REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

**Board of Directors
American Friends of the Louvre, Inc.
New York, New York**

We have audited the accompanying financial statements of American Friends of the Louvre, which comprise the statement of financial position as of June 30, 2017 and the related statements of activities and changes in net assets and cash flows for the year then ended, and the related notes to the financial statements.

Management Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of American Friends of the Louvre as of June 30, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2016 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters – Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplemental information for grants on page 13, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. AMERICAN FRIENDS OF THE LOUVRE, INC.

NOTES TO FINANCIAL STATEMENTS

June 30, 2017 And 2016

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

NATURE OF ORGANIZATION

American Friends of the Louvre's ("*AFL*") mission includes conducting activities that support or benefit the Louvre Museum ("*Louvre*"); fostering a public appreciation and understanding of art in general and raising public awareness about the Louvre and its extensive collection of works of art in particular; cooperating with other charitable organizations whether local, national, or international, for any of the foregoing purposes; and conducting any other activities that may be necessary, useful, or desirable for the furtherance or the accomplishment of the foregoing purposes.

ACCOUNTING ESTIMATES

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America management makes estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, as well as the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

CASH EQUIVALENTS

Cash equivalents include money market funds which are stated at fair value.

CONCENTRATION OF CREDIT RISK

AFL occasionally maintains deposits in excess of federally insured limits. Accounting Standards Codification ("*ASC*") 825, "*Financial Instruments*", identifies these items as a concentration of credit risk requiring disclosure, regardless of the degree of risk. The risk is managed by monitoring the financial institutions in which deposits are made.

INVESTMENTS

Investments in debt and equity securities with readily determinable fair market values are recorded at fair values. Unrealized gains and losses are recorded in the statement of activities.

CONTRIBUTIONS

To ensure observation of limitations and restrictions placed on the use of resources available to AFL, its accounts are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purpose. Unrestricted amounts are those currently available at the discretion of the Board for use in AFL's operations. All contributions are considered available for unrestricted use, unless specifically restricted by the donor or subject to other legal restrictions.

GRANTS PAYABLE

Unconditional grants are recorded as expense during the year of approval. Grants subject to certain conditions are recorded as expense during the year in which conditions are substantially met or the possibility that the conditions will not be met is remote, as determined by management.

NOTES TO FINANCIAL STATEMENTS – (Continued)

June 30, 2017 And 2016

NET ASSETS

Net assets are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of AFL are classified and reported as follows:

Unrestricted – Net assets that are not subject to donor-imposed stipulations and that may be expendable for any purpose in performing the primary mission of AFL.

Temporarily Restricted – Net assets that are subject to donor-imposed stipulations. As the restrictions are satisfied, temporarily restricted net assets are reclassified to unrestricted net assets and reported as “*net assets released from restrictions.*”

Permanently Restricted – Net assets that are subject to donor-imposed restrictions that the gifts be maintained in perpetuity. Related investment income on these net assets is included in temporarily restricted net assets until the restrictions are satisfied.

TAX EXEMPT STATUS

AFL is qualified as a tax exempt organization under Section 501(c)(3) of the Internal Revenue Code and, accordingly, is not subject to federal income taxes. The Internal Revenue Service has classified AFL as an organization that is not a private foundation as defined in Section 509(a) of the Internal Revenue Code.

Management has reviewed the tax positions for each of the open fiscal tax years (2014 – 2016) or expected to be taken in AFL’s fiscal 2017 tax return and has concluded that there are no significant uncertain tax positions that would require recognition in the financial statements.

PRIOR YEAR INFORMATION

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with AFL’s financial statements for the year ended June 30, 2016, from which the summarized information was derived.

AFL utilized various methods to measure the fair value of its investments on a recurring basis. Generally accepted accounting principles establish a hierarchy that prioritizes inputs to valuation methods. The three levels of inputs are described below:

Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities that AFL has the ability to access.

Level 2 – Observable inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. These inputs may include quoted prices for the identical instrument on an active market, prices for similar instruments, interest rates, prepayment speeds, credit risk, yield curves, default rates and similar data.

Level 3 – Unobservable inputs for the asset or liability, to the extent relevant observable inputs are not available, representing AFL's own assurance about the assumptions a market participant would use in valuing the asset or liability, and would be based on the best information available.

The inputs methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

NOTES TO FINANCIAL STATEMENTS – (Continued)

ENDOWMENT FUNDS

AFL's endowment funds consist of individual funds established for a variety of purposes. Its endowment funds consist of both donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments. As required by GAAP in the United States, net assets associated with endowment funds, including funds designated by the Board to function as endowments, are classified and reported based upon the existence or absence of donor-imposed restrictions.

INTERPRETATION OF RELEVANT LAW

AFL is incorporated in the state of New York, which has enacted the Uniform Prudent Management of Institutional Funds Act ("*UPMIFA*"). UPMIFA governs donor restricted or permanently restricted endowment funds for not-for-profit corporations. AFL has interpreted the applicable state standards and guidelines for the prudent management of an endowment fund as requiring the preservation of the fair value of the original gift as of the gift date of the endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, AFL classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment; (b) the original value of subsequent gifts to the permanent endowment; and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund (i.e. the accumulated realized and unrealized gains/losses) that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by AFL. AFL considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of AFL and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of AFL
- (7) Where appropriate and circumstances would otherwise warrant, alternatives to expenditure of the endowment fund, giving due consideration to the effect that such alternatives may have on the institution.
- (8) The investment policies of AFL

RETURN OBJECTIVES AND RISK PARAMETERS

AFL's investment policy for endowment funds is to earn a return that meets the endowment spending rate with minimum investment risk.

SPENDING POLICY

AFL has a policy that permits annual spending between 3.5% and 4% of the market value of the endowment fund on June 30, preceding the fiscal year in which the distributions are made. This policy is consistent with AFL's objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment returns.
