

HOUSING FAMILIES

MISSION

*To ensure housing stability to strengthen families,
individuals, and communities*

2024 3-Year Strategic Plan Goals

1. We will have the agility to support the evolving needs of those we serve.
2. We will achieve robust financial health that sustains and expands services for individuals and families in need.
3. We will operate with a culture of collaboration where staff and board members have the resources to learn, grow, and thrive in their respective positions.
4. We will offer high-quality, accessible, community-centric support developed for and with our clients.
5. We are recognized as a leading voice in housing advocacy: shaping policy and driving community engagement.
