**INDEPENDENT AUDITORS' REPORT**

To the Board of Directors  
REACH Beyond Domestic Violence, Inc.  
Waltham, Massachusetts

We have audited the accompanying financial statements of REACH Beyond Domestic Violence, Inc. (a Massachusetts nonprofit organization), which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of REACH Beyond Domestic Violence, Inc. as of June 30, 2017 and 2016 and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

To the Board of Directors  
REACH Beyond Domestic Violence, Inc.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated October 19, 2017 on our consideration of REACH Beyond Domestic Violence, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering REACH Beyond Domestic Violence, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2017 AND 2016

NOTE 1      ORGANIZATION

REACH Beyond Domestic Violence, Inc. (“REACH” or the “Organization”) was incorporated in April 1981 under the provisions of Massachusetts General Laws Chapter 180 and qualifies as a tax-exempt nonprofit corporation under Section 501(c)(3) of the Internal Revenue Code. REACH has been classified as an organization which is not a private foundation under Section 509(a); accordingly, contributions made to this Organization qualify for the maximum charitable deduction for federal income tax purposes.

In 2007, the Board of Directors established a limited liability company (“LLC”) on behalf of REACH. The LLC was created to acquire the facility purchased during 2007, and was converted to a nominee trust during 2012. For the years presented, there were no financial transactions between REACH and the nominee trust, and all activities reported in the accompanying financial statements represent the activities of REACH. The former LLC and recently created Trust exist to preserve the confidential nature and location of the shelter.

NOTE 2      PROGRAM SERVICES

REACH Beyond Domestic Violence, Inc. operates as a nonprofit organization committed to creating healthy communities by ending domestic violence. REACH, an acronym that stands for Refuge, Education, Advocacy, and Change, provides direct services to domestic violence survivors and their children through the following intervention, prevention, and advocacy programs. REACH works with government and private agencies on behalf of abuse survivors, educates the community as to the seriousness and extent of domestic violence and works in partnership with others to prevent domestic and dating violence.

**Intervention:**

**Residential Program** - The Residential Program offers residents a safe haven for short-term stays in an eight bedroom home in a confidential location. Guests receive assistance in finding longer-term housing or transitional programs for themselves and their children, and advocacy in the areas of jobs, continuing education, legal issues, transportation, children’s school, day care, and parenting.

The goal of the REACH shelter program is to provide a place in which survivors can feel a level of safety, begin the process of physical and emotional healing, and work towards individual goals. REACH might also arrange for a very short-term “safe home” in a different confidential location to assist REACH Community Program participants seeking safety.

**Hotline Services** - REACH provides a 24-hour, toll-free hotline, operated by staff and volunteers, available to anyone experiencing abuse in a relationship or who knows someone in an abusive relationship. Through the hotline, survivors receive support concerning both physical and emotional abuse, education, advocacy, and resource information. This empowerment is vital to providing an opportunity for survivors of domestic violence to regain control over their lives and the lives of their children.

**Support Group Programs** - The agency offers ongoing support groups in English or Spanish in several communities. The support group program is particularly important in reaching survivors who may have a safe place to stay and who would benefit from the support of peers and advocates. Additionally, the support groups provide educational information about domestic violence to group participants.

NOTE 2 *(Continued)*

**Children's Program** - REACH supports the healing process of children in the shelter and from the community through therapeutic discussions and play with a licensed clinical social worker. The individual counseling and group sessions help children to process what has occurred in their lives and understand that the violence was not their fault. REACH works with each child to explore and voice his or her fears, concerns and feelings of guilt, shame and anger.

**Prevention:**

**Teen Dating Violence Prevention (Peers Against Violence)** - Through individual classroom education, students have the opportunity to explore their experience with dating violence and deepen their understanding of resources available to them as a part of their regularly scheduled classes. The program emphasizes how making healthy choices can make a difference in individual lives and help break the cycle of violence. REACH works with school administration to develop and implement policies to prevent and respond to teen dating violence. Working with school health departments and school nurses, REACH provides training to faculty and staff on the characteristics, effects and prevalence of dating violence.

