INDEPENDENT AUDITOR'S REPORT

Board of Directors
United Methodist Youth Home, Inc.

Opinion

We have audited the accompanying financial statements of United Methodist Youth Home, Inc. (a nonprofit organization) which comprise the statement of financial position as of December 31, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Methodist Youth Home, Inc. as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Methodist Youth Home, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Methodist Youth Home, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Methodist Youth Home, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Methodist Youth Home, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Timothy J Ott CPA PC

**UNITED METHODIST YOUTH HOME, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022**

NOTE 1- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

The United Methodist Youth Home, Inc.(the “Organization) is a nonprofit organization. The Organization is a faith based non-profit agency that strives to help at-risk youth become responsible and productive members of the community. The Organization operated the following programs:

Residential Treatment Program, which currently operates a licensed group home for girls ages 10-21 and a licensed group home for boys ages 10 to 21. Resident programming focused on developing pro-social behavior, personal responsibility, educational achievement, and independent living skills training. Residents are usually placed at the Organization with the goal of reunification with parents or relatives, emancipation, or placement in a foster home or other less restrictive environment. This program also provides aftercare services to the youth for up to six months post-discharge.

Day Education Program, which works with youth who have either dropped out of school, who are having adjusting socially or academically in school, who have been suspended or expelled from school, or who need a more intensive and structured program. The program includes intensive preparation for the high school equivalency exam. The youth also participate in a daily cognitive skills group on topics such as self-esteem, problem solving, anger management, healthy lifestyles, and independent living.

Truancy Intervention Program is a program to prevent youth from dropping out of school, increase the youth’s school attendance, and improve the youth’s overall academic performance. The program assesses both the youth and the family to determine the obstacles to school attendance, The program works with the youth and the family to put appropriate interventions in place to overcome the obstacles, resulting in improvements of academic performance.

Basis of Accounting

The accompanying financial statements are presented on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to two classifications of net assets: net assets without donor restrictions and net assets with donor restrictions.

Net Assets without Donor Restrictions- These net assets generally result from revenues generated by receiving contributions that have no donor restrictions, providing services, and receiving interest from operating investments, less expenses incurred in providing program related services, raising contributions, and performing administrative functions.

Net Assets with Donor Restrictions- These net assets result from gifts of cash and other assets that are received with donor stipulations that limit the use of the donated assets, either temporarily or permanently, until the donor restriction expires, that is until the stipulated time restriction ends, or the purpose of the restriction is accomplished, the net assets are restricted.

**UNITED METHODIST YOUTH HOME, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022**

Federal Income Taxes

The Organization is exempt from income taxes as a non-profit corporation under Section 501(c)(3) of the Internal Revenue Code, except on net income derived from unrelated business activities. The Organization believes that it has support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Organization considers all investments with a maturity of three months or less at the date of purchase to be cash equivalents. Accounts at each institution are insured by the FDIC up to \$250,000. At December 31, 2023 and 2022, the Organization had \$0 and \$337,729, respectively in excess of the FDIC limit.

Government Service Revenue Receivable

Government service revenue receivable consist of noninterest-bearing amounts for residential, day treatment and truancy services. The allowance for uncollectible accounts is determined based on historical experience and a review of subsequent receipts. Government service revenue receivable are written off when deemed uncollectible. At December 31, 2023 and 2022, management determined no allowance for uncollectible amounts is necessary. 100% of the government service revenue receivable is due from three agencies of the State of Indiana.

Property and Equipment

The Organization follows the practice of capitalizing all expenditures in excess of \$2,500 for property and equipment at cost; the fair market value of donated assets is similarly capitalized. Depreciation is provided over the estimated useful lives of the respective assets on a straight-line basis. Maintenance and repairs are charged to expense as incurred; major improvements are capitalized.

The Organization reviews the carrying values of property and equipment for impairment whenever events or circumstances indicate that the carrying value of an assets may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent the carrying value exceeds the fair value of the asset. The Organization has determined that no long-lived assets were impaired during the years ended December 31, 2023 and 2022.

