## **Independent Accountants' Review Report**

To the Board of Directors  
THE BEE FOUNDATION  
Wayne, Pennsylvania

We have reviewed the accompanying financial statements of The Bee Foundation (a nonprofit organization), which comprise the Statement of Financial Position as of December 31, 2019, and the related Statement of Activities, Statement of Functional Expenses and the Statement of Cash Flows – Indirect Method for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

### **Accountant's Responsibility**

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

### **Accountant's Conclusion**

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

**Note 1: Organization and Basis of Presentation*****Organization***

*The Bee Foundation* (the “Organization”) is a Pennsylvania not-for-profit organization formed to raise awareness of brain aneurysms and funding for innovative research that changes lives. The Bee Foundation was organized in the Commonwealth of Pennsylvania in 2014 and is operated exclusively for not-for-profit purposes. The Organization is supported primarily through fundraising and contributions.

***Classes of Net Assets***

The financial statements report amounts separately by class of net assets.

- (a) Without Donor Restrictions amounts are those currently available at the discretion of the board for use in The Bee Foundation’s operations.
- (b) With Donor Restrictions amounts are those, which are stipulated by the Board for specific operating purposes on a temporary or permanent basis.

At December 31, 2019, there were no net assets with donor restrictions.

**Note 2: Summary of Significant Accounting Policies*****Cash and Cash Equivalents***

The Bee Foundation considers all cash on hand and in banks to be cash equivalents.

***Use of Estimates***

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

***Concentration of Credit Risk***

Occasionally, during the year, cash balances may exceed the Standard Maximum Deposit Insurance Amount (SMDIA) of \$250,000 per depositor, at each separately chartered depository institution. The Bee Foundation has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk.

***Concentration of Revenue Sources***

The Bee Foundation’s revenue is derived primarily through fundraising and contributions. For the year ended December 31, 2019, the Organization generated 62.9% of its revenue from fundraising and 36.9% of its revenue from contributions.

***Functional Allocation of Expenses***

The Statements of Activities and Changes in Net Assets report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and related benefits, office expenses, communications and technological services. All of the foregoing expenses listed in the previous sentence are allocated based upon hours spent and expenses incurred in each program or supporting function.

***Fair Value of Financial Instruments***

Cash, pledged contributions receivable and accrued expenses are reflected in the financial statements at carrying value which approximates fair value because of the short-term nature of these instruments.

These financial assets and liabilities have been classified as Level 1, 2 or 3 within the fair value hierarchy as described in the accounting standards for fair value measurements.

Level 1: Quoted market prices in active markets for identical assets or liabilities.

Level 2: Observable market based inputs or unobservable inputs that are corroborated by market data.

Level 3: Unobservable inputs that are not corroborated by market data.

	<u>Level 1</u>
Cash and Cash Equivalents	\$137,462
Pledged Contributions Receivable – Net	13,322
Security Deposit	3,150
Accounts Payable	11,157

There were no Level 2 or Level 3 financial instruments at December 31, 2019.

***Income Taxes***

The Bee Foundation is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made in the accompanying financial statements. The Organization is not a private foundation.

***Method of Accounting***

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America and in accordance with FASB ASC 958, *Not-For-Profit Entities*. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions.

***Donated Services***

No amounts have been reflected in the statements for donated volunteer services because the criteria for recognition under generally accepted accounting principles have not been satisfied. However, a substantial number of volunteers have donated significant amounts of their time to develop The Bee Foundation's programs and fundraising events.

***Contributions Receivable***

Contributions and other receivables approximate fair value. Management considers all amounts to be fully collectible. Accordingly, an allowance for doubtful accounts has not been established.

***Revenue Recognition***

Donations and fundraising proceeds are recognized as revenue when earned and are without donor restrictions.

**Note 3: Liquidity and Availability of Financial Assets**

The following reflects The Bee Foundation's financial assets as of the statement of financial position date, reduced by amounts not available for general use within one year of the statement of financial position date.

Total Assets	\$ 153,934
Less: Security Deposit	<u>3,150</u>
Financial Assets available within one year	<u>\$ 150,784</u>

The Organization manages its financial assets to be available as its operating expenditures, liabilities, and other obligations come due.

**Note 4: Supplemental Disclosures to the Statement of Cash Flows – Indirect Method**

The following schedule provides additional information concerning cash paid for interest and income taxes for the year ended December 31,

	<u>2019</u>
Interest Paid	<u>\$ -0-</u>
Income Taxes Paid	<u>\$ -0-</u>

**Note 5: Evaluation of Subsequent Events**

The Bee Foundation has evaluated subsequent events, through July 24, 2021, the date which the financial statements were available to be issued. There are no subsequent events, including those related to COVID-19, requiring modification to the amounts and disclosures reported in the financial statements for the period December 31, 2019 in

conformity with accounting principles generally accepted in the United States of America.