**Community Education** - REACH Prevention Programs are based on a social justice model in which staff work with community members and community-based organizations to stimulate community awareness and consciousness raising to effect change around domestic violence. While staff offers education and support around community change efforts, community members are agents of change.

REACH seeks to engage community members in efforts to promote awareness of and end domestic violence by working with groups including faith organizations, police departments, hospitals and community health centers, social service agencies, local business, and civic organizations. In 2010, REACH began using an organizing model in Waltham to engage the community in sexual and domestic violence prevention. Today, our Community Engagement Specialist is working in Waltham and surrounding communities to build community capacity for domestic and sexual violence prevention and intervention.

**Advocacy:**

**Community Based Individual Support and Advocacy Project (ISAP)** - Some people are not able to attend existing support groups or prefer individualized counseling. ISAP was developed in 2003 to respond to the unmet needs of these particular survivors.

A REACH advocate provides one-on-one advocacy and ongoing supportive services to survivors who have been contacted through or referred by a local police department, hospital, social service agency, or other organization. The advocacy project involves both short-term and longer-term programming: short-term for survivors who are looking for resource information and initial safety planning, and long-term advocacy to talk with an advocate about the issues of abuse, how to talk with children, etc. Each program is designed to provide support and resources to survivors specific to their situations and needs. REACH now offers much-needed individual advocacy and support in both English and Spanish.

NOTE 2      *(Continued)*

**Legal Advocacy** - REACH offers legal advocacy programs in the Waltham and Woburn District Courts to assist victims with restraining orders, a “lawyer for a day” program to provide victims consultation with an attorney on civil matters, accompaniment to court appointments, and assistance with completing legal paperwork. This advocacy program is an important aid to victims facing a legal system that can be intimidating, especially to someone who may never have participated in the court process before and has no financial resources to hire an attorney. Justice does not solely reside in the hands of the courts. Information and support for survivors are needed before this stage of the process. REACH participates in victim advocacy programs with the Waltham, Brookline, Arlington, Belmont and Burlington Police Departments.

REACH is partnering with Greater Boston Legal Services to offer the “Latinas Know Your Rights” project. This is a 13-week training program for Latina women in the Waltham community. Under the guidance of an experienced domestic violence attorney, a legal advocate for REACH, and several law students, the group learns about the legal process and what resources are available for survivors of domestic violence, particularly those for immigrant women. A Latina survivor helps recruit community members, assists the community advocate and commits to facilitating the next training cycle. At the end of the training series, the group identifies a way that the various systems could be more efficient, more accessible, or more responsive and then organizes locally to advocate for that improvement. Each group that goes through the training is equipped to serve as peer leaders in the community, sharing information and encouraging others to exercise their rights.

NOTE 3      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The summary of significant accounting policies of REACH Beyond Domestic Violence, Inc. is presented to assist the reader in understanding the Organization’s financial statements. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates; however, adherence to generally accepted accounting principles, has in management’s opinion, resulted in reliable and consistent financial reporting by the Organization.

**Basis of Accounting:**

REACH's policy is to maintain its books and prepare its financial statements on the accrual basis of accounting in accordance with generally accepted accounting principles. Consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when a liability has been incurred.

**Financial Statement Presentation:**

As required by the *FASB Accounting Standards Codification*<sup>TM</sup>, the Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. These classifications are related to the existence or absence of donor-imposed restrictions as described below.

*Unrestricted Net Assets* - consists of assets, public support and program revenues which are available and used for operations and programs. Unrestricted net assets represents the portion of net assets of the Organization that is neither permanently restricted nor temporarily restricted by donor-imposed stipulations. Contributions are considered available for unrestricted use unless specifically restricted by the donor. In addition, unrestricted net assets of the Organization includes funds which represent unrestricted resources designated by the Board of Directors for specific purposes.

