To the Board of Directors of
Livingston Memorial VNA
Health Corp. and Subsidiaries
(A California Non-Profit Corporation)
Ventura, California

Independent Auditors' Report

We have audited the accompanying consolidated balance sheets of Livingston Memorial VNA Health Corp. and Subsidiaries, a California non-profit corporation, as of December 31, 2010 and 2009, and the related consolidated statements of operations and changes in net assets, cash flows, and functional expenses for the years then ended. These consolidated financial statements are the responsibility of the Livingston Memorial VNA Health Corp. and Subsidiaries' management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Livingston Memorial VNA Health Corp. and Subsidiaries' internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Livingston Memorial VNA Health Corp. and Subsidiaries as of December 31, 2010 and 2009, and the results of their operations, changes in their net assets, and their cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements taken as a whole. The consolidating supplemental information is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and, in our opinion, is fairly stated in all material respects in relation to the consolidated financial statements taken as a whole.

The accompanying notes are an integral part of the consolidated financial statements

LIVINGSTON MEMORIAL VNA HEALTH CORP. AND SUBSIDIARIES
(A CALIFORNIA NON-PROFIT CORPORATION)

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION AND PRINCIPLES OF CONSOLIDATION

The consolidated financial statements of Livingston Memorial VNA Health Corp. and Subsidiaries (a California non-profit corporation, collectively referred to as the "Association") include the accounts of Livingston Memorial VNA Health Corp., Livingston Memorial Visiting Nurse Association (LMVNA), and Gold Coast Caregivers (GCCG). The entities are incorporated in California as 501(c)(3) not-for-profit corporations. They have identical Boards of Directors (collectively, the "Board").

The Association strives to provide a variety of home health services ranging from rehabilitation to infusion therapy to palliative care to hospice care of the highest quality in the most cost-effective manner to the residents of Ventura County, California. The Association also offers services to the community including support groups and education classes. LMVNA is licensed by the State of California, certified by Medicare and Medi-Cal, and is accredited by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO).

All significant intercompany accounts and transactions have been eliminated in consolidation.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Standards Codification (ASC)

During the year ended December 31, 2009, the Association adopted Financial Accounting Standards Board (FASB) ASC 105, *Generally Accepted Accounting Principles*, which established the ASC as the sole source of authoritative accounting principles recognized by the FASB to be applied by nonpublic entities in the preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP). As the ASC was not intended to change or alter existing GAAP, the adoption of FASB ASC 105 only changed referencing convention of GAAP in the notes to the consolidated financial statements.

Basis of Presentation

The accompanying consolidated financial statements of the Association have been prepared using accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

**LIVINGSTON MEMORIAL VNA HEALTH CORP. AND SUBSIDIARIES
(A CALIFORNIA NON-PROFIT CORPORATION)**

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Basis of Presentation – Continued

In accordance with the provisions of FASB ASC 954, *Health Care Entities*, net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Association and changes therein are classified and reported as follows:

- Unrestricted net assets – Unrestricted net assets represent net assets that are not subject to donor-imposed restrictions and that may be expendable for any purpose in performing the primary objectives of the Association.
- Temporarily restricted net assets – Temporarily restricted net assets represent net assets subject to donor-imposed stipulations that may or will be met either by actions of the Association and/or the passage of time. As the restrictions are satisfied, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the accompanying consolidated statements of operations and changes in net assets as net assets released from restrictions.
- Permanently restricted net assets – Permanently restricted net assets include gifts and pledges which require, by donor restriction, that the corpus be invested in perpetuity, and only the income be made available for operations in accordance with donor restrictions.

Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA)

The Association follows the provisions of FASB ASC 958-205, *Presentation of Financial Statements*, which provides guidance on the net asset classification and reporting of donor-restricted endowment funds for not-for-profit organizations that are subject to an enacted version of the UPMIFA. The UPMIFA was signed into law in California (CPMIFA) on September 30, 2008, and is applicable to institutional funds established, and to decisions made or actions taken with respect to existing institutional funds, on or after January 1, 2009.

LIVINGSTON MEMORIAL VNA HEALTH CORP. AND SUBSIDIARIES
(A CALIFORNIA NON-PROFIT CORPORATION)

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Net Patient Service Revenue

The Association has agreements with third-party payors that provide for payments to the Association at amounts different from its established rates. Payment arrangements include prospectively determined rates per discharge, reimbursed costs, discounted charges, and per diem payments. Net patient service revenue is reported at the estimated net realizable amounts from patients, third-party payors, and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payors. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods, as final settlements are determined. In the opinion of management, adequate provision has been made for such adjustments.

