**Form 990, Part I, Line 1 - Organization Mission or Significant Activities**

First Responders Children's Foundation is dedicated to helping the children of police officers, firefighters, paramedics, EMT's and 911 dispatchers. The Foundation provides financial support to children who have lost a parent in the line of duty as well as families enduring financial hardship due to tragic circumstances and/or the unique burdens that the children of First Responders experience. First Responders Children's Foundation also supports, promotes, and facilitates educational activities and programs created and operated by first responder organizations whose purpose is to benefit children or the community at large.

During 2023 the Foundation expanded our programs. Continuing our response to the need for mental health and wellness support for the children of first responders, the Foundation extended our mental health resiliency program to the state of Tennessee, bringing the total number of states to 6 at the end of 2023. This program provided 153 first responder children with 24/7 access to 754 hours of free, confidential mental health counseling by specialized licensed professionals. We also hosted Cultural Competency Training for our clinicians. The course was designed to provide training regarding public safety professions and how occupational trauma affects both First Responders and their families. The Foundation enhanced our flagship scholarship program, awarding a record number (415) scholarships totaling \$1.1 million. We also provided more outreach for our "Scholars Council." All scholarship recipients are eligible to participate in peer-to-peer support, career readiness, and leadership mentoring. The Foundation also continued emergency assistance to hundreds of families with our bereavement and family hardship program grants. And the Foundation expanded our community engagement initiatives, including the addition of
