets and other educational materials.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. In addition, certain in-kind donations including awards, printing, and advertising have not been reflected in the accompanying financial statements. The Organization is required to report information regarding its financial position and activities to three classes of net assets as follows:

Unrestricted Net Assets – Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets – Net assets subject to donor-imposed stipulations that can be fulfilled by actions of the Organization pursuant to those stipulations or that expire by the passage of time.

Permanently Restricted Net Assets – Net assets subject to donor-imposed stipulations that are to be maintained permanently by the Organization. Generally, the donors of such assets permit the Organization to use all or part of the income earned from the assets.

Cash and Cash Equivalents – For purposes of the statement of cash flows, all highly liquid investments with original maturities of three months or less are considered cash equivalents.

Property and Equipment – Property and equipment are recorded at cost for purchased items, or fair value at the date of receipt for donated items when the asset has a useful life greater than one year and, generally, a cost of more than \$1,000. Depreciation is provided on a straight-line basis over a three to seven year period that estimates its useful life.

Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Taxes and Uncertain Tax Positions

Income Tax Status – The Organization is a not-for-profit corporation exempt from income taxes in income related to its exempt purposes under Section 501(c)(3) of the *Internal Revenue Code* and is subject to a tax on income from any unrelated business, as defined by Section 509(a)(1) of the Code. The Organization currently has no unrelated business income. Accordingly, no provision for income taxes has been made in the accompanying financial statements.

NOTES TO FINANCIAL STATEMENTS

For the Year Ended December 31, 2013

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

The Organization has adopted the recognition requirements for uncertain income tax positions as required by generally accepted accounting principles. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return only when it is determined that the income tax position will more-likely-than-not be sustained upon examinations by taxing authorities. The Organization has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. The Organization believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Organization's financial condition, results of operations, or cash flows. Furthermore, the organization is subject to routine audits by federal and state taxing authorities. Federal and state tax statutes stipulate that tax returns filed in any of the previous three reporting periods remain open to examination. Currently, there are no open examinations with the Internal Revenue Service or the Oklahoma Tax Commission.

The Organization has made the election for lobbying expenses as allowed by section 501(h) of the Code. Current lobbying expenses were approximately \$15,000.

Support, Revenue and Contributions – The Organization receives grants and contract support from the Oklahoma State Department of Health, the Oklahoma State Department of Human Services, the Oklahoma Tobacco Settlement Endowment Trust, the Oklahoma State Department of Education, the United States Department of Health and Human Services, and other private foundations and corporations.

Grants and Contributions received are recorded as revenue at their estimated fair values on the date of receipt or upon satisfaction of any grantor or donor restrictions and are reflected as grants and contributions in the accompanying financial statements. Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future period or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a temporary restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Concentration of Credit Risk – Financial instruments that potentially expose the Organization to concentrations of credit risk consist of cash. (See Note 3)

NOTE 3: CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of demand deposits and time deposits maintained at financial institutions insured by the Federal Deposit Insurance Corporation (FDIC). Deposits are carried at cost. Bank balances at year-end are categorized as follows to give an indication of the level of risk assumed by the organization.

Unreconciled

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
Oklahoma Institute for Child Advocacy

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Oklahoma Institute for Child Advocacy (a non-profit organization), which comprise the statement of financial position as of December 31, 2013, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated April 24, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Oklahoma Institute for Child Advocacy's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Oklahoma Institute for Child Advocacy's internal control. Accordingly, we do not express an opinion on the effectiveness of Oklahoma Institute for Child Advocacy's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

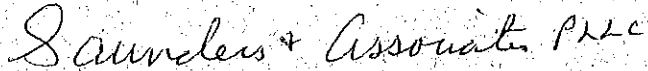

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Oklahoma Institute for Child Advocacy's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of Oklahoma Institute for Child Advocacy's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Oklahoma Institute for Child Advocacy's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

Board of Directors
Oklahoma Institute for Child Advocacy

Report on Compliance for Each Major Program

We have audited Oklahoma Institute for Child Advocacy's compliance with the types of compliance requirements described in the OMB *Circular A-133 Compliance Supplement* that could have a direct and material effect on each of Oklahoma Institute for Child Advocacy's major federal programs for the year ended December 31, 2013. Oklahoma Institute for Child Advocacy's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Oklahoma Institute for Child Advocacy's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Oklahoma Institute for Child Advocacy's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Oklahoma Institute for Child Advocacy's compliance.

Opinion on Each Major Federal Program

In our opinion, Oklahoma Institute for Child Advocacy complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2013.

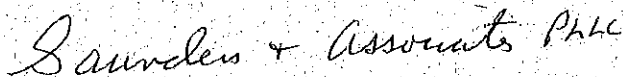

Report on Internal Control Over Compliance

Management of Oklahoma Institute for Child Advocacy is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Oklahoma Institute for Child Advocacy's internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with *OMB Circular A-133*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Oklahoma Institute for Child Advocacy's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected, and corrected on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of *OMB Circular A-133*. Accordingly, this report is not suitable for any other purpose.
