INDEPENDENT AUDITOR'S REPORT

Board of Directors Sunbeam Family Services, Inc.

We have audited the accompanying consolidated statement of financial position of Sunbeam Family Services, Inc. (a nonprofit organization) as of June 30, 2011 and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Sunbeam Family Services, Inc. management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Sunbeam Family Services, Inc. at June 30, 2011, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated January 9, 2012, on our consideration of Sunbeam Family Services, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the basic consolidated financial statements of Sunbeam Family Services, Inc. as a whole. The accompanying statement of activities — Sunbeam Family Services, Inc. - Unrestricted and the schedule of expenditures of federal awards are presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments*, and *Non-Profit Organizations* and are not a required part of the basic consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS June 30, 2011

Note 1. Organization and Summary of Significant Accounting Policies

Organization

Sunbeam Family Services, Inc. (Sunbeam) was organized as a nonprofit corporation in 1907 to provide services within the Oklahoma City metropolitan area. These services include fostering and strengthening family life and developing the capacities of individual adults, children, and family groups toward a satisfying and socially useful life. It is an independent agency operated by a twenty-five member board of directors. Sunbeam is funded primarily by allocations from the United Way and by contracts with the Corporation for National and Community Service, the Oklahoma Department of Human Services and the U.S. Department of Health and Human Services Early Head Start program. Additionally, Sunbeam receives contributions and grants from individuals, businesses, and other non-profit organizations.

During the prior fiscal year, Sunbeam established SFS, LLC (LLC). SFS, LLC is a wholly owned, single member LLC. Several management and administrative employees became employees of the LLC. The LLC was established to allow Sunbeam to meet the requirement for coverage under their current healthcare plan. Employees of SFS, LLC are subject to the same employee policies and receive the same benefits as the Sunbeam employees. The board of Sunbeam serves as the board of the LLC.

The Foundation for Sunbeam Family Services, Inc. (the Foundation) is a related organization of Sunbeam Family Services, Inc. Sunbeam appoints the Foundation's trustees, and is the sole beneficiary of the Foundation's distributions. Upon termination, all assets of the Foundation revert to Sunbeam. The board of trustees for the Foundation is independent of Sunbeam, and Sunbeam's board of directors do not exercise any oversight authority over the Foundation. However, due to Sunbeam's control of the appointment of board members and its direct economic interest, the Foundation is consolidated in these financial statements.

On January 13, 2010, the Foundation established a new nonprofit corporation (the Corporation). The Corporation was organized to be a supporting organization of Sunbeam, and Sunbeam appoints the board of directors of the Corporation, a majority of which must be a present or former member of the Sunbeam board of directors. The Corporation has received acknowledgement from the Internal Revenue Service as a tax-exempt supporting organization. The current Foundation is in the process of terminating and transfering all of its remaining assets to the Corporation. Management does not anticipate any significant changes in the operations of the new Corporation.

Basis of presentation

Sunbeam reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Sunbeam has no permanently restricted net assets.

Cash and cash equivalents

For purposes of the statement of cash flows, Sunbeam considers all highly liquid investments purchased with a maturity of three months or less to be cash equivalents unless designated for investment purposes.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS June 30, 2011

Note 1. Organization and Summary of Significant Accounting Policies, continued

Revenue recognition

Revenues, gains, and other support are reported as increases in unrestricted net assets. Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending in the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Expenses are reported as decreases in unrestricted net assets only. Gains and losses on investments and other assets and liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. Contributions received with donor-imposed restrictions that are met in the same year as received are reported as revenues of unrestricted net assets.

Property and equipment

Maintenance and repairs which do not improve or extend the useful lives of the assets are expensed as incurred. Additions and betterments greater than \$1,500 are capitalized. Upon retirement or replacement, the costs and accumulated depreciation are removed from the respective accounts and the differences are included in changes in net assets.

Fixed assets are recorded at cost, or fair value if donated, and depreciated using the straight-line method over an estimated useful life as follows:

Office equipment	2-10 years
Vehicles	3 years
Buildings and improvements	5-25 years

Use of estimates

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

Investments

Investments are measured at fair value in the statement of financial position. Unrealized gains and losses are reported in the statement of activities. Generally accepted accounting principles establish a three level hierarchy for the valuation of financial instruments:

Level I – Valuations are based on quoted prices in active markets for identical assets or liabilities.

