## INDEPENDENT AUDITORS' REPORT

Board of Directors  
Pine Castle, Inc.  
Jacksonville, Florida

We have audited the accompanying financial statements of Pine Castle, Inc. (a non-profit organization), which comprise the statement of financial position as of September 30, 2016 and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pine Castle, Inc. as of September 30, 2016, and the changes in their net assets and their cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated January 6, 2017, on our consideration of Pine Castle, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Pine Castle, Inc.'s internal control over financial reporting and compliance.

***Report on Summarized Comparative Information***

We have previously audited Pine Castle, Inc.'s 2015 financial statements, and our report dated January 6, 2016 expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2015, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTES TO FINANCIAL STATEMENTS

September 30, 2016

1. NATURE OF ORGANIZATION:

Pine Castle, Inc. (the "Organization") is a nonprofit corporation located in Jacksonville, Florida, and has served the needs of people with disabilities since 1952. Pine Castle, Inc.'s mission is to promote the general welfare of intellectually and developmentally disabled adults and to provide employment, housing, job skills training, social programs, life skills training and athletics for persons with intellectual disabilities. The Organization's support comes primarily from the State of Florida, sales of items and services from its workshops, and contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The financial statements of the Organization have been prepared using the accrual basis of accounting and accordingly, reflect all significant receivables, payables, and other liabilities.

Basis of Presentation

In accordance with FASB ASC 958, the Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

*Unrestricted Net Assets* - Net assets representing resources generated from operations that are not subject to donor-imposed stipulations.

*Temporarily Restricted Net Assets* - Net assets that are subject to donor-imposed stipulations that will be met by actions of the Organization and/or the passage of time.

*Permanently Restricted Net Assets* - Net assets subject to donor-imposed stipulations that must be maintained permanently by the Organization.

Restricted and Unrestricted Revenue

Contributions received are recorded as increases in unrestricted, temporarily restricted, or permanently restricted net assets, depending on the existence and/or nature of any donor restrictions.

PINE CASTLE, INC.

NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Use of Estimates in the Preparation of Financial Statements

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all cash and certificates of deposit with an initial maturity of three months or less to be cash equivalents.

Allowance for Doubtful Accounts

No allowance has been provided for anticipated losses on doubtful accounts receivable from fees, grants and contracts. Accounts receivable are charged off in the period in which they are determined to be uncollectible, which, in the opinion of management, approximates the allowance method of accounting for bad debts. As described in Note 6, an allowance for doubtful accounts has been established for pledges receivable.

Property, Plant and Equipment

The Organization capitalizes all expenditures for property and equipment in excess of \$1,000. Purchased property and equipment are carried at historical cost or estimated historical cost if actual historical cost is not available. Depreciation is computed using the straight line method over the estimated useful lives of furniture and equipment (ranging from 2 to 50 years).

Donations of property and equipment are recorded as contributions at their estimated fair value at the date of donation. Such donations are reported as increases in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time.

PINE CASTLE, INC.

NOTES TO FINANCIAL STATEMENTS

September 30, 2016

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Inventory

Inventory is valued at the lower of cost or market as determined by the first-in/first-out (FIFO) basis. Major classes of inventory include materials for assembly and finished goods in the woodshop, mop shop, and drug and alcohol testing devices.

Investments

Investments consist of certificates of deposit, corporate and government bonds, and mutual funds carried at fair market value. Donated investments are initially recorded at their market value at the time of the donation.

Investments Held by Others

The financial statements are presented in accordance with FASB ASC 958-605, *Transfers of Assets to a Not-For-Profit Organization or Charitable Trust that Raises or Holds Contributions for Others*. This requires that endowment funds transferred to a community foundation by a not-for-profit organization, where the organization will be the beneficiary of that fund, referred to as agency endowments, be accounted for by the community foundation as a liability. The not-for-profit presents the endowment as an asset.

