INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors of
Acorn Acres Wildlife Rehabilitation
Millersville, Pennsylvania

We have reviewed the accompanying financial statement of Acorn Acres Wildlife Rehabilitation (a nonprofit organization), which comprises the statement of cash receipts and disbursements as of December 31, 2022, and the related notes to the financial statement. A review includes primarily applying analytical procedures to management's financial data and making inquiries of entity management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statement as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the cash basis of accounting; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statement for it to be in accordance with the cash basis of accounting. The procedures we performed were based on professional judgment and consisted primarily of analytical procedures and inquiries. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of Acorn Acres Wildlife Rehabilitation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our review.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statement in order for it to be in accordance with the cash basis of accounting.

Members of the American and Pennsylvania Institutes of CPAs

Basis of Accounting

We draw attention to Note 1 of the financial statement, which describes the basis of accounting. The financial statement is prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our conclusion is not modified with respect to this matter.

ACORN ACRES WILDLIFE REHABILITATION

Notes to Financial Statement
For the Year Ended December 31, 2022

NOTE 1 NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities:

Acorn Acres Wildlife Rehabilitation (the Organization) exists for the purpose of providing care for injured wildlife, specifically squirrels, bunnies and woodchucks, through rehabilitation. The Organization's significant activities include providing wildlife rehabilitation and education on Pennsylvania wildlife to the community. The Organization is primarily supported through the contributions of private individuals.

Basis of Accounting:

The Organization prepares its financial statement on the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Under this basis, the only asset recognized is cash and cash equivalents, and no liabilities are recognized. All transactions are recognized as either cash receipts or disbursements. Noncash transactions are not recognized in the financial statement.

Basis of Presentation:

Financial statement presentation follows the *Not-for-Profit Entities* topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) which requires the Organization to report information regarding its financial activities according to two classes of cash: cash and cash equivalents without donor restrictions and cash and cash equivalents with donor restrictions. The Organization had no cash and cash equivalents with donor restrictions.

Contributions:

Contributions received are recorded as increases in cash and cash equivalents with donor restrictions or without donor restrictions, depending on the existence and/or nature of any donor restrictions.

All donor-restricted contributions are reported as cash and cash equivalents with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), cash and cash equivalents with donor restrictions is reclassified to cash and cash equivalents without donor restrictions and reported in the Statement of Cash Receipts and Disbursements as cash and cash equivalents released from restrictions. The Organization had no cash and cash equivalents with donor restrictions.

Program Income:

The Organization presents programs to educate the community on the importance of the care of wildlife and conducts summer camps for children to learn about wildlife and the environment. Fees for this community service are recorded as program income.

Taxation:

The Organization is exempt from federal income tax as provided by Code Section 501(c)(3) of the Internal Revenue Code. Accordingly, no income tax is incurred unless the Organization earns income considered to be unrelated business income. No income tax was incurred for the year ended December 31, 2022.

Management evaluated the tax positions taken and concluded that the Organization had taken no uncertain tax positions that require recognition or disclosure in the financial statement. With few exceptions, the Organization is no longer subject to income tax examinations by the U.S. federal, state or local tax authorities for years before December 31, 2019.

Cash and Cash Equivalents:

For the purpose of the Statement of Cash Receipts and Disbursements, cash and cash equivalents include all highly liquid investments with an initial maturity of three months or less.

ACORN ACRES WILDLIFE REHABILITATION

Notes to Financial Statement
For the Year Ended December 31, 2022

NOTE 2 AVAILABILITY AND LIQUIDITY

The following represents the Organization's financial assets at December 31, 2022:

Financial Assets:	
Cash and Cash Equivalents	<u>\$ 3,280</u>
Total Financial Assets	<u>3,280</u>
Financial Assets Available to Meet Expenses Over the Next Period	<u>\$ 3,280</u>

The Organization's plan is generally to maintain financial assets to meet 90 days of operating expenses.

NOTE 3 OPERATIONS

The continuation of the Organization's operations is usually assumed in financial accounting in the absence of evidence to the contrary. However, an operation which depends primarily on contributions is always subject to the uncertainty as to amounts of future support.

NOTE 4 ADVERTISING

The Organization expenses advertising costs as incurred. Advertising costs were \$4,731 for the year ended December 31, 2022.

NOTE 5 RELATED PARTY

The Organization's Board President paid for \$2,692 of promotional fundraising items used as donor gifts for the year ended December 31, 2021. This liability has not been recorded in the December 31, 2022 financial statement since the Organization uses the cash basis of accounting. However, the Organization will repay this expense in a future period.

NOTE 6 CONCENTRATION OF CREDIT RISK

The Organization maintains its bank deposits in local financial institutions. The balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 at each institution. The Organization's bank balances may periodically exceed these limits, which management considers to be a normal business risk. There were no amounts in excess of the FDIC limit as of December 31, 2022.

NOTE 7 COMMITMENTS AND CONTINGENCIES

The Organization has been operating in an environment that has been economically impacted by the COVID-19 pandemic. The future impact of the pandemic on the Organization is not known as of the release of this financial statement. However, management is monitoring the current conditions and their potential impact.

NOTE 8 SUBSEQUENT EVENTS

Subsequent events have been evaluated through June 23, 2023, which is the date the financial statement was available to be issued.
