INDEPENDENT AUDITOR'S REPORT

Board of Directors Sunbeam Family Services, Inc.

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Sunbeam Family Services, Inc. (a nonprofit organization) which comprise the consolidated statements of financial position as of June 30, 2013 and 2012 and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Sunbeam Family Services, Inc. as of June 30, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

The accompanying statement of activities-Sunbeam Family Services, Inc.-Unrestricted and the schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated November 11, 2013, on our consideration of Sunbeam Family Services, Inc's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Sunbeam Family Service, Inc's internal control over financial reporting and compliance.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS June 30, 2013 and 2012

Note 1. Organization and Summary of Significant Accounting Policies

Organization

Sunbeam Family Services, Inc. (Sunbeam) was organized as a nonprofit corporation in 1907 to provide services within the Oklahoma City metropolitan area. These services include fostering and strengthening family life and developing the capacities of individual adults, children, and family groups toward a satisfying and socially useful life. It is an independent agency operated by a twenty-five member board of directors. Sunbeam is funded primarily by allocations from the United Way and by contracts with the Corporation for National and Community Service, the Oklahoma Department of Human Services and the U.S. Department of Health and Human Services Early Head Start program. Additionally, Sunbeam receives contributions and grants from individuals, businesses, and other non-profit organizations.

Several years ago, Sunbeam established SFS, LLC (LLC). SFS, LLC is a wholly owned, single member LLC. Several management and administrative employees became employees of the LLC. The LLC was established to allow Sunbeam to meet the requirement for coverage under their current healthcare plan. Employees of SFS, LLC are subject to the same employee policies and receive the same benefits as the Sunbeam employees. The board of Sunbeam serves as the board of the LLC.

The Foundation for Sunbeam Family Services, Inc. (the Foundation) is a related organization of Sunbeam Family Services, Inc. On January 13, 2010, the Foundation, originally organized as a trust, was reorganized as a nonprofit corporation. The corporation was organized to be a supporting organization of Sunbeam, and Sunbeam appoints the board of directors of the corporation, a majority of which must be a present or former member of the Sunbeam board of directors. Due to Sunbeam's control of the appointment of board members and its direct economic interest, the Foundation is consolidated in these financial statements.

Basis of presentation

Sunbeam reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Sunbeam has no permanently restricted net assets.

Cash and cash equivalents

For purposes of the statement of cash flows, Sunbeam considers all highly liquid investments purchased with a maturity of three months or less to be cash equivalents unless designated for investment purposes.

Concentration of credit risk

At June 30, 2013, Sunbeam's cash balances exceeded the federally insured amounts by approximately \$1,232,000. A sweep account was set up after year end to reduce exposure. The prior year's balances were fully insured due to different regulations that were in effect at that time.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS June 30, 2013 and 2012

Note 1. Organization and Summary of Significant Accounting Policies, continued

Revenue recognition

Revenues, gains, and other support are reported as increases in unrestricted net assets. Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Expenses are reported as decreases in unrestricted net assets only. Gains and losses on investments and other assets and liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. Contributions received with donor-imposed restrictions that are met in the same year as received are reported as revenues of unrestricted net assets.

Property and equipment

Maintenance and repairs which do not improve or extend the useful lives of the assets are expensed as incurred. Additions and betterments greater than \$1,500 are capitalized. Upon retirement or replacement, the costs and accumulated depreciation are removed from the respective accounts and the differences are included in changes in net assets.

Fixed assets are recorded at cost, or fair value if donated, and depreciated using the straight-line method over an estimated useful life as follows:

Office equipment	2-10 years
Vehicles	3 years
Buildings and improvements	5-25 years

Use of estimates

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

Investments

Investments are measured at fair value in the statement of financial position. Unrealized gains and losses are reported in the statement of activities. Generally accepted accounting principles establish a three level hierarchy for the valuation of financial instruments:

Level I – Valuations are based on quoted prices in active markets for identical assets or liabilities.

Level II – Valuations are based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active and model-based valuations for which all significant assumptions are observable or can be corroborated by observable market data.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS June 30, 2013 and 2012

Note 1. Organization and Summary of Significant Accounting Policies, continued

Investments, continued

Level III – Valuations are based on unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets and liabilities. Values are determined using pricing models and discounted cash flow models and include management's judgment and estimation which may be significant.

The Organization holds various investment securities and are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the accompanying financial statements.

Compensated absences

Employee rights to receive compensation for future absences are recognized in the period such rights are earned.

Distribution of Foundation earnings

The Board of Trustees of the Foundation annually determines the amount of the Foundation's earnings to be allocated for distribution to support Sunbeam operations. These amounts are eliminated in the consolidated financial statements.

