Independent Auditor's Report

The Board of Directors
Jewish Family Services of Greater Orlando, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Jewish Family Services of Greater Orlando, Inc. (the Organization) which comprise the statement of financial position as of December 31, 2014, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also

includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Jewish Family Services of Greater Orlando, Inc. as of December 31, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Organization's 2013 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated February 14, 2014. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2013 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Notes to Financial Statements

Year ended December 31, 2014

(1) Organization and Summary of Significant Accounting Policies

(a) General

Jewish Family Services of Greater Orlando, Inc. (the "Organization" or "Jewish Family Services") is a not-for-profit services organization, located in Winter Park, Florida, which provides crisis, individual, marital and family counseling; emergency assistance (food, rent, utilities); family stabilization program, volunteer services, KidsKonnnect (in school group counseling for children affected by divorce) and Chaplancy services.

(b) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(c) Net Asset Classes

The accompanying financial statements present information regarding the Organization's financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. The three classes are differentiated by donor restrictions.

- ◆ Unrestricted net assets may be designated for specific purposes by Jewish Family Services or may be limited by contractual agreements with outside parties.
- ◆ Temporarily restricted net assets are subject to donor stipulations that expire by the passage of time or can be fulfilled or removed by actions pursuant to the stipulations. Temporarily restricted net assets consist principally of gifts restricted by donors for funding of specified programs.
- ◆ Permanently restricted net assets are subject to donor stipulations requiring that they be maintained permanently, thereby restricting the use of principal. Usually, donor stipulations allow the income earned to be used currently for a designated purpose. Permanently restricted net assets consist principally of permanent endowment balances.

JEWISH FAMILY SERVICES OF GREATER ORLANDO, INC.

Notes to Financial Statements

Year ended December 31, 2014

(1) Organization and Summary of Significant Accounting Policies (Continued)

(c) Net Asset Classes (Continued)

Contributions received with donor imposed restrictions that are met in the same year as they are received are reported as unrestricted support. In addition, absent explicit donor stipulations about how long fixed assets must be maintained, the Organization reports expirations of donor restrictions on cash or cash equivalents that must be used to acquire fixed assets when the fixed assets begin construction and/or are required.

The Organization displays revenue in the following two natural classifications:

Revenue---Fees earned for the performance of Organization services.

Public Support---Unconditional gifts to the Organization of cash or other assets in a voluntary nonreciprocal transfer by another entity.

Revenue and public support are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets unless their use is limited by donor-imposed restrictions. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

Contributions, including unconditional promises to give, are recognized as revenue in the period made or received. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value at the date of gift.

(d) Cash and Cash Equivalents

Cash and cash equivalents includes all highly liquid investments purchased with a maturity of three months or less.

JEWISH FAMILY SERVICES OF GREATER ORLANDO, INC.

Notes to Financial Statements

Year ended December 31, 2014

(1) Organization and Summary of Significant Accounting Policies (Continued)

(e) Investments

Investments are generally recorded at fair value based upon quoted market prices, when available, or estimates of fair value. Donated assets are recorded at fair value at the date of donation, or, if sold immediately after receipt, at the amount of sales proceeds received (which is considered a fair measure of the value at the date of donation).

(f) Inventory

Inventory of the food pantry is stated at estimated fair market value for donated food and lower of cost or market for purchased food.

(g) Property and Equipment

Property and equipment are stated at cost except for gifted property, which is stated at the estimated fair market value at the date of the gift. Depreciation is provided on straight-line method over the estimated useful lives of the assets which range from 3 to 39 years. All property expenditures in excess of \$1,000 are capitalized; maintenance and renewals are charged to expense as incurred.

(h) Financial Instruments Fair Value and Concentration of Business and Credit Risk

The carrying amount reported in the statement of financial position for cash and cash equivalents, accounts receivable, accounts payable and accrued expenses, approximates fair value because of the immediate or short-term maturity of these financial statements. The carrying amount reported in the accompanying statement of financial position for mortgage payable approximates fair value because actual interest rates do not significantly differ from current rates offered for instruments with similar characteristics.

Financial instruments, which potentially subject the Organization to concentrations of credit risk, consist principally of accounts and contributions receivable which amount to approximately \$404,000. The Organization provides various types services to qualified individuals and generally does not require collateral. Grants and contracts receivable, as applicable, arise as a result of the agreements with third parties to provide specified services. The grants and contracts are monitored on a monthly basis and are not collateralized. The Organization maintains its cash balances at certain financial institutions in which balances are insured by the Federal Deposit Insurance Corporation up to \$250,000.