The Association derived approximately 70% and 71% of its net patient service revenues from Medicare during the years ended December 31, 2010 and 2009, respectively. Under the Prospective Payment System (PPS) for Medicare reimbursement, the Association estimates net revenues to be recorded based on a reimbursement rate, which is determined using relevant data, such as the severity of the patient's condition, service needs, and certain other factors, bundled into 60-day episodes of care. At the beginning of an episode of care, the Association submits a request for anticipated payment (RAP) for the initial percentage payment. The initial payment is 60% of the total PPS amount for new patients and 50% for on-going patients. At the end of the episode of care, the Association submits a request for the residual final payment. For payment differences between the estimated reimbursement and the final amount billed, the Association estimates the impact of such payment adjustments based on the historical experience and records this estimate during the period services are rendered as a contractual adjustment to revenue. As such, management believes the net balances as of December 31, 2010 and 2009 in the amount of \$662,706 and \$597,872; respectively, included in patient accounts receivable in the accompanying consolidated balance sheets accurately represents the amounts to be reimbursed by Medicare.

The Association also has entered into payment agreements with other third-party payors, including Medi-Cal, certain commercial insurance carriers, health maintenance organizations, preferred provider organizations, as well as private payors. The basis for payment to the Association under these agreements includes prospectively determined rates per discharge, discounts from established charges, and prospectively determined daily rates. No other payor accounted for 10% or more of the Association's total net patient service revenues during the years ended December 31, 2010 and 2009.

**LIVINGSTON MEMORIAL VNA HEALTH CORP. AND SUBSIDIARIES
(A CALIFORNIA NON-PROFIT CORPORATION)**

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Public Support

Contributions are recognized as revenue when they are received or unconditionally pledged.

The Association reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the accompanying consolidated statements of operations and changes in net assets as net assets released from restrictions.

Public contributions of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Association reports them as unrestricted support.

Grant Income

The Association receives grant income through various city and state agencies, local companies, and non-profit organizations to support its mission and provide specific health care services. Grants are recorded and recognized in accordance with the contribution policy described above.

Subsidized Care

The Association has a policy of providing care to patients regardless of their ability to pay. Needed services are provided at reduced or no charge to indigent patients based upon the available resources of the Association. Since the Association does not expect full payment for such care, the estimated charges are recorded as a deduction from revenue.

Donated Goods and Services

Donated goods are recorded as in-kind contributions at their estimated fair values at the date of receipt. Additionally, a substantial number of volunteers have donated a significant amount of time to the Association's program services and fundraising events, which is considered valuable to the Association's overall effort of providing services.

**LIVINGSTON MEMORIAL VNA HEALTH CORP. AND SUBSIDIARIES
(A CALIFORNIA NON-PROFIT CORPORATION)**

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Donated Goods and Services - Continued

During the years ended December 31, 2010 and 2009, the Association received approximately 2,387 and 3,345 volunteer hours for hospice, respectively. Additionally, during the years ended December 31, 2010 and 2009, the Board of Directors and other volunteers donated approximately 2,704 hours of their time each year to the Association's programs and fundraising activities. These services have not been recorded in the consolidated financial statements since no objective basis is available to measure the value of such services.

Cash and Cash Equivalents

For purposes of the cash flows, the Association considers all highly liquid investments purchased with an original maturity of three months or less to be cash equivalents.

Patient Accounts Receivable

Patient accounts receivable and estimated third-party payor settlements are reported net of allowance for doubtful accounts. The Association has implemented a standardized approach to estimate and review the collectibility of its receivables based on accounts receivable aging trends. The Association analyzes historical collection trends, reimbursement experience, and revenue adjustment trends by third-party payors as an integral part of the estimation process related to determining the valuation allowance for accounts receivable. In addition, the Association assesses the current state of its billing functions on a monthly basis in order to identify any known collection or reimbursement issues to determine the impact, if any, on its reserve estimates, which involve judgment. Revisions in reserve estimates are recorded as an adjustment to the allowance for doubtful accounts.

Investments and Assets Limited as to Use

Investments and assets limited as to use include the endowment funds established by the Board of the Association at the Ventura County Community Foundation (VCCF) with the purpose of providing continuous support to the Association to carry out its role and mission as described in its Mission Statement, By-Laws, and Articles of Incorporation, as well as amounts contributed by donors with stipulated restrictions. Like all other funds held with the VCCF, the Association's funds are part of one large investment pool, which is allocated to 60.00% equities, 25.00% fixed income and 15.00% alternative investments.