Beneficial Interests in Charitable Trusts Held by Others

The Organization has been named as a beneficiary of a charitable trust held and administered by an independent trustee. This trust was created independently by a donor and is administered by an outside agent designated by the donor. Therefore, the Organization have neither possession nor control over the assets of the trust. At the date, the Organization received notice of a beneficial interest, a contribution with donor restrictions is recorded in the Statements of Activities, and a beneficial interest in charitable trusts held by others is recorded in the Statements of Financial Position at fair value using the underlying value of the assets held. Therefore, beneficial interests in the trusts are reported at fair value in the Statements of Financial Position, with changes in fair value recognized in the Statements of Activities.

**UNITED METHODIST YOUTH HOME, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022**

Investments

Purchased investments are recorded at cost or if donated, fair value at the date of donation. Thereafter, investments are reported at their fair values in the Statements of Financial Position. Net investment return (loss) is reported in the Statements of Activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external investment expenses.

Government Service Revenue

Revenue is recognized when earned. The Organization receives government service revenue through periodic receipts of funds claimed by monthly filings with the respective funding sources. At December 31, 2023 and 2022 representing 51% and 82% of revenues, respectively, receives revenues from the following governmental sources:

The *Indiana Department of Child Services (IDCS)* agreement to provide residential treatment is effective until December 31, 2024. The award amount is determined monthly by the number of residents of the Organization served multiplied by the established per diem rates and counseling hours provided to the residents and their families.

The *Indiana Department of Education (IDOE)* agreement operates on a June 30th fiscal year. The Organization has a permanent agreement with the IDOE. The award amount is determined monthly by the number of meals the Organization serves to children multiplied by the established reimbursement rates.

The *Indiana Department of Child Services (IDCS)* agreement to provide day treatment and truancy intervention services is effective until June 30, 2025. The award amount is determined monthly by the number of youths the Organization served multiplied by established per diem rates.

Contributions

Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notifications of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met. Contributions received with restrictions that are met in the same reporting period and conditional contributions for which the conditions and restrictions are met in the same period are reported as with donor restrictions and then released from restrictions. The Organization received 63% of its support and revenue from one donor for the year ended December 31, 2023.

Donated Services

Volunteers contribute significant amounts of time to the program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet the recognition criteria prescribed by generally accepted accounting principles. Contributed goods are recorded at the fair value at the date of donation. No significant contributions of such goods and services were received during the years ended December 31, 2023 and 2022, respectively.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

The costs of providing the various programs and supporting activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, costs have been allocated among the program and services benefited. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Expenses have been classified based on the actual direct expenditures and cost allocation based on the square footage of each building or department and the current student census in each particular program unless the expense is specified. Expenses allocated include insurance-general, utilities and office supplies.

Unemployment Compensation

The Organization has elected to finance unemployment compensation benefits under a reimbursement method whereby the Organization is billed for actual benefits paid.

Risks and Uncertainties

The Organization invests or holds a variety of investment vehicles, including stocks and corporate bonds. These investments are exposed to interest rate, market, credit, and other risks depending upon the nature of the investment. Accordingly, it is reasonably possible that these factors will result in changes in the value of the Organization's investments, which could materially affect amounts reported in the financial statements. Investments held by a broker in customer accounts are protected against physical loss and theft by the Securities Investor Protection Corporation (SIPC).

Recently Issued Accounting Pronouncements

In September of 2020, the FASB issued ASU 2020-07, *Presentation and Disclosures by Not-for-Profit entities for Contributed Nonfinancial Assets*, requiring entities to present contributed nonfinancial assets as a separate line item in the statement of activities apart from contributions of cash or other financial assets. The standard also increases the disclosure requirements around contributed nonfinancial assets, including disaggregating by category the types of contributed nonfinancial assets an entity has received. The new standard is effective for annual reporting periods beginning after June 15, 2021. Retrospective application is required. The new standard requires that contributed nonfinancial assets are presented separately in the statement of activities. New disclosures are also required to disaggregate contributed nonfinancial assets by category type and other qualitative information about utilization, policies, and valuation techniques. The adoption of the ASU, applied on a retroactive basis, did not have a material effect on the Organization's financial statements.

Leases

In June 2018, the FASB issued ASU 2016-02, *Leases* (Topic 842). Under the new guidance, a lessee will be required to recognize assets and liabilities for leases with lease terms of more than 12 months. Consistent with current GAAP, the recognition, measurement, and presentation of expenses and cash flows arising from the lease by a lease primarily will depend on its classification as a finance or operating lease. However, unlike current GAAP- which requires only capital leases to be recognized on the statement of financial position- the new ASU will require both types of leases to be recognized on the statement of financial position. ASU 2016-02 is effective for fiscal years beginning after December 15, 2021. The adoption of the ASU did not have a material effect on the financial statements as the Organization did not have material leases during the years ended December 31, 2023 and 2022, respectively.