*Temporarily Restricted Net Assets* - includes funds with donor-imposed restrictions which permit the donee organization to expend the assets as specified and is satisfied either by the passage of time or by actions of the Organization. Resources of this nature originate from gifts, grants, bequests, contracts and investment income earned on restricted funds.

*Permanently Restricted Net Assets* - includes resources which have a permanent donor-imposed restriction which stipulates that the assets are to be maintained permanently, but permits the Organization to expend part or all of the income derived from the donated assets. For the years presented, REACH did not have any assets of this nature.

**Accounts Receivable, Contracts:**

*Accounts Receivable, Contracts* represents amounts which are primarily due from municipalities, government agencies, and subcontracted government grants. These amounts are considered fully collectible; accordingly, these financial statements do not contain a provision for uncollectible accounts receivable from contracts. If amounts owed become uncollectible, a provision for uncollectible accounts will be established. REACH reported no losses from bad debts for the years presented.

**Grants, Contributions and Pledges Receivable:**

*Grants, Contributions and Pledges Receivable* represent unconditional promises to give that are recognized at net realizable value when the promise is received. Amounts are classified as current if they are scheduled for payment within one year, and non-current when the expected payment date exceeds one year.

Promises to give with expected payment dates that extend beyond one year are discounted to their present value when considered material. These amounts are considered fully collectible; accordingly, these financial statements do not contain a provision for uncollectible receivables from grants, contributions and pledges. If amounts owed become uncollectible, an allowance for uncollectible grants, contributions and pledges will be established when that determination is made. There were no pledges deemed uncollectible for the years ended June 30, 2017 and 2016.

**Property and Equipment:**

Property, equipment, furnishings and improvement purchases in excess of \$1,000 are capitalized at cost, if purchased, or if donated, at fair value at the date of receipt. Expenditures for maintenance, repairs and renewals are charged to expense as incurred, whereas, major betterments are capitalized as additions to property and equipment. Costs for repairs to maintain the building in compliance with local building codes are expensed when incurred. Depreciation of property and equipment is computed using the straight-line method, and is charged to activities over the estimated useful lives of the assets, as expressed in terms of years.

**Deferred Rent:**

During FY 2017, in connection with a new operating lease agreement as discussed in Note 10, the Organization received rent waivers for a three-month period. Rent expense is recorded on a straight-line basis over the term of the lease; accordingly, a deferred rent liability is reported in the accompanying Statements of Financial Position.

**Contributions, Gifts and Grants:**

As required by the *FASB Accounting Standards Codification*<sup>TM</sup>, contributions are required to be recorded as receivables and revenues and the Organization is required to distinguish between contributions received for each net asset category in accordance with donor-imposed restrictions. Contributions may include gifts of cash, collection items, or promises to give.

Contributions, including unconditional promises to give, are recognized as revenues in the period received. Conditional promises to give are not recognized until they become unconditional, that is, at the time when the conditions on which they depend are substantially met. Contributions of assets other than cash are reported at their estimated fair value. Contributions to be received after one year are discounted at an appropriate discount rate commensurate with the risk involved when such amounts are considered material.

Support that is restricted by the donor is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction until the restriction expires, at which time temporarily restricted net assets are reclassified to unrestricted net assets.

**Revenue Recognition:**

REACH Beyond Domestic Violence, Inc. is the recipient of several federal, state and local government funded program service contracts. These awards are administered either on a cost reimbursement basis or on a unit rate basis; accordingly, the funding sources are billed as services are provided, and unrestricted program service revenues along with the related receivables are recorded in the period during which the costs were incurred and services were delivered. These service contracts are subject to an annual renewal process and future funding is not guaranteed. The primary contracts for the years presented are described in Note 7.

**Donated Goods and Services:**

REACH relies heavily upon volunteer involvement in direct service, outreach and administrative capacities. REACH also relies upon donations from the general public of expendable goods, such as food, clothing and household supplies. REACH maintains a policy whereby the value of the donated goods and services which require a specialized skill and/or which would have otherwise been purchased by the Organization are recognized as revenue and expense in the financial statements.