LIVINGSTON MEMORIAL VNA HEALTH CORP. AND SUBSIDIARIES
(A CALIFORNIA NON-PROFIT CORPORATION)

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investments and Assets Limited as to Use - Continued

In accordance with generally accepted accounting principles, investments are measured at fair value in the accompanying consolidated balance sheets based on the values provided by VCCF. Investment income or loss (including interest, dividends, realized gains or losses, and unrealized gains or losses on investments) is included in the accompanying consolidated statements of operations and changes in net assets.

Investments in general are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with the investments and the level of uncertainty related to changes in the value of the investments, it is at least reasonably possible that changes in risks in the near term would materially affect investment balances and the amounts reported in the accompanying consolidated financial statements.

Property and Equipment

Property and equipment are recorded at cost when purchased. Donated equipment is recorded at its estimated fair market value on the date received. Depreciation and amortization on all property and equipment is computed on the straight-line method over the economic useful life of each asset. Useful lives range from three to seven years.

Maintenance and repair costs are expensed as they are incurred, while renewals and improvements of a significant nature are capitalized. At the time of retirement or disposal of property and equipment, the cost and related accumulated depreciation and amortization are removed from the accounts, and any resulting gain or loss is reflected in the results of operations.

Impairment of Long-Lived Assets

In accordance with GAAP, the Association reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. If such review indicates an asset may not be recoverable, an impairment loss is recognized for the excess of the carrying amount over the fair value of an asset to be held and used or over the fair value less cost to sell an asset to be disposed. During the years ended December 31, 2010 and 2009, there were no events or changes in circumstances indicating that the carrying amount of the assets may not be recoverable.

**LIVINGSTON MEMORIAL VNA HEALTH CORP. AND SUBSIDIARIES
(A CALIFORNIA NON-PROFIT CORPORATION)**

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Deficiency of Revenues over Expenses

The accompanying consolidated statements of operations and changes in net assets include deficiency of revenues over expenses. Changes in unrestricted net assets that are excluded from deficiency of revenues over expenses include net unrealized gains or losses on investments and assets limited as to use and net assets released from restrictions.

Functional Expenses

The costs of providing program services and other activities have been summarized on a functional basis in the consolidated statements of operations and changes in net assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Income Taxes

Livingston Memorial VNA Health Corp. and its subsidiaries are exempt from Federal and state income taxes under Internal Revenue Code (IRC) Section 501(c)(3) and the corresponding provisions of the California Revenue and Taxation Code. These organizations are subject to Federal and California income tax on unrelated business income, if any, as stipulated in IRC Section 511.

While the Association is a tax exempt organization under Section 501(c)(3) of the IRC, income determined to be unrelated business income (UBI) would be taxable. The Association evaluates uncertain tax positions through its review of the sources of income to identify UBI and certain other matters, including those which may affect its tax exempt status. The effect of the uncertainty would be recorded if the outcome was considered probable and reasonably estimatable. As of December 31, 2010 and 2009, the Association had no uncertain tax positions requiring accrual.

Fair Values of Financial Instruments

Financial instruments reported in the Association's consolidated balance sheets include cash and cash equivalents, patient accounts receivable, investments and assets limited as to use, and other assets and liabilities arising in the ordinary course of business. For cash and cash equivalents, patient accounts receivable, accounts payable, and other current assets and liabilities, the carrying amounts represent a reasonable estimate of the fair values due to their short-term maturity. Investments are reflected at estimated fair value as in accordance with FASB ASC 820, *Fair Value Measurement and Disclosure*.

**LIVINGSTON MEMORIAL VNA HEALTH CORP. AND SUBSIDIARIES
(A CALIFORNIA NON-PROFIT CORPORATION)**

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Fair Values of Financial Instruments – Continued

FASB ASC 820 establishes a fair value hierarchy that prioritizes the inputs used to measure fair value based on observable and unobservable data. The hierarchy categorizes the inputs into three levels, with the highest priority given to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority given to unobservable inputs (Level 3). The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Association uses appropriate valuation techniques based on the available inputs to measure fair values of its investments. When available, the fair value is measured using Level 1 inputs because they generally provide the most reliable evidence of fair value.

