INDEPENDENT AUDITOR'S REPORT

Report on the Financial Statements

We have audited the accompanying financial statements of Community Organizing and Family Issues (an Illinois nonprofit corporation), which comprise the statement of financial position as of September 30, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Community Organizing and Family Issues as of September 30, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 2, 2016, on our consideration of Community Organizing and Family Issues' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Community Organizing and Family Issues' internal control over financial reporting and compliance.

**COMMUNITY ORGANIZING AND FAMILY ISSUES
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED SEPTEMBER 30, 2015**

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Community Organizing and Family Issues ("COFI") is a nonprofit corporation organized in the state of Illinois in 1995. COFI is dedicated to strengthening the voice of low-income families both at the community level and in the public policy arena to create more family supportive and family friendly communities.

Basis of Accounting

The financial statements of COFI have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Cash

For purposes of the statement of cash flows, COFI considers all short-term debt securities purchased with a maturity of three months or less to be cash equivalents. Carrying value approximates fair value due to the short-term maturity of these instruments.

The bank account balances, at times, exceed federally insured limits. COFI has not experienced any losses on such accounts.

Grants and Contracts Receivable

Grants and contracts receivable are reported at the outstanding balance reduced by the allowance for doubtful accounts, if any.

The allowance for doubtful accounts is increased by charges to income and decreased by chargeoffs (net of recoveries). Management's periodic evaluation of the adequacy of the allowance is based on COFI's past collection experience, known and inherent risks of the payers compromising the grants and contracts receivable balance, adverse situations that may affect the payer's ability to pay, and current economic conditions. Receivables are charged off when management deems the receivable balance to be uncollectible.

Based on a review of the outstanding grants and contracts receivable, management determined that an allowance for doubtful accounts was not necessary at September 30, 2015.

Property and Equipment

COFI capitalizes property and equipment over \$500. Lesser amounts are expensed. Property and equipment are stated at cost if purchased or fair value if donated. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend the asset's life are expensed as incurred.

**COMMUNITY ORGANIZING AND FAMILY ISSUES
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED SEPTEMBER 30, 2015**

Contributions

Contributions of cash and other assets are reported as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Contributions received with donor-imposed restrictions that are met in the same year in which the contributions are received are classified as unrestricted contributions.

Unconditional promises to give are recognized as contribution support and receivables in the period in which the promise is received. Conditional promises to give are recognized as contribution support and receivables when the conditions are substantially met.

In-kind contributions are reflected as contributions at their fair value on the date of donation and are reported as unrestricted support unless explicit donor stipulations specify how donated assets must be used. COFI recognized contributed software of \$2,965 during the year ended September 30, 2015.

Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received. COFI recognized contributed consulting services of \$40,225 during the year ended September 30, 2015.

Functional Expenses - Allocation of Costs

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Income Taxes

COFI is a nonprofit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

COFI's federal Exempt Organization Business Income Tax Return (Form 990) is subject to examination by the Internal Revenue Service, generally for three years after the date it was filed.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**COMMUNITY ORGANIZING AND FAMILY ISSUES
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED SEPTEMBER 30, 2015**

Financial Statement Presentation

Accounting principles generally accepted in the United States of America require COFI to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Date of Management's Review

COFI has evaluated subsequent events through February 2, 2016, which is the date the financial statements were available to be issued.

NOTE 2. TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets at September 30, 2015 of \$971,550 are restricted as to time.

NOTE 3. OPERATING LEASES

COFI leases office space under two operating leases, one of which expires in June, 2016 and the other expiring in May, 2019. In addition to the minimum rental payments, the lease agreements require COFI to pay its pro-rata share of real estate taxes and operating expenses. Total rent expense for the year ended September 30, 2015 was \$65,936.

Total future minimum lease payments due under these leases in years ending June 30 are as follows:

2016	\$	57,707
2017		54,510
2018		56,145
2019		<u>41,604</u>
Total	\$	<u>209,966</u>

NOTE 4. EMPLOYEE BENEFIT PLAN

COFI sponsors an Internal Revenue Code Section 403(b) retirement savings plan covering all employees who meet the eligibility requirements. The plan provides for discretionary employer contributions based on a percentage of each employee's deferred compensation. COFI committed to providing a discretionary matching contribution of \$4,495 to the plan for the year ended September 30, 2015.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Community Organizing and Family Issues (an Illinois nonprofit corporation), which comprise the statement of financial position as of September 30, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 2, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Community Organizing and Family Issues' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Community Organizing and Family Issues' internal control. Accordingly, we do not express an opinion on the effectiveness of Community Organizing and Family Issues' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Community Organizing and Family Issues' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