In-Kind Contributions

Donated materials are recorded as contributions at their estimated fair values at the date of donation. Donated services are recognized as contributions in accordance with FASB ASC 958-10, *Accounting for Contributions Received and Contributions Made*, if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased. Many individuals volunteer their time and perform a variety of tasks that assist the Organization with administrative and fund raising functions.

Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Reclassifications

Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Income Tax Status

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code, except on net income derived from unrelated business activities. The Organization occasionally leases its facilities, which provides income that may be subject to unrelated business income tax if the income exceeds related expenses. The Organization is not a private foundation. Management evaluated the Organization's tax positions and concluded that the Organization had maintained its exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. No provision or liability for income taxes has been included in the financial statements. The Organization's Forms 990, *Return of Organization Exempt from Income Tax*, and Forms 990-T are subject to examination by the IRS, generally for 3 years after they were filed.

Fair values of Financial Instruments

Generally accepted accounting principles require certain financial instruments to be recorded at fair value. Changes in methods of estimation could affect the fair value estimates; however, such changes are not expected to have a material impact on the organization's financial position, activities or cash flows. Cost approximates fair value for certain other investments, short-term debt, and cash equivalents.

Grant and Contract Revenue and Support

The Organization receives funding from government agencies. Any of the funding sources may, at its discretion, request reimbursement for expenses or return of funds, or both, as a result of non-compliance by the Organization with the terms of the grants/contracts. Government granting agencies may have a reversionary interest in any equipment purchased with funds provided by grants.

Intangible Assets

Capitalized loan costs of \$1,848 are being amortized over a 10 year period on a straight line basis.

3. CASH AND CASH EQUIVALENTS:

The cash balances reflected on the statement of financial position include amounts that are subject to donor-imposed restrictions that will be met either by actions of the Organization or the passage of time. For the year ended September 30, 2016, the restricted cash amount was \$49,274.

The organization is required to hold City of Jacksonville funds in a separate account.

4. PROPERTY AND EQUIPMENT:

As of September 30, 2016 property and equipment consists of:

Land	\$ 295,897
Buildings & improvements	6,550,797
Track & field improvements	347,291
Vehicles	226,875
Furniture & equipment	<u>445,808</u>
	7,866,668
Less accumulated depreciation	<u>(3,345,503)</u>
	<u>\$ 4,521,165</u>

5. FAIR VALUE MEASUREMENTS AND INVESTMENTS:

Investments in debt and equity securities that have readily determinable fair values are stated at fair value in the statement of financial position and increases and decreases in fair values are included in the statement of activities. FASB ASC 820, Fair Value Measurements provides a single definition of fair value and established a three-tier hierarchy, which prioritizes the input used in measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices in active markets within Level 1 that are either directly or indirectly observable.

Level 3 - Significant unobservable inputs for the asset or liability in which little or no market data exists.

5. FAIR VALUE MEASUREMENTS AND INVESTMENTS (continued):

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value.

If available, quoted market prices are used to value investments. Equities are valued at the closing price reported on the major market on which the individual securities are traded. Mutual funds are valued at the net asset value of shares held. The net asset value is based on the value of the underlying assets owned by the mutual fund, minus its liabilities, and then divided by the number of shares outstanding. Assets held by the Community Foundation for Northeast Florida are stated at values determined by the community foundation.

10. ENDOWMENT FUNDS:

The Albert and Viola Kissling Endowment Fund, the Pine Castle Endowment Fund, and the Ralph and Elizabeth Mundell Endowment Fund I were created at the Community Foundation for Northeast Florida to ensure the perpetuation of residential services to developmentally disabled clients of the organization and to support general operations. The Community Foundation maintains variance power and legal ownership of these endowment funds, and accounts for the funds as agency endowments, recording a corresponding liability for the fair value of the funds. The Organization includes the endowment fund as permanently restricted assets. Net income from the endowment funds is paid and distributed to the Organization as determined by the Foundation and the Organization. Net income may be accumulated, reinvested, and subsequently paid to the Organization for the endowment fund purposes upon request of the Board of Directors of Pine Castle, Inc. The endowment funds totaled \$143,857 as of September 30, 2016.

