Big Futures is an important enhancement to our mentoring program that
is designed to support our high school Littles as they prepare for the
next step after high school graduation. The Big Futures program aligns
with the four Es outcome measures-Education, Enlistment, Employment and
Entrepreneurship-and serves as a resource for high school students as
they plan for the future.

We provide every high school student with a grade-specific College Prep
roadmap at the start of each school year, in addition to resources
about other life paths. The roadmaps provide a month-by-month list of
action items with links to online resources such as the FAFSA, online
SAT and ACT prep and practice tests, career assessment tools, templates
for creating a resume, financial aid and scholarships. The roadmaps
help students stay on track to graduate on time and to prepare for
post-secondary educational opportunities. They also help Bigs and
parents/guardians support and advocate for success.

One element of our Big Futures programming targeted to high school
Littles is Beyond School Walls, our workplace mentoring program which
is described in 4b.

In 2022, we served 466 high school Littles through all of our Big
Futures programming.

We are very proud of the 2022 outcomes our children and youth were able
to achieve, at school and in the community.

- o 98% were promoted to the next grade on time
- o 98% did not become involved in the juvenile justice system
- o 98% of high school seniors graduated on time
- o 76% of graduating seniors reported plans to pursue post-secondary
education or the military

The majority of our 2022 graduating seniors who did not have immediate
post-secondary college or military plans reported that they intended to
work so they could save enough money to enter college in the future,
largely as a result of the financial hardship imposed on their
households because of COVID.

corporations and specific high schools: Cox Enterprises and Chamblee

High School; UPS and Therrell High School; and Chick-fil-A and South Atlanta High School.

In 2022, we launched a new Expanded Middle School Mentoring pilot program that was created in direct response to needs expressed by principals, counselors and administrators for trained positive adult role models to provide consistent and direct mentoring, as students have been exhibiting classroom disruptions, student conflicts and other behaviors at unprecedented levels. During the 2022-2023 school year, we are serving 292 students through this program at three APS Title I middle schools: Luther J. Price and Jean Childs Young Middle Schools and Herman J. Russell West End Academy.

The program is designed to start with 100 6th grade students at each school as students make the difficult transition from elementary school to middle school (75 at Price MS which has a smaller student population). We will continue to serve this cohort of students through 8th grade when possible, while adding a new group of 100 6th grade students each year. This program utilizes paid BBBS Lead Mentors who are based at each school, providing 1:1 or small group mentoring depending on the individual needs of each child.