In January 2010, the FASB issued Accounting Standards Update (ASU) 2010-06, *Improving Disclosures about Fair Value Measurements*, which amends FASB ASC 820 to require additional disclosures related to transfers between levels in the hierarchy of fair value measurements. This FASB ASU was effective for interim and annual fiscal years beginning after December 15, 2009. Since it does not change how fair values are measured, the adoption of FASB ASU 2010-06 did not affect the Association's financial position, results of operations, or cash flows.

Management Estimates

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Significant items subject to such estimates and assumptions include those related to the Association's allocation of certain expenses by function, allowance for doubtful accounts, estimates of useful lives of property and equipment, determination of lease terms, and accounting for impairment losses and litigation. Actual results could differ from those estimates.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Concentrations of Credit of Risk

Financial instruments that potentially subject the Association to concentration of credit risk consist primarily of cash and cash equivalents and patient accounts receivable. The Association maintains its cash and cash equivalents with a high credit quality financial institution. Accounts at this institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. In addition, all funds in noninterest-bearing transaction accounts are fully insured by the FDIC, regardless of the dollar amount, from December 31, 2010 through December 31, 2012.

With respect to patient accounts receivable, the Association performs ongoing evaluations of its customers and maintains reserves for potential credit losses. The Association does not require collateral for its services.

Recently Adopted Accounting Guidance

In the normal course of business, the Association evaluates all new accounting pronouncements to determine the potential impact they may have on its consolidated financial statements. Based upon this review, the Association does not expect any of the recently issued accounting pronouncements, which have not already been adopted by the Association, to have a material impact on its consolidated financial statements.

Subsequent Events

In accordance with recently issued FASB ASC 855, *Subsequent Events*, the events occurring between the December 31, 2010 and April 8, 2011, the date these consolidated financial statements were available to be issued, were evaluated, and no material subsequent events that required recognition in these consolidated financial statements were noted.

Reclassifications

Certain reclassifications have been made to the 2009 consolidated financial statements to conform to 2010 presentation. Such reclassifications have no effect on changes in net assets as previously reported.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 5 - LINE OF CREDIT

The Association maintains a line of credit with a bank for working capital purposes. The line of credit permits indebtedness of up to \$250,000 and matured on July 6, 2010. The outstanding balance accrued interest at a rate of 0.50 percentage points over the Wall Street Journal Prime Rate with a floor of 4.00% (4.00% at December 31, 2009).

On July 9, 2010, the maturity date was extended to July 6, 2011. Also, the line of credit was amended to change the index on which the interest on the line of credit is based from the Wall Street Journal Prime Rate to the bank's prime rate (5.50% at December 31, 2010). All other terms remained the same. At December 31, 2010 and 2009, there was no amount outstanding under the line of credit.

NOTE 6 - ACCRUED EXPENSES

Accrued expenses consisted of the following at December 31:

	<u>2010</u>	<u>2009</u>
Accrued payroll and related expenses	\$ 191,750	\$ 166,843
Accrued paid time off	400,704	363,382
Other	<u>6,482</u>	<u>6,325</u>
Total	<u>\$ 598,936</u>	<u>\$ 536,550</u>

NOTE 7 - FUNDRAISING ACTIVITIES

Fundraising activities were as follows during the years ended December 31:

	<u>2010</u>	<u>2009</u>

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 8 - NET ASSETS

Board Designated Unrestricted Net Assets

The Livingston Memorial Visiting Nurse Association Endowment Fund (the "Fund") was established at VCCF by the Board of the Association in 1996 with the funds contributed by the Association. Additional contributions were made to the Fund by the Association in the following years. Under the terms of the Fund agreement, which was established to protect the endowment, VCCF has variance power and is the legal owner of the Fund. VCCF can retain, invest, and reinvest the Fund in any manner within the "prudent person" standard and commingle the assets of the Fund with those of other funds for investment purposes.

The Association is the beneficiary of the Fund and receives distributions of earnings, subject to VCCF's spending policy. Principal may be invaded only with the approval of two-thirds of the Association's Board, the VCCF board, and if such funds be used only in accordance with the purpose of the Fund. At December 31, 2010 and 2009, the value of the Fund amounted to \$762,500 and \$768,770, respectively, including the balance of \$0 and \$61,544 available for distribution, respectively.