NOTE 2- EMPLOYEE RETENTION TAX CREDIT

As part of the Coronavirus Aid, Relief and Economic Stabilization Act (the “CARES” Act), employers are provided the Employee Retention Credit (“ERTC”). The ERTC is a benefit provided through payroll tax credits to encourage maintaining employee headcounts throughout the Coronavirus pandemic. The Organization is treating the ERTC as a conditional grant and revenue is recognized when the conditions are substantially met. During the year ended December 31, 2022, the Organization met the conditions required by the ERTC and recognized grant revenue of \$180,455 which is reflected as Employee Retention Tax Credit in the accompanying statement of activities.

NOTE 3- SIMPLE RETIREMENT PLAN

The Organization adopted a Simple IRA retirement plan. The Organization contributes a matching contribution up to 3% of the employee’s annual salary. The Organization’s contributions to a plan were \$18,866 and \$15,644 for the years ending December 31, 2023 and 2022, respectively.

NOTE 4- RELATED PARTY TRANSACTIONS

The Organization is affiliated with the United Methodist Church, and the majority of the Organization’s board members are members of local United Methodist Churches. The Organization periodically receives donations from local United Methodist Churches, which are recorded as public support on the financial statements.

NOTE 5- BENEFICIAL INTEREST IN REMAINDER TRUST

The Organization has been named a secondary beneficiary in a charitable remainder trust administered by an outside party. The primary beneficiary will receive all income distributions until death. Upon death of the primary beneficiary, the Organization will become the primary beneficiary of the trust’s assets.

Beneficial interest in remainder trust was \$425,037 and \$367,850 at December 31, 2023 and 2022, respectively.

**UNITED METHODIST YOUTH HOME, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022**

NOTE 6- LINE OF CREDIT

The Organization has available a \$250,000 line of credit for general operating purposes. The line is payable upon demand with interest payable monthly at the prime rate plus .5%. Collateral of all assets of the Organization. The balance was \$0 and \$0 at December 31, 2023 and 2022, respectively.

NOTE 7 ENDOWMENT

At December 31, 2023 and 2022, the Organization has endowment fund which consists of cash and investments restricted for endowment by donors of \$822,204 and \$779,767, respectively. The Organization does not have a policy for making appropriation for expenditures from the endowment fund.

The Organization's governing body has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary.

As a result of this interpretation, the Organization classifies donor-restricted endowment funds as net assets with donor restrictions until those amounts are appropriated for expenditure for Organization in a matter consistent with the standard of prudence prescribed by SPMIFA. In accordance with SPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: 1) the duration and preservation of the various funds, 2) the purposes of the donor restricted endowment funds, 3) general economic conditions, 4) the possible effect of inflation and deflation, 5) the expected total return from income and the appreciation of investments, 6) other resources of the Organization, and 7) the Organization's investment policies.

The Organization has adopted investment policies for endowment assets that attempt to provide a predictable stream of funding to programs and other items supported by its endowment while seeking to maintain the purchasing power of the endowments.

**UNITED METHODIST YOUTH HOME, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022**

NOTE 11- LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the Statement of Financial Position date, comprise the following:

	2023	2022
Cash and Cash Equivalents	\$ 1,119,998	\$ 862,732
Government Service Revenue Receivable	267,877	257,606
Investments- Board Designated Endowment	2,068,642	1,955,261
Investments- unrestricted	<u>2,169,898</u>	<u>1,392,205</u>
	<u>\$ 5,626,415</u>	<u>\$ 4,467,804</u>

The endowment fund consist of donor-restricted endowments. Income from donor restricted endowments is available for general use.

The Organization’s goal is to have three months of average reoccurring operating costs. As part of its liquidity plan, the Organization has a policy to structure its financial assets to be available as general expenditures, liabilities, and other obligations become due.

NOTE 12- SUBSEQUENT EVENTS

The Organization has evaluated subsequent events and transactions through June 25, 2024, the date the financial statements were available to be issued.
