Independent Auditor's Report

Board of Directors
Habitat for Humanity in Seminole County
and Greater Apopka, Florida, Inc.

We have audited the accompanying financial statements of Habitat for Humanity in Seminole County and Greater Apopka, Florida, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial

statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Habitat for Humanity in Seminole County and Greater Apopka, Florida, Inc. as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued a report dated September 28, 2018 on our consideration of the Habitat for Humanity in Seminole County and Greater Apopka, Florida, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Habitat for Humanity in Seminole County and Greater Apopka, Florida, Inc.'s internal control over financial reporting and compliance.

Notes to Financial Statements

June 30, 2018 and 2017

(1) **Organization and Summary of Significant Accounting Policies**

(a) **Organization**

Habitat for Humanity in Seminole County and Greater Apopka, Florida, Inc. (Habitat or Organization) is a not-for-profit corporation organized in the State of Florida in June 1991. The Organization is an affiliate of Habitat for Humanity International, Inc. (“Habitat International”), a nondenominational Christian not-for-profit organization whose purpose is to build strength, stability and self-reliance through shelter. Through shelter, Habitat for Humanity empowers families and helps to build strong and stable communities. Although Habitat International assists with information resources, training, publications, prayer support and in other ways, the Organization is primarily and directly responsible for its own operation in Seminole County, Florida and the Greater Apopka area. The Organization also operates two “Thrift Stores” whose proceeds are utilized to fund the primary mission of the Organization.

(b) **Basis of Presentation**

The financial statements of the Organization have been prepared on the accrual basis and follow the provisions of the *FASB Accounting Standards Codification* (FASB ASC), “Financial Statement of Not-for-Profit Organizations” and “Accounting for Contributions Received and Contributions Made.”

(c) **Cash and Cash Equivalents**

The Organization considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

(d) **Contributions**

Unconditional promises to give are recognized as revenue when the underlying promises are received by the Organization. Gifts of cash and other assets are reported as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities and changes in net assets as net assets released from restrictions.

Notes to Financial Statements

June 30, 2018 and 2017

(1) Organization and Summary of Significant Accounting Policies (Continued)

(d) Contributions (Continued)

Temporarily restricted contributions, which are both received and released within the same year, are recorded as an increase in temporarily restricted net assets and as a satisfaction of program restrictions.

Contributions of land, materials, and facilities are recorded at their estimated fair value at the date of gift. Such values are recorded in the financial statements as an asset or expense and revenue. For the year ended June 30, 2018, in-kind contributions consisted of donated inventory, materials and supplies valued at \$992,181 and was recorded as inventory and revenue to be sold in the two ReStores. Sales of donated inventory during the year were \$989,268. The result is a net increase in inventory for the year of \$2,913. The donated ReStore items are recorded at fair value as determined by management using factors such as sales and inventory turnover.

(e) Mortgages Receivable

Mortgages receivable represent non-interest bearing loans upon the sale of a home and have been discounted based upon prevailing market rates at the inception of the mortgage obligations. The original discount is recorded as discounts on mortgage originations within program services on the statements of functional expenses at the date the mortgage is originated. Discounts are amortized using the effective interest method over the lives of the mortgage loans and are recorded as amortization of mortgage loan discounts within support and revenue in the statements of activities.

The allowance for mortgage receivable losses, if needed, is established through a provision for mortgage receivable losses charged to earnings. Mortgage receivable losses are charged against the allowance when management believes the uncollectability of a mortgage receivable is confirmed. Subsequent recoveries, if any, are credited to the allowance. The allowance for mortgage receivable losses is maintained at a level which, in management's judgment, is adequate to absorb credit losses inherent in the mortgage portfolio. The amount of the allowance is based on management's evaluation of the collectability of the mortgage portfolio, including the nature of the portfolio, trends in historical loss experience, specific impaired loans, economic conditions, and other risks inherent in the portfolio.

Notes to Financial Statements

June 30, 2018 and 2017

(1) **Organization and Summary of Significant Accounting Policies (Continued)**

(f) **Property and Equipment**

Property and equipment is recorded at cost or estimated value at the date of purchase or contribution. Expenditures for repairs and maintenance are expensed as incurred. The Organization capitalizes additions of property and equipment that exceed \$500. The Organization primarily utilizes the straight-line method of depreciation. Furniture, equipment and vehicles are depreciated over their various estimated useful lives ranging from three to seven years. Buildings are depreciated over their estimated useful life of 39 years.

