Form 990, Part III, Line 4a - Program Service Accomplishments
Like a Peace Corps for Health, HealthCorps engages recent college graduates who defer
entry into medical school or graduate health programs to participate in public
service through a two-year full time assignment at a designated public high school.
The proven health educational and peer mentoring program spans a network of 42 high
schools in 12 states (AZ, CA, DC, DE, FL, MS, NJ, NY, OH, OR, PA, TX) and has future
plans to implement the initiative in all fifty states in the next decade. This year
the program will impact over 21,000 students and an additional 40,000 community
members.
Focused on three priorities, HealthCorps educates the student body, achieves
community outreach through "FitTown" - an initiative to connect and empower citizens
and organizations to bring about awareness and affect change through local projects
and initiatives, and advocates for policy shifts across all levels of government that
put health and physical education back into the core curriculum of the American
education_system.
