III Statement of Program Service Accomplishments

Check if Schedule O contains a response to any question in this Part III

Briefly describe the organization's mission:

To create partnerships with impoverished Bolivian communities that improve health and increase economic well-being.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

If "Yes," describe these changes on Schedule O.

4 Describe the exempt purpose achievements for each of the organization's three largest program services by expenses. Section 501(c)(3) and 501(c)(4) organizations and section 4947(a)(1) trusts are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 683,110 including grants of \$) (Revenue \$)

Mano A Mano's Twin Cities volunteers seek donations of surplus medical supplies and equipment from health care providers in Minnesota. Volunteers pick up these items, then pack and prepare them for shipment. The number of shipments per year varies.

4b (Code:) (Expenses \$ 166,215 including grants of \$) (Revenue \$)

Mano A Mano has developed and implemented a successful low-cost, community oriented approach to constructing and operating acute care/public health education clinics in previously un-served rural communities. Capital projects are extremely difficult to fund in Bolivia, since communities and organizations can rarely accumulate sufficient funds at one point to cover construction costs as mortgages are not available. By providing a means to establish a clinic, Mano A Mano plants the seed required to sustain health care, health education and family planning within a village. Its clinics become the community center through which serious community issues can be addressed.

4c (Code:) (Expenses \$ 290,877 including grants of \$) (Revenue \$)

Environmental health/basic services, schools and teacher housing through health education groups offered by their clinics, residents of these communities learn that lack of clean drinking water and absence of sanitation facilities create risks to public health. Water and sanitation projects have substantial impact on community health status by reducing the incidence of communicable diseases. Community sanitation projects involve construction of public bathrooms and showers near the community school. School personnel, working with clinic staff, and health promoters take responsibility for teaching both children and adults the importance of using these facilities.

4d Other program services. (Describe in Schedule O.)

(Expenses \$ including grants of \$) (Revenue \$)

4e Total program service expenses ▶ 1,140,202