Level II – Valuations are based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active and model-based valuations for which all significant assumptions are observable or can be corroborated by observable market data.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS June 30, 2011

Note 1. Organization and Summary of Significant Accounting Policies, continued

Investments, continued

Level III – Valuations are based on unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets and liabilities. Values are determined using pricing models and discounted cash flow models and include management's judgment and estimation which may be significant.

The Organization holds various investment securities and are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the accompanying financial statements.

Compensated absences

Employee rights to receive compensation for future absences are recognized in the period such rights are earned.

Distribution of Foundation earnings

The Board of Trustees of the Foundation annually determines the amount of the Foundation's earnings to be allocated for distribution to support Sunbeam operations. These amounts are eliminated in the consolidated financial statements.

Sunbeam adopted the standard "Endowments of Not-for-Profit Organizations" which among other things enhances disclosures for endowment funds maintained by not-for-profit organizations.

The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. The endowment assets are to be sufficiently diversified so as to minimize the risk of material loss. High risk or speculative investments are to be avoided. To satisfy its long-term rate-of-return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends).

Functional expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the consolidated financial statements. Accordingly, certain costs have been allocated among the programs and activities benefited.

Income tax status

Sunbeam and the Foundation qualify as organizations exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organizations do not believe they have engaged in any activity that would result in an uncertain tax position. As a result, management does not believe that any uncertain tax positions currently exist and no loss contingency has been recognized in the accompanying financial statements. Tax statutes dictate that tax returns filed in any of the previous three reporting periods remain open to federal and state examination. Currently, the Organizations have no open examination with either the Internal Revenue Service or state taxing authorities.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS June 30, 2011

Note 1. Organization and Summary of Significant Accounting Policies, continued

Donated services

In-kind donations of goods and services are recorded in the consolidated financial statements at the estimated value of such goods or services.

Sunbeam also receives significant volunteer services in conjunction with the Head Start and Early Head Start Programs. These services qualify for in-kind matching based on the guidelines of the Department of Health and Human Services programs, but do not meet the requirements for recognition in the financial statements.

Note 2. Investments

Investments consisted of the following at June 30, 2011:

Trestiments companies at the same many are and the property	Cost	Market
	Foun	dation
Cash (Level I) Mutual funds (Level I) Equity securities (Level I)	\$ 181,360 1,161,010 <u>290,672</u>	\$ 181,360 1,240,966 289,204
	<u>\$1,633,042</u>	<u>\$1,711,530</u>
	Sunbeam Famil	y Services, Inc.
Certificates of deposit (Level II)	<u>\$ 342,345</u>	<u>\$ 342,345</u>

Unrealized gains arising during the year totaling \$249,043 have been included in the accompanying statement of activities and changes in net assets. Realized losses of \$31,558 are also included in the statement of activities and changes in net assets. The realized gain or losses were determined using the specific identification method.

Note 3. Receivables

Sunbeam periodically submits requests for advances and/or reimbursement to grantor and pass-through agencies for grant funds. As of June 30, 2011, Sunbeam had outstanding requests for reimbursement and accruals due from grantors of \$358,300. Accounts receivable of \$73,554, net of allowance for doubtful accounts of \$14,194, are related to services provided and billed to various government agencies and individuals. The allowance for doubtful accounts is adjusted annually based on historical collections. Doubtful accounts are evaluated on an individual basis and written off when deemed uncollectible.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS June 30, 2011

Note 4. Accrued Compensated Absences

During the first ten years of full-time service, employees earn paid time off at a rate of 17 days per year. After ten years of service, employees earn 22 days per year. Compensated absences are accrued each pay period; however, the employee's accrued balance may never exceed one year's accrual. Unused compensated absences are paid to an employee upon separation of employment.

At June 30, 2011, \$96,029 had been accrued to recognize Sunbeam's financial obligation for accrued compensated absences.

Note 5. Temporarily Restricted Net Assets

At June 30, 2011, temporarily restricted net assets were comprised of the following:

Counseling Services	\$15,000
Educare	1,836
Senior Shelter	47,941
Caregivers Fundamentals	28,359
Senior Companion	200
	\$93,336

Note 6. Employee Retirement Plan

Sunbeam provides a defined contribution retirement plan for their full-time employees and other part-time employees over 21 years of age who work more than 1,000 hours in one year's time with one year of uninterrupted service. Sunbeam contributes 3.0% to 7.0% of the employee's gross salary to the plan on behalf of individual employees. In addition, an employee may contribute up to the maximum excludable allowance. Employer contributions on behalf of individuals are fully vested when the employee completes three years of service. Sunbeam's contribution to the plan for the year ended June 30, 2011 was \$139,552.

