

**VISION**

We envision a community where all women thrive.

**MISSION**

To support women's self-sufficiency by providing individualized services and connections to local resources.

**WE COMMIT TO WORKING TOWARDS...**

**1**

A thriving volunteer program, investment in quality staff and effective leadership through our Board of Directors

**2**

Increased community access to our services, maximized community collaboration and strengthened programming

**3**

Improved sustainability and contingency practices and deepened community understanding of services