**Functional Expenses:**

As required by the *FASB Accounting Standards Codification*<sup>TM</sup>, the Organization allocates its expenses on a functional basis among its various programs and support services. Expenses that can be identified with a specific program and support service are allocated directly according to their natural expense classification.

Other expenses that are common to several functions are allocated by the Organization's cost allocation plan. Supporting services are those related to operating and managing the Organization and its programs on a day-to-day basis. Supporting services have been sub-classified as follows:

*Administrative* - includes all activities related to REACH's internal management and accounting for program services.

*Fund Raising* - includes all activities related to maintaining contributor information, writing grant proposals, direct mail solicitation, distribution of materials and other similar projects related to the procurement of funds for REACH's programs. Fund raising expenses reported in the Statement of Functional Expenses also include indirect costs of fund raising events.

**Recent Accounting Guidance:**

In August 2016, the FASB issued ASC Update No. 2016-14, (Topic 958) *Presentation of Financial Statements of Not-for-Profit Entities*, with the goal of improving not-for-profit financial statements to provide more useful information to donors, grantors, creditors, and other financial statement users. The new guidance simplifies and improves how not-for-profit entities classify net assets as well as the information presented in financial statements and notes about the function and nature of expenses, liquidity, financial performance, and cash flows. This guidance will be effective for this Organization beginning after December 15, 2017 and is not expected to have a material effect on the Organization's financial position or change in net assets.

In May 2014, the FASB issued ASC Update No. 2014-09, (Topic 606) *Revenue from Contracts with Customers*. This ASU is a comprehensive new revenue recognition model that requires an organization to recognize revenue to depict the transfer of goods or services to a customer at an amount that reflects the consideration it expects to receive in exchange for those goods or services. This updated guidance impacts not-for-profit entities that have revenue transactions other than contributions. In August 2015, the FASB issued ASC Update No. 2015-14, (Topic 606) *Revenue from Contracts with Customers*, which deferred the effective date of ASC Update No. 2014-09 by one year. This guidance will be effective for this Organization beginning after December 15, 2018 and is not expected to have a material effect on the Organization's financial position or change in net assets.

NOTE 5 (Continued)

The note is secured by the property, a first priority security interest in all fixed assets associated with the real estate, and an assignment of capital campaign pledges. The note requires the Organization to maintain a balance on deposit with the Bank as further security on the loan, of \$100,000 as of June 30, 2017 and 2016, and is reported as *Restricted Cash* in the accompanying Statements of Financial Position.

As of June 30, 2017, the current principal portion of the mortgage note was \$13,897 and the principal maturities for the following five-year period are as follows:

<u>Year Ending</u>	<u>Amount</u>
June 30, 2019	\$ 14,608

**Department of Housing and Community Development (“DHCD”):**

*Housing Innovations Fund (“HIF”)* - On June 30, 2009, REACH received a permanent mortgage in the amount of \$800,000 under the Housing Innovations Fund program, as funded by the Massachusetts Department of Housing and Community Development and administered by the Community Economic Development Assistance Corporation (“CEDAC”). The terms of the note stipulate a 30-year term with a maturity date of June 30, 2039. CEDAC has the option to extend the note for additional 10-year terms, provided that the project remains in compliance with the affordable housing regulations. The note is non-interest bearing and does not require periodic payments. However, within 45 days after the end of each fiscal year, REACH shall pay CEDAC the amount by which Gross Cash Receipts, for the fiscal year, exceed 105% of the Gross Cash Expenditures, as defined in the debt instrument. The property is not used for revenue generating activities and program participants do not pay rent; therefore, there is no excess cash flow and none is expected in the future. As of June 30, 2017 and 2016, the outstanding balance amounted to \$800,000.