Notes to Financial Statements

Year ended December 31, 2014

(1) Organization and Summary of Significant Accounting Policies (Continued)

(i) Donated Goods and Services

Donated materials and equipment are reflected as gifts-in-kind in the accompanying financial statements at their estimated values at date of receipt. For the years ended December 31, 2014 and 2013, in-kind contributions, substantially consisting of food, were valued at approximately \$69,000 and \$101,000, respectively. No amounts have been reflected in the statements for donated services because no objective basis is available to measure the value of such services; however, a substantial number of volunteers have donated significant amounts of their time in the Organization's program services and in its fund-raising campaigns.

(j) Income Taxes

Jewish Family Services is exempt from payment of federal and state income taxes under Internal Revenue Code Section 501(c)(3). In addition, the Organization has been determined by the Internal Revenue Service not to be a private foundation within the meaning of Section 509(a) of the Code. Consequently, no provision for income taxes has been included in the accompanying financial statements.

The Organization has adopted the provisions of FASB ASC SubTopic 740-10, (FASB Interpretation No. 48, *Accounting for Uncertainty in Income Taxes*). These provisions clarify the accounting for uncertainty in tax positions and prescribe guidance related to the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. The tax benefit from an uncertain tax position is only recognized in the statement of financial position if the tax position is more likely than not to be sustained upon an examination, based on the technical merits of the position. Interest and penalties, if any, are included in expenses in the statement of activities. As of December 31, 2014, the Organization had no uncertain tax positions that qualify for recognition or disclosure in the financial statements.

The Organization's income tax returns are subject to review and examination by federal authorities. The Organization is not aware of any activities that would jeopardize its tax-exempt status. The Organization is not aware of any activities that are subject to tax on unrelated business income, excise or other taxes. The tax returns for the fiscal years ended from 2011 to 2013 are open to examination by federal authorities.

(1) Organization and Summary of Significant Accounting Policies (Continued)

(k) Subsequent Events

In preparing these financial statements, the Partnership has evaluated subsequent events and transactions for potential recognition and disclosure through February 20, 2015, which is the date the financial statements were available to be issued.

(l) Prior Year Comparative Data

The financial statements include certain prior year summarized comparative information. This information has been presented in order to provide an understanding of changes in the Organization's financial position and activities. The prior year information in the statement of activities is presented in total but not by net asset class and, as such, does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. In addition, certain amounts have been reclassified in order to conform with the current year's presentation.

(m) Functional Allocation of Expenses

The costs of providing Organization programs and the administration of the Organization have been summarized on a functional basis in the statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

(n) Reclassification

Certain prior year balances were reclassified to conform with 2014 presentation.

(2) Investments held by T.O.P.

Investments held by the Tampa-Orlando-Pinellas Jewish Foundation (T.O.P.) consist primarily of endowment funds and are recorded at their fair market value. T.O.P. invests funds it holds for the benefit of others in marketable securities on a pooled or segregated basis as appropriate to the fund (all Jewish Family Services' funds are pooled).

JEWISH FAMILY SERVICES OF GREATER ORLANDO, INC.

Notes to Financial Statements

Year ended December 31, 2014

(2) Investments held by T.O.P. (Continued)

Generally accepted accounting principles defines fair value, establishes a framework for measuring fair value and expands disclosures about fair value measurements which currently applies to all financial assets and liabilities, as well as for any other assets and liabilities that are carried at fair value on a recurring basis.

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. These principles also establish a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value using three levels of inputs as follows:

Level 1: quoted prices in active markets for identical assets or liabilities

Level 2: quoted prices for similar assets and liabilities in active markets or inputs that are observable

Level 3: inputs that are unobservable (for example, cash flow modeling based on assumptions)

The Organization did not change its valuation techniques during the year and continues to use Level 1 inputs to measure the fair value of its investments.

(3) Property and Equipment

Major classifications of property and equipment at December 31, 2014 are summarized below:

Land	\$ 412,680
Building	760,132
Furniture and fixtures	80,996
Office equipment	57,758
Automobile	7,375
	1,318,941
Accumulated depreciation and amortization	(394,532)
	\$ 924,409

JEWISH FAMILY SERVICES OF GREATER ORLANDO, INC.

Notes to Financial Statements

Year ended December 31, 2014

(4) Mortgage Payable

Jewish Family Services has a mortgage payable, collateralized by real property, due in quarterly principal installments of \$11,000 plus interest at 2.25%. The note matures on January 1, 2015.

(5) Temporarily Restricted Net Assets

At December 31, 2014, temporary restricted net assets are available for the following purposes:

Building	\$ 39,396
General endowment	36,493
Scholarship	43,222
Family Stabilization Program	94,229
RIDE program	34,165
Other	3,353
Total	\$ 250,858

(6) Endowments

The Board of Directors of the Organization has interpreted the Florida Uniform Prudent Management of Institutional Funds Act (FUPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by FUPMIFA. Any amount not appropriated for expenditure will be reclassified, subject to the original endowment restrictions imposed by the donor. In accordance with FUPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:
