

THE ROSENDIN FOUNDATION

Our mission is to positively impact communities, build and empower people, and inspire innovation.

We Are Thankful

We are thankful for our volunteers, the non-profit organizations who support the communities where we work and live, and our donors who allow us to make an impact in these communities.

We Care

We give to organizations in our communities that are helping to improve lives where we work and live. We create avenues for all to show respect and care through philanthropy.

We Listen

We listen to potential beneficiaries, donors, and employees to understand their stories and build meaningful relationships.

We Share

We collaborate, inspire, and contribute to our communities.

We Innovate

We seek new and creative ways to serve our communities, advance change and stay connected.

We Excel

We strive to be better and empower others to be their best. We take pride in our community impact. It is our legacy.

Impact. Empower. Inspire.

The Rosendin Foundation cares about the well-being of our communities by partnering with community-focused non-profit organizations to support health including emotional, nutritional, and occupations programs.