During the fiscal year ending September 30, 2009 the Organization received funds as a remainder beneficiary to establish a second Ralph Paul Mundell and Elizabeth Marie Mundell Endowment Fund, the corpus of which is to remain intact and the income of which shall be used to support the charitable activities of Pine Castle, Inc. This investment totaled \$683,747 as of September 30, 2016 of which \$646,155 was the amount of the permanent endowment.

Pine Castle follows the Florida Uniform Prudent Management of Institutional Funds Act (UPMIFA) in managing its endowments. The investment objectives of the Permanent Endowment Fund are to: (a) achieve returns in excess of the rate of inflation over the investment horizon in order to preserve purchasing power of account assets while controlling risk, and (b) to emphasize long-term growth of principal while avoiding excessive risk. The spending policy allows up to 5.0% of a twelve quarter trailing average of fair market value.

The activity in the Mundell endowment fund is as follows:

Beginning balance, endowment funds	\$ 662,911
Interest and dividends	13,384
Unrealized gain	41,627
Amounts appropriated for expenditure	<u>(34,175)</u>
Ending balance, endowment funds	<u>\$ 683,747</u>

11. DONATIONS IN-KIND:

A substantial number of individuals and organizations have made significant contributions of time, expertise and materials during the current year to support and promote the Organization's programs. These donations have been recorded at their fair market value (approximately \$23,701 in 2016) as contributions and expenses in the statement of activities.

The Organization also receives donated services from a variety of unpaid volunteers who make significant contributions of their time in conjunction with programs and services. No amounts have been recognized for these services in the accompanying statement of activities because the accounting criteria for recognition of such volunteer effort as contributed services has not been satisfied.

12. RETIREMENT PLAN:

The Organization sponsors a 403(b) defined contribution retirement plan covering substantially all of its employees. Under the plan, employees may contribute an amount not to exceed the limit imposed by the Internal Revenue Service. The Organization contributed elective contributions of 3% of each eligible employee's compensation to the plan for fiscal year ended September 30, 2016. The Organization's contributions under this plan totaled \$60,998 for the year ended September 30, 2016.

13. CONCENTRATIONS:

Revenue provided from one source accounted for approximately 48% of gross revenues and 70% of receivables for the year ended September 30, 2016.

The organization maintains accounts in several FDIC and NCUA insured institutions. Deposits in one bank exceeded the depository insurance limit as of September 30, 2016 by \$39,460.

14. PRIOR YEAR FINANCIAL INFORMATION:

These financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended September 30, 2015, from which the summarized information was derived.

15. BOARD DESIGNATED FUNDS:

The Board of Directors of Pine Castle, Inc. has designated \$975,758 from an investment account as a cash reserve held for long-term purposes.

16. SUBSEQUENT EVENTS:

In preparing these financial statements, the Organization evaluated events and transactions for potential recognition or disclosure through January 6, 2017, the date the financial statements were available to be issued. No material subsequent events have occurred since September 30, 2016 that would require recognition or disclosure in the financial statements.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND  
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS

To the Board of Directors  
Pine Castle, Inc.  
Jacksonville, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Pine Castle, Inc. (a nonprofit organization), which comprise the statement of financial position as of September 30, 2016, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 6, 2017.

***Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered Pine Castle, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Pine Castle, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### ***Compliance and Other Matters***

As part of obtaining reasonable assurance about whether Pine Castle, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### ***Purpose of this Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTARY INFORMATION

To the Board of Directors  
Pine Castle, Inc.  
Jacksonville, Florida

We have audited the financial statements of Pine Castle, Inc. as of and for the year ended September 30, 2016, and have issued our report thereon dated January 6, 2017, which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The schedule of the Source and Status of Funds Received from the City of Jacksonville, Florida is presented for the purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

This report is intended solely for the information and use of the board of directors, management and the City of Jacksonville and is not intended to be and should not be used by anyone other than these specified parties.
