INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
World Pulse Voices
Portland, Oregon

We have audited the accompanying financial statements of World Pulse Voices (a non-profit organization), which comprise the statement of financial position as of December 31, 2015, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of World Pulse Voices as of December 31, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Report on Summarized Comparative Information

We have previously audited the World Pulse Voices' December 31, 2014 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated December 30, 2015. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2014 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Our mission is to create a world where all women thrive.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Presentation

The Organization presents its financial statements in accordance with accounting principles generally accepted in the United States of America. The accrual basis is used to record revenues and expenses, which means that revenues are recognized when they are earned and expenses are recognized when incurred.

The Organization reports information regarding its financial position and activities according to three classes of net assets. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

- **Unrestricted net assets** – Net assets not subject to donor-imposed stipulations.
- **Temporarily restricted net assets** – Net assets subject to donor-imposed stipulations that will be met by the actions of the Organization and/or the passage of time.
- **Permanently restricted net assets** – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization.

The Organization has no permanently restricted net assets. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. Expirations of temporary restrictions on net assets are reported as net assets released from restrictions.

Cash and Cash Equivalents

For financial reporting purposes, the Organization considers all liquid investments having initial maturities of three months or less when purchased to be cash equivalents.

Property and Equipment

Furniture and equipment is recorded at cost when purchased or fair market value when donated. Depreciation is computed using the straight-line method over an estimated useful life of three to seven years. Expenditures exceeding \$500 for additions, major renewals and betterments are capitalized. Maintenance and repairs are expensed when incurred.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Grants Receivable

Grants receivable consist of uncollateralized fees from government and other grants. Management periodically assesses the need for an allowance for doubtful accounts based on historical experience and existing conditions affecting probable collection. Management has determined that no allowance for doubtful accounts was necessary as of December 31, 2015.

Support and Revenue Recognition

Contributions are recognized when the donor or grantee makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in temporarily restricted or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Concentration of Credit Risk

The Organization places its cash and cash equivalents with financial institutions insured by the Federal Deposit Insurance Corporation (FDIC). Amounts in excess of FDIC coverage are not insured. The Organization's cash and cash equivalent balances in excess of FDIC coverage limits totaled \$390,203 as of December 31, 2015.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized in the statement of functional expenses. Accordingly, certain costs have been allocated among programs and supporting services, based on management's estimates of benefit received.

Income Taxes

The Organization has been approved as a tax exempt organization under the Internal Revenue Code Section 501(c)(3) and applicable state laws. Accordingly, no provision for income taxes is included in the accompanying financial statements. The Organization does not believe it has unrelated trade or business income in excess of \$1,000.

Prior Year Summarized Financial Information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class or natural expense classification by function. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Center's financial statements for the year ended December 31, 2014, from which the summarized information was derived.