(g) **Classes of Net Assets**

Revenues and gains are classified based on the presence or absence of donor restrictions and reported in the following net asset categories:

- a) Unrestricted net assets that are not subject to donor restrictions.
- b) Temporarily restricted net assets arising from contributions that are restricted by donors for specific purposes or time periods.
- c) Permanently restricted net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization.

All contributions are considered available for unrestricted use, unless specifically restricted by donors. All expenses are reported as changes in unrestricted net assets.

(h) **Transfers to Homeowners**

Transfers to homeowners are recorded when a home is occupied and title is transferred. The transfer is recorded at the gross amount of payments to be received over the lives of the mortgages. Non-interest bearing mortgages have been discounted at various rates ranging from 2% to 12% based upon prevailing market rates at the inception of the mortgage obligations. Discounts are amortized using the effective interest method over the lives of the mortgages.

Notes to Financial Statements

June 30, 2018 and 2017

(1) **Organization and Summary of Significant Accounting Policies (Continued)**

(i) **Advertising**

Advertising costs are expensed the first time the advertising takes place. Total advertising costs were \$13,519 and \$18,129 during 2018 and 2017, respectively.

(j) **Functional Allocation of Expenses**

The cost of providing the program and other activities of the Organization have been summarized on a functional basis in the statements of activities. Salaries and related payroll expenses are allocated among functional categories based on the estimated proportion of time spent relative to each function. All other expenses are allocated based on management's estimate of the relative functional activity.

(k) **Fair Value of Financial Instruments**

The Organization's financial instruments consist of cash and cash equivalents, receivables, accounts payable, accrued expenses, and notes payable. Cash and cash equivalents, receivables, accounts payable, accrued expenses, and notes payable are stated at cost which approximates fair value.

(l) **Contributed Services and Materials**

A substantial number of volunteers have made significant contributions of their time to the Organization's programs and supporting services. The value of this contributed time is not reflected in the financial statements since it does not require specialized skills.

Contributions of materials and services requiring specialized skills or otherwise needing to be purchased are reflected in the accompanying financial statements. The majority of the items included as in-kind contributions in the accompanying statements of activities and changes in net assets reflect the contribution of materials utilized for construction of the various homes.

(m) **Land Held for Development**

Land held for development primarily consists of land costs and related improvements for land that has not been presently assigned to a future homeowner.

HABITAT FOR HUMANITY IN SEMINOLE COUNTY
AND GREATER APOPKA, FLORIDA, INC.

Notes to Financial Statements

June 30, 2018 and 2017

(1) **Organization and Summary of Significant Accounting Policies (Continued)**

(n) **Land/Structures Donated or Purchased**

Houses owned by affiliate consist primarily of re-acquired homes, or homes completed but not sold to homeowners. These properties are recorded at the lower of the carrying amount or fair value less estimated selling cost. Costs of significant property improvements are capitalized, whereas costs relating to holding property are expensed. Valuations are periodically performed by management, and any subsequent write-downs are recorded as a charge to operations, if necessary, to reduce the carrying value of a property to the lower of its cost or fair value less cost to sell.

(o) **Income Taxes**

The Habitat for Humanity of Seminole County and Greater Apopka, Florida, Inc. has received exemption from income taxes under Section 501(c)(3) of the U.S. Internal Revenue Code under a group exemption letter granted to Habitat for Humanity International by the Internal Revenue Service.

The Organization adopted the provisions of the Income Tax Topic of the ASC. These provisions clarify the accounting for uncertainty in tax positions and prescribe guidance related to the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. The tax benefit from an uncertain tax position is only recognized in the statement of financial position if the tax position is more likely than not to be sustained upon an examination, based on the technical merits of the position. Interest and penalties, if any, are included in expenses in the statement of activities. As of June 30, 2018, Habitat for Humanity in Seminole County and Greater Apopka, Florida, Inc. had no uncertain tax positions that qualify for recognition or disclosure in the financial statements.

The Organization's income tax returns are subject to review and examination by federal authorities. The Organization is not aware of any activities that would jeopardize its tax-exempt status. The Organization is not aware of any activities that are subject to tax on unrelated business income, excise or other taxes. The tax returns for the fiscal years ended from 2015 to 2017 are open to examination by federal authorities.

