Audit Review Opinion Letter

I have reviewed the balance sheet of Crosswalk Ministries USA, Inc. as of December 31, 2016, and the related statements of income and cash flows for the period then ended, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of Crosswalk Ministries USA, Inc.

A review consists principally of inquiries of organization personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of opinion regarding the financial statements taken as a whole. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles. Furthermore, I found no cash flow transactions out of conformity with industry standards.

Sincerely,

Gary A Mosley EA, ABA