Sunbeam adopted the standard "Endowments of Not-for-Profit Organizations" which among other things enhances disclosures for endowment funds maintained by not-for-profit organizations.

The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. The endowment assets are to be sufficiently diversified so as to minimize the risk of material loss. High risk or speculative investments are to be avoided. To satisfy its long-term rate-of-return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends).

Functional expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the consolidated financial statements. Accordingly, certain costs have been allocated among the programs and activities benefited.

Income tax status

Sunbeam and the Foundation qualify as organizations exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. During the transition discussed in Note 1, the exempt status of the Foundation's new nonprofit corporation was revoked. The revocation occurred due to the extension being disallowed under new IRS code section 6033(j) regulations and therefore, the return was noted as untimely filed. Management has re-submitted the Foundation's application for exemption pursuant to IRS Notice 2011-44 requesting retroactive reinstatement of the Foundation's exempt status. Management does not anticipate any adverse actions related to this request, and the Foundation continues to operate as an exempt organization with its application pending.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS June 30, 2013 and 2012

Note 1. Organization and Summary of Significant Accounting Policies, continued

Income tax status, continued

The Organizations do not believe they have engaged in any activity that would result in an uncertain tax position. As a result, management does not believe that any uncertain tax positions currently exist and no loss contingency has been recognized in the accompanying financial statements. Tax statutes dictate that tax returns filed in any of the previous three reporting periods remain open to federal and state examination. Currently, the Organizations have no open examination with either the Internal Revenue Service or state taxing authorities.

Donated services

In-kind donations of goods and services are recorded in the consolidated financial statements at the estimated value of such goods or services.

Sunbeam also receives significant volunteer services in conjunction with the Head Start and Early Head Start Programs. These services qualify for in-kind matching based on the guidelines of the Department of Health and Human Services programs, but do not meet the requirements for recognition in the financial statements.

Note 2. Investments

Investments consisted of the following at June 30, 2013 and 2012:

	Cost	Market	Cost	Market
		Found	lation	
	201	3	20	12

Unrealized gains (losses) arising during 2013 and 2012 totaling \$76,038 and (\$75,628), respectively, have been included in the accompanying statement of activities and changes in net assets. Realized gains of \$29,869 and \$42,901 are also included in the statement of activities and changes in net assets for the years 2013 and 2012. The realized gains or losses were determined using the specific identification method.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS June 30, 2013 and 2012

Note 3. Receivables

Sunbeam periodically submits requests for advances and/or reimbursement to grantor and pass-through agencies for grant funds. As of June 30, 2013 and 2012, Sunbeam had outstanding requests for reimbursement and accruals due from grantors of \$258,736 and \$472,136, respectively. Accounts receivable of \$68,058 and \$62,695 for the years 2013 and 2012, net of allowance for doubtful accounts of \$11,133 and \$10,923, respectively, are related to services provided and billed to various government agencies and individuals. The allowance for doubtful accounts is adjusted annually based on historical collections. Doubtful accounts are evaluated on an individual basis and written off when deemed uncollectible.

Note 4. Accrued Compensated Absences

During the first ten years of full-time service, employees earn paid time off at a rate of 17 days per year. After ten years of service, employees earn 22 days per year. Compensated absences are accrued each pay period; however, the employee's accrued balance may never exceed one year's accrual. Unused compensated absences are paid to an employee upon separation of employment.

At June 30, 2013 a total of \$104,089 had been accrued to recognize Sunbeam's financial obligation for accrued compensated absences. The balance was \$108,896 at June 30, 2012.

Note 5. Temporarily Restricted Net Assets

Temporarily restricted net assets were comprised of the following of June 30:

	2013	2012
Counseling Services	\$ 88,806	\$ 19,368
Educare	103,173	1,464

Friends of Sunbeam	4,557	-
	\$ 9,253,907	\$ 5,649,503

Note 6. Employee Retirement Plan

Sunbeam provides a defined contribution retirement plan for their full-time employees and other part-time employees over 21 years of age who work more than 1,000 hours in one year's time with one year of uninterrupted service. Sunbeam contributes 3% of the employee's gross salary to the plan on behalf of the eligible individual employees. In addition, Sunbeam will match up to 4% of the eligible employee's salary and the employee may contribute up to the maximum excludable allowance. Employer contributions on behalf of individuals are fully vested when the employee completes three years of service. Sunbeam's contribution to the plan for the years ended June 30, 2013 and 2012 was \$113,807 and \$111,736, respectively.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS June 30, 2013 and 2012

Note 7. Commitments and Contingencies

In the normal course of operations, Sunbeam receives contract funds from various federal and state grantor agencies. The programs are subject to audit by the granting authority, the purpose of which is to ensure compliance with conditions imposed by the granting agency. Any reimbursement, which may arise as the result of the audit of contract funds, is not believed to be material.

