INDEPENDENT AUDITORS' REPORT

We have audited the accompanying financial statements of Child Advocates of San Bernardino County, which comprise the statement of financial position as of June 30, 2016, and the related statements of activities, cash flows, and functional expenses for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Child Advocates of San Bernardino County as of June 30, 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

CHILD ADVOCATES OF SAN BERNARDINO COUNTY

NOTE TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2016

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

Child Advocates of San Bernardino County (the Organization) is a not-for-profit organization incorporated on June 28, 1989, located in San Bernardino, California. It provides services to protect and care for abused, neglected and exploited children who are under the jurisdiction of the San Bernardino County Juvenile Court System. The Organization also provides gang and violence prevention through recruitment, training, and supervision of Court Appointed Special Advocates. It is funded principally by government and foundation grants, donations, private contributions and United Way allocations. It is directed by a volunteer Board of Directors.

Basis of Accounting

The Organization prepares its financial statements using generally accepted accounting principles, which involves the application of accrual accounting, consequently, revenues and gains are recognized when earned, and expense and losses are recognized when incurred.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted.

Income Tax Status

Child Advocates of San Bernardino County is classified as an organization exempt from income tax as described in Internal Revenue Code 501(c)(3) and California Revenue and Taxation Code 23701d. The Organization is classified as other than a "private foundation" by the IRS under section 509(a)(1).

In accordance with accounting standards, which provides accounting and disclosure guidance about uncertain tax positions taken by an organization, management believes that all of the positions taken by the Organization in its federal and state tax returns are more likely than not to be sustained upon examination. Child Advocates of San Bernardino County's federal income tax returns for the prior three tax years remain subject to examination by the Internal Revenue Service. The Organization's California income tax returns for the prior four tax years remain subject to examination by the Franchise Tax Board.

Revenue Recognition

Contributions received are recorded as increases to unrestricted, temporarily restricted, or permanently restricted net assets depending on the existence and/or nature of any donor restrictions.

All donor-restricted support is reported as an increase in temporarily restricted net assets or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction.

Promises to Give

Unconditional promises to give are recognized as contribution revenue in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional. Donor-restricted contributions whose restrictions are met in the same reporting period are recorded as unrestricted support.

Equipment and Furniture

Acquisitions to property and equipment in excess of \$500 are capitalized and recorded at cost. Donated property is recorded at the estimated fair value at the date of the gift. All capitalized assets are depreciated using the straight-line method over the estimated useful lives of each class of equipment. Maintenance and repair costs are charged to expense as incurred. The estimated useful lives for significant property and equipment categories are as follows: equipment and furniture – 3 to 10 years.

Donated Materials and Services

Contributions of donated services that create or enhance non financial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at the fair values at the date of receipt. The Organization received donations in the form of time and effort from various members of the Board and other community volunteers to further the Organization’s programs and objectives. This contribution of time does not meet the criteria under GAAP for reporting and thus is not reflected in the accompanying financial statements. For the year ended June 30, 2016 the Organization had a total of 1,150 volunteer hours.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash and cash equivalents.

Functional Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the combining statement of activities. Expenses that can be identified with a specific program or support service are charged directly to that program or service. Expenses that are common to several programs or services are allocated based on methods relevant to the function and management assumptions.

Grants and Contracts

Support received under grants and contracts with federal, state and local governments’, and private foundations are recorded as public support when the related service is provided. Grants and contracts receivable represent amounts due for services provided which have not been collected by year end. The allowance for bad debts is recorded on the allowance method. Management monitors receivables and if after diligent collection efforts have failed to collect past due amounts, the Organization determines them to be uncollectible. At year end management determined all receivables to be collectible and no allowance necessary.
