As part of building the arts responder networks, CERF+ produced a primer for
organizations, agencies, and community foundations on how to go about managing
post-disaster arts relief efforts. This handbook has been distributed to first-
time arts responders that suddenly found themselves dealing with recovery
issues following Hurricane/Tropical Storm Irene. The primer is the basis for a
full-length handbook we are working on now (to be used initially by the southern
California arts responder network and future statewide/regional coordinated
planning efforts).