Note 8. Economic Dependency

Sunbeam receives a significant portion of its revenue from funds provided through multiple federal and state grants. The grant amounts are appropriated each year at the federal and/or state level. If significant budget cuts are made at the federal and/or state level, the amount of funds Sunbeam receives could be reduced significantly and have an adverse impact on its operations. Management is not aware of any actions that will adversely affect the amount of funds Sunbeam will receive in the next fiscal year.

Note 9. Community Foundation Funds

Sunbeam is the designated beneficiary of donor advised funds at two Oklahoma area community foundations. These funds were contributed to the foundations by Sunbeam and other third party contributors. The foundations have variance power over all contributions. Sunbeam follows the standard, "Transfers of Assets to a Not-for-Profit Organization or Charitable Trust That Raises or Holds Contributions for Others" to account for these funds. Assets transferred by Sunbeam remain on the Consolidated Statement of Financial Position. Contributions from third parties are disclosed below, but not recognized as assets of Sunbeam. Sunbeam receives a distribution from the funds each year based on a percentage of the average fair market value of the funds over the previous eight quarters. The balance of the funds at June 30, 2013 and 2012 was as follows:

2013	OCCF	CFO, Inc.	Total

The distributions for the years ended June 30, 2013 and 2012 were \$16,091 and \$15,394.

Note 10. Due to Grantors

Sunbeam received an advance on funding of \$115,500 from the Casey Family Programs in 2005 when the Long-Term Foster Care program was transitioned to Sunbeam. The advance was intended to ensure that Sunbeam had the liquidity needed to run the program. The advance is not part of the program funding and will be repaid to the Casey Family Programs, without interest, upon demand. The balances at June 30, 2013 and 2012 were \$14,425 and \$26,091, respectively.

Note 11. Note Payable

Sunbeam purchased a building and land located at 1411 N. Classen Blvd. on January 6, 2012. The original purchase was financed primarily with a promissory note from Inasmuch Foundation which was signed January 3, 2012. The amount of the note was \$350,000. Interest was being charged at a rate of .16% per annum at a per diem charge based on a 360 day year. The note was paid in full during 2013.

Note 12. Capital Campaign

A capital campaign was initiated to provide funding for a new facility on the property discussed in Note 11. The goal for the campaign is \$10,000,000 for building construction and an additional \$2,000,000 for an endowment. As of June 30, 2013, Sunbeam had received cash and pledges of \$10,048,216.

Outstanding pledges at June 30, 2013 and 2012 were as follows:	2013	2012

Note 12. Capital Campaign, continued

Of the pledges receivable, \$5,669,675 are due from eight donors and \$282,704 of that amount is due from a member of the board of directors. The board member's pledge was fully paid in the subsequent fiscal year prior to the report date.

A construction loan agreement of up to \$4,620,000 was obtained for the purpose of constructing Sunbeam's headquarters building. At June 30, 2013, there had been no advances against the loan.

Note 13. Subsequent Events

Management has evaluated subsequent events through the report date of November 11, 2013, the date the report was available to be issued, and has determined that there were no additional disclosures.

The accompanying schedule of expenditures of federal awards includes the federal grant activity of Sunbeam Family Services, Inc. and is presented on the accrual basis of accounting.

Note 2. Contingent Liabilities

The Organization participates in a number of federal and state assisted programs. INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Sunbeam Family Services, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Sunbeam Family Services, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2013, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 11, 2013.

Internal Control over Financial Reporting

In planning and performing our audit, we considered Sunbeam Family Services, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Sunbeam Family Services, Inc's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Sunbeam Family Services, Inc's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

This report is intended solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

Board of Directors Sunbeam Family Services, Inc.

Report on Compliance for Each Major Federal Program

We have audited Sunbeam Family Services, Inc.'s compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of Sunbeam Family Services, Inc's major federal programs for the year ended June 30, 2013. Sunbeam Family Services, Inc's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Sunbeam Family Service, Inc's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Sunbeam Family Services, Inc's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Sunbeam Family Services, Inc's compliance.

Opinion on Each Major Federal Program

In our opinion, Sunbeam Family Services, Inc. complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2013.

Report on Internal Control Over Compliance

Management of Sunbeam Family Services, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of requirements referred to above. In planning and performing our audit of compliance, we considered Sunbeam Family Services, Inc's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Sunbeam Family Service, Inc's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