*Housing Stabilization Fund (“HSF”)* - On June 30, 2009, REACH received a permanent mortgage in the amount of \$400,000 under the Housing Stabilization Fund, as funded by the DHCD and administered by CEDAC. The terms of the note stipulate a 50-year term with a maturity date of June 30, 2059. CEDAC has the option to extend the note for additional 10-year terms, provided that the project remains in compliance with the affordable housing regulations. The loan is non-interest bearing and is due at the maturity date in one lump sum.

The above funding requires that the facility will consist of eight units of affordable family housing for victims of domestic violence. The eight affordable family units will be subject to HIF affordable housing regulations. Of these eight units, six units will be reserved for residents with incomes equal to or less than 30% of area median income and two units will be reserved for residents with incomes equal to or less than 50% of area median income. The notes payable to DHCD are secured by a shared second priority security interest in the underlying real estate.

NOTE 5     *(Continued)*

Each of the real estate financing obligations imposes a restriction on the use of the facilities. The primary purpose of these restrictions are to assure the lenders and funders that the premises will be retained as affordable housing for the long-term occupancy and use by low and very low-income families. Noncompliance with the affordable housing provisions of the various debt instruments may result in default.

**City of Waltham:**

The City of Waltham, through its Department of Planning and Development, loaned \$15,000 for de-leading the facility. The note, dated July 21, 2009, is secured by a third priority interest in the underlying real estate. This is an interest-free loan with no required payments. The note would become payable in full upon the sale or refinancing of the property. The note imposes a deed restriction pursuant to affordable housing regulations.

The mortgages held by DHCD and the City of Waltham have been reported as *Deferred Forgivable Debt* in the accompanying Statements of Financial Position. These obligations have deferred payment of interest and principal unless and until certain trigger events occur. The underlying properties are subject to heavy regulation, deed restrictions and the debts are not transferrable on an open market. Management has concluded that the carrying value reflects the fair value of the debt instruments and, therefore, the Organization has not discounted the notes to reflect imputed interest.

NOTE 11 EMPLOYEE RETIREMENT PLAN

REACH maintains a Savings Incentive Match Plan (SIMPLE-IRA). Under the plan, any employee who earned \$5,000 or more in the previous year may participate in a tax-deferred salary reduction retirement plan to which they may contribute up to \$12,500 annually during the years presented, excluding “catch-up” provisions, to their retirement account, and the Organization is required to match any contribution up to 1% of each participant’s salary (subject to statutory limitations on eligible earnings). For the years ended June 30, 2017 and 2016, total employer contributions to the plan amounted to \$14,085 and \$19,761, respectively.

NOTE 12 RELATED PARTY TRANSACTIONS

The Board is proactive about fund raising and Board members routinely make contributions in the form of event sponsorships and annual contributions. As of June 30, 2017 and 2016, *Grants, Contributions and Pledges Receivable* in the amount of \$55,000 and \$24,500, respectively, are attributable to Board members.

NOTE 13 CONCENTRATION OF CREDIT RISK

REACH is subject to concentrations in credit risk relating primarily to cash. The Organization's cash is held in major financial institutions. As of June 30, 2017, REACH had \$295,220 in excess of FDIC limits. As of June 30, 2016, REACH did not have any balance at one institution in excess of FDIC limits. However, the Organization has not experienced any losses on such accounts and management considers credit risk on cash to be low.

NOTE 14 SURPLUS REVENUE RETENTION

The Commonwealth of Massachusetts Operational Services Division (“OSD”) regulates some aspects of programs that receive state funding, including components of REACH Beyond Domestic Violence, Inc.’s programs. Under OSD guidance, (808 CMR 1.19(3), *Not-for-Profit Surplus Revenue Retention*), REACH may not retain a surplus in excess of twenty percent of state funding in any given year. Management concludes that REACH is in compliance with OSD requirements.

NOTE 15 SUBSEQUENT EVENTS

Management is required to consider events subsequent to the financial statement date for potential adjustment to or disclosure in the financial statements. Therefore, Management has evaluated subsequent events through October 19, 2017, the date which the financial statements were available for issue, and has noted no events which met the criteria.