During the year ended December 31, 2008, the Association established another endowment fund with VCCF – Charles M. Hair, M.D. Endowment Fund (the "Dr. Hair Fund"). The original contribution to the Dr. Hair Fund of \$71,800 comprised of \$58,900 donor-designated permanently restricted contributions collected by the Association and \$12,900 Board-designated funds. The terms of the Dr. Hair Fund agreement are similar to the terms of the Fund as described above. At December 31, 2010 and 2009, the value of the Dr. Hair Fund amounted to \$94,977 and \$88,551; respectively, with no funds available for distribution.

In accordance with generally accepted accounting principles, fair values of both funds are reported as a liability by VCCF.

Temporarily Restricted Net Assets

Temporarily restricted net assets are available for the following purposes or are time restricted as follows at December 31:

	2010	2009
Subsidized care	\$ 15,470	\$ 40,879
Core operating support	117,566	-
Wound care	-	19,000
	\$ 133,036	\$ 59,879

LIVINGSTON MEMORIAL VNA HEALTH CORP. AND SUBSIDIARIES
(A CALIFORNIA NON-PROFIT CORPORATION)

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 8 - NET ASSETS - CONTINUED

Permanently Restricted Net Assets

Permanently restricted net assets consisted of the following at December 31:

	<u>2010</u>	<u>2009</u>
Charles M. Hair, M.D. Endowment Fund	\$ <u>59,150</u>	\$ <u>59,150</u>
	\$ <u>59,150</u>	\$ <u>59,150</u>

NOTE 9 - ENDOWMENT

The Association's endowment consists of two individual funds. Net assets associated with endowment funds, including funds designated by the Board to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Board has interpreted the CPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Association classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Association in a manner consistent with the standard of prudence prescribed by the CPMIFA. In accordance with the CPMIFA, the Association considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund,
- The purposes of the Association and the donor-restricted endowment fund,
- General economic conditions,
- The possible effect of inflation and deflation,
- The expected total return from income and the appreciation of investments,
- Other resources of the Association, and
- The investment policies of the Association.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 9 - ENDOWMENT - CONTINUED

Endowment Funds with Deficiencies

From time-to-time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or the law requires the Association to retain as a fund of perpetual duration. These deficiencies resulted from unfavorable market fluctuations that occurred after the investment of permanently restricted contributions and continued appropriation for certain programs that was deemed prudent by the Board. For the year ended December 31, 2010, the Association did not have any deficiencies.

Return Objectives and Risk Parameters

The Association has adopted investment and spending policies for the Fund that attempt to provide protection of principal and ensure reasonable growth of the principal of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Association must hold in perpetuity as well as board-designated funds. Under this policy, as approved by the Board, the endowment funds are invested in a manner that is expected to produce total return on an annualized net-of-fees basis that equal or exceed an average annual real total return of at least 5% per year over a rolling five-year period. It is expected that the level of risk, as measured by the annualized standard deviation of quarterly returns, should be less than that of the custom index made up of 75% S&P 500 Index and 25% Barclays PLC Aggregate Bond Index.

Actual returns in any given year may vary from the expected returns.

Although the investment policy recognizes the importance of preserving capital, it also reflects that varying degrees of investment risk are generally rewarded with increased returns that compensate for additional risk. Additionally, risk greater than that of a stable long-term risk securities will be required to preserve the purchasing power of the Fund. It is appropriate to pursue riskier investment strategies if such strategies are in the beneficiaries' best interest. Risk management of the investment program is focused on understanding of the Fund's investment and operational risks. The objective is to minimize operational risks and achieve appropriate compensation for the investment risks the Fund undertakes.

**LIVINGSTON MEMORIAL VNA HEALTH CORP. AND SUBSIDIARIES
(A CALIFORNIA NON-PROFIT CORPORATION)**

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 9 - ENDOWMENT – CONTINUED

Strategies Employed for Achieving Objectives

To satisfy its long-term return objective, the endowment assets are managed on a total return basis. As asset allocation is the major determinant of investment performance, the Fund is allocated across a number of investment classes to provide diversification and achieve the Fund's investment objectives. As a general policy guideline, the target asset allocations for the Fund are 50% to domestic equities (both growth and value investments), 25% to fixed income investments, and 25% to international equities.

The asset allocation plan provides for diversification of assets in an effort to provide the highest probability of meeting or exceeding the portfolio's return objectives at the lowest possible risk. Due to the fluctuation of market values, allocations within a specified range constitute compliance with the policy.