Note 7. Commitments and Contingencies

In the normal course of operations, Sunbeam receives contract funds from various federal and state grantor agencies. The programs are subject to audit by the granting authority, the purpose of which is to ensure compliance with conditions imposed by the granting agency. Any reimbursement, which may arise as the result of the audit of contract funds, is not believed to be material.

Note 8. Economic Dependency

Sunbeam receives a significant portion of its revenue from funds provided through multiple federal and state grants. The grant amounts are appropriated each year at the federal and/or state level. If significant budget cuts are made at the federal and/or state level, the amount of the funds Sunbeam receives could be reduced significantly and have an adverse impact on its operations. Management is not aware of any actions that will adversely affect the amount of funds Sunbeam will receive in the next fiscal year.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS June 30, 2011

Note 9. Community Foundation Funds

Sunbeam is the designated beneficiary of donor advised funds at two Oklahoma area community foundations. These funds were contributed to the foundations by Sunbeam and other third party contributors. The foundations have variance power over all contributions. Sunbeam follows the standard, "Transfers of Assets to a Not-for-Profit Organization or Charitable Trust That Raises or Holds Contributions for Others" to account for these funds. Assets transferred by Sunbeam remain on the Consolidated Statement of Financial Position. Contributions from third parties are disclosed below, but not recognized as assets of Sunbeam. Sunbeam receives a distribution from the funds each year based on a percentage of the average fair market value of the funds over the previous eight quarters. The balance of the funds at June 30, 2011 was as follows:

	OCCF	CFO, Inc.	Total
Beginning of year	\$ 28,555	\$ 12,486	\$ 41,041

Note 10. Due to Grantors

Sunbeam received an advance on funding of \$115,500 from the Casey Family Programs in 2005 when the Long-Term Foster Care program was transitioned to Sunbeam. The advance was intended to ensure that Sunbeam had the liquidity needed to run the program. The advance is not part of the program funding and will be repaid to the Casey Family Programs, without interest, upon demand. The balance at June 30, 2011 was \$37,641.

Note 11. Subsequent Events

In August of 2011, Sunbeam submitted a sealed bid to purchase a building located at 1411 N. Classen Blvd. A deposit of \$35,650 was submitted with the bid of \$356,501, and Sunbeam was awarded the bid. The purchase closed January 6, 2012. The purchase was financed with a short-term loan from Inasmuch Foundation until permanent financing is arranged. Sunbeam intends to build a new facility on this property.

Management has evaluated other subsequent events through the report date of January 9, 2012, the date the report was available to be issued, and has determined that no additional disclosures were required.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS June 30, 2011

Note 1. Basis of Presentation

The accompanying schedule of expenditures of federal awards includes the federal grant activity of Sunbeam Family Services, Inc. and is presented on the accrual basis of accounting.

Note 2. Contingent Liabilities

The Organization participates in a number of federal and state assisted programs. These programs are audited in accordance with *Government Auditing Standards* and the *Single Audit Act Amendments of 1996*, if applicable, in accordance with the required levels of federal financial assistance. Audits of prior years have not resulted in any significant disallowed costs; however, grantor agencies may require further examinations. Based on prior experience, management believes that further examinations would not result in any significant disallowed costs.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Sunbeam Family Services, Inc.

We have audited the consolidated financial statements of Sunbeam Family Services, Inc. (the "Organization") as of and for the year ended June 30, 2011, and have issued our report thereon, dated January 9, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

In planning and performing our audit, we considered the Organization's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of management, others within the entity, the Board of Directors, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS THAT COULD HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

Board of Directors Sunbeam Family Services, Inc.

Compliance

We have audited Sunbeam Family Services, Inc.'s compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2011. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the Organization's management. Our responsibility is to express an opinion on the Organization's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the Organization's compliance with those requirements.

In our opinion, the Organization complied, in all material respects, with the requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2011.

Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the Organization's internal control over compliance with the requirements that could have a direct and material effect on a major federal program to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of management, others within the entity, the Board of Directors, federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