Notes to Financial Statements

June 30, 2018 and 2017

(1) **Organization and Summary of Significant Accounting Policies (Continued)**

(p) **Concentration of Credit Risks**

Financial instruments, which potentially expose the Organization to concentrations of credit risk, consist principally of bank deposits. The Organization's policy is to place its deposits with high quality financial institutions. The Organization holds its cash and equivalents and certificates of deposit with institutions insured by the FDIC. These funds are insured subject to FDIC limits.

The Organization's support is received primarily from local governments, foundations, businesses, churches and individuals located in the Seminole County and Orange County, Florida area. In addition, all of the mortgages receivable, reflected in the accompanying financial statements, relate to residential properties within Seminole and Orange Counties, Florida. As a result, continued contributions may be affected by the economy of this region.

(q) **Estimates in the Financial Statements**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Material estimates that are particularly susceptible to significant change relate to the determination of the allowance for losses on the mortgages receivable. The evaluation of the adequacy of the allowance for mortgages receivable is based on estimates that are susceptible to significant changes in the economic environment and market conditions. In connection with the determination of the estimated losses on mortgages receivables, management may utilize market conditions, sales of comparables and independent appraisals.

(r) **Subsequent Events**

In preparing these financial statements, the Organization has evaluated subsequent events and transactions for potential recognition and disclosure through September 28, 2018, which is the date the financial statements were available to be issued.

(2) Mortgages Receivable

Mortgages receivable consist entirely of non-interest bearing first mortgage notes secured by residential real estate payable in monthly installments with maturities ranging from twenty to thirty years. These mortgages are originated through the Organization's home building program. The amounts presented in the statement of financial position are net of unamortized discounts arising from imputed interest as follows:

	2018	2017
First mortgages receivable (remaining face value)	\$ 6,373,340	6,439,033
Less: unamortized discounts (2-12% imputed interest)	(2,069,596)	(2,109,485)
	\$ 4,303,744	4,329,548

Management feels no provision for mortgage receivable losses is required because the Organization is a secured creditor and the fair market value of the homes is in excess of the related mortgage balance. In the event of foreclosure, management believes that the only costs the Organization is likely to incur would be legal and rehab expenses to prepare the property for a new homeowner. These costs are uncertain and are dependent on a future event; as such no amount has been reflected in these financial statements for such a contingency. These mortgages receivable relate entirely to single family residential properties in Seminole and Orange Counties, Florida. At June 30, 2018, the principal balances due on the mortgages were scheduled to be received as follows:

Year Ended June 30,	Mortgage Payment
2019	\$ 197,238
2020	204,731
2021	211,653
2022	216,378
2023	218,842

(6) Transactions With Habitat International

The Organization remits a portion of its revenues to Habitat International. These funds are used to construct homes in economically depressed areas around the world, and therefore these amounts are included in the Organization's program services in the accompanying statements of activities. For the years ended June 30, 2018 and 2017, the Organization contributed \$6,000 and \$8,400, respectively. During the years ended June 30, 2018 and 2017, the Organization contributed \$15,000 to the Habitat International Stewardship and Sustainability Initiative (SOSI) each year. Additionally, the Organization is a member of the Habitat ReStore Association and pays a percentage of ReStore fees to Habitat International. For the years ended June 30, 2018 and 2017, the Organization paid ReStore Association fees of \$5,400 and \$5,500, respectively.

(7) Operating Lease Commitments

The Organization leases its administrative office, a restore, a vehicle and office equipment under non-cancelable operating leases. Rental expense under this lease amounted to approximately \$160,000 for the year ended June 30, 2018. The following is a schedule by years of future minimum rentals under the leases:

<u>Year Ended June 30,</u>

**Independent Auditor’s Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial
Statements Performed in Accordance with *Government Auditing Standards***

To the Board of Directors
Habitat for Humanity in Seminole County
and Greater Apopka, Florida, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Habitat for Humanity in Seminole County and Greater Apopka, Florida, Inc., which comprise the statement of financial position as of June 30, 2018 and 2017, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 28, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Habitat for Humanity in Seminole County and Greater Apopka, Florida, Inc.’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Habitat for Humanity in Seminole County and Greater Apopka, Florida, Inc.’s internal control. Accordingly, we do not express an opinion on the effectiveness of Habitat for Humanity in Seminole County and Greater Apopka, Florida, Inc.’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization’s financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Habitat for Humanity in Seminole County and Greater Apopka, Florida, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
