HONORED LCAR WITH A
\$5,000 GRANT!**

Linn County Board Of Commissioners.

Bonnie O, Richard L, and Sgt. Lawler (LCSSO) did a presentation about LCAR to the 3 Linn County Commissioners. The purpose was to explain the accomplishments as well as the needs of the equine rescue. There was a good exchange of questions and answers. For more information about the presentation please check the article in the Albany Democrat-Herald April 20th. Thank you to Commissioners Roger Nyquist, John Linsey, and Will Tucker.

Optimus Club

On April 18th, Richard Little honored LCAR by doing a presentation to the well known Service club. Community involvement is very important for the success of a non profit like LCAR. The more understanding of the operations of the rescue, the better we are able to address the needs of the horses and the community.