Spending Policy and How the Investment Objectives Relate to Spending Policy

VCCF annually notifies the Association of the status of the Fund. The Association requests, subject to the Board's approval, that all or part of the eligible earnings, net of fees, be distributed to the Association and/or be added to the Fund principal in an effort to build the Fund. Amounts greater than the eligible earnings, net of fees, may be withdrawn (but in no event to exceed 25% of the value of the Fund in any one given year) as long as the following conditions are met:

- The Association requests such a distribution, subject to approval of two-thirds of the Association's Board;
- Only principal and any additional gifts received directly from the Association and their pro rata earnings are subject to the withdrawal policy. Funds received by VCCF directly from donors for the Fund are not subject to distribution beyond annual payout, unless specified by the donors.

Consistent with this policy, the Association considered the long-term expected return on its endowment funds. Accordingly, over the long term, the Association expects the current spending policy to allow its endowment funds to grow, at a minimum, at a rate equal to an average annual real total return of at least 5%. This is consistent with the Association's objective to provide protection of principal and ensure reasonable growth of the principal of the endowment assets as well as to provide additional real growth through new gifts and investment return.

LIVINGSTON MEMORIAL VNA HEALTH CORP. AND SUBSIDIARIES
(A CALIFORNIA NON-PROFIT CORPORATION)

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 10 - FAIR VALUE

In accordance with GAAP, the following tables set forth by level, within the fair value hierarchy, the Association's assets measured at fair value on a recurring basis at December 31, 2010 and 2009:

2010				
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Pooled investment funds	\$ <u>643,965</u>	\$ <u>-</u>	\$ <u>213,512</u>	\$ <u>857,477</u>
	\$ <u>643,965</u>	\$ <u>-</u>	\$ <u>213,512</u>	\$ <u>857,477</u>
2009				
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Pooled investment funds	\$ <u>646,420</u>	\$ <u>38,579</u>	\$ <u>172,322</u>	\$ <u>857,321</u>
	\$ <u>646,420</u>	\$ <u>38,579</u>	\$ <u>172,322</u>	\$ <u>857,321</u>

For assets measured at fair value on a recurring basis using significant unobservable inputs (Level 3) during the years ended December 31, 2010 and 2009, the reconciliation of beginning and ending balances is as follows:

	2010 Alternative Investments	2009 Alternative Investments
Fair value, beginning of year	\$ 172,322	\$ 163,459
Purchases and sales, net	26,415	11,338
Net gains (losses)	<u>14,775</u>	<u>(2,475)</u>
Fair value, end of year	\$ <u>213,512</u>	\$ <u>172,322</u>

**LIVINGSTON MEMORIAL VNA HEALTH CORP. AND SUBSIDIARIES
(A CALIFORNIA NON-PROFIT CORPORATION)**

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 11 - PENSION PLAN

The Association maintains a voluntary 403(b) pension plan (the "Plan") for the benefits of substantially all eligible employees. Employees may defer compensation up to the current IRC limits. Employer contributions to the Plan are at the discretion of the Association. For the years ended December 31, 2010 and 2009, the Association made no contributions to the Plan.

NOTE 12 - COMMITMENTS

Operating Leases

The Association leases various facilities under operating lease agreements that expire on various dates through February 2012 and require aggregate minimum monthly payments of approximately \$12,100. The Association also leases certain office equipment under operating lease agreement that expires in December 2013 and requires aggregate minimum monthly payments of approximately \$4,200. Real estate taxes, insurance, and maintenance expenses covering the leased facilities are obligations of the Association.

Future minimum lease payments are as follows at December 31, 2010:

<u>Year Ending December 31,</u>	<u>Facilities</u>	<u>Equipment</u>	<u>Total</u>
2011	\$ 148,001	\$ 50,232	\$ 198,233
2012	21,370	50,232	71,602
2013	<u>-</u>	<u>46,046</u>	<u>46,046</u>
Total	<u>\$ 169,371</u>	<u>\$ 146,510</u>	<u>\$ 315,881</u>

For the years ended December 31, 2010 and 2009, total facility and equipment rent expense under these operating lease agreements amounted to \$193,626 and \$190,874, respectively, and is included in facility expenses in the accompanying consolidated statements of functional expenses.

NOTE 13 - LEGAL MATTERS

The Association may, from time-to-time, be involved in litigation and regulatory investigations that arise in the normal course of doing business. After consultation with legal counsel, management estimates that matters existing as of December 31, 2010, if any, will be resolved without material adverse effect to the Association's future financial position, results of operations, or cash flows.
