

## PILLARS OF APNET

### NETWORKING

Connect with dynamic professionals: We provide unique opportunities to build business and professional relationships.

### BUSINESS

Promote entrepreneurship and workforce development: We provide members with personal and professional tools for career advancement.

### COMMUNITY

Give back to our community: We engage and participate in the communities where we work and live. It's all about giving back.

## PARTNER WITH APNET

APNET is a registered 501(c)(3) non-profit organization with the aim of creating a platform for Africans in the Diaspora to network, engage in meaningful conversations, share diverse perspectives and explore business opportunities.

Partnering with APNET is an opportunity to showcase your brand to a diverse audience while supporting a great cause.

Benefits include:

- Access to a growing community of African professionals across multiple industries
- Mentoring support
- Personal & Professional development opportunities
- Supporting initiatives that positively impact the African diaspora
- Increased brand awareness and visibility
- New business opportunities
- Community Engagement
