**REPORT OF THE BOARD OF TRUSTEES (CONTINUED)**

**BOARD OF TRUSTEES**

The trustees who held office during the year and to the date of this report are shown on page 1.

**RESULTS FOR THE YEAR**

The results for the year ended 31 December 2020 are set out on page 8 - 12.

**TERMS OF APPOINTMENT OF THE AUDITOR**

PKF Kenya LLP has indicated willingness to continue in office in accordance with the company's Articles of Association and Section 719 of the Kenyan Companies Act, 2015. The trustees monitor the effectiveness, objectivity and independence of the auditor. The trustees also approve the annual audit engagement contract which sets out the terms of the auditor's appointment and the related fees.

**16<sup>th</sup> June** 2021

## STATEMENT OF THE TRUSTEES' RESPONSIBILITIES

The Trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the trust as at the end of the financial year and of its surplus or deficit for that year. It also requires the trustees to ensure that the trust keeps proper accounting records that are sufficient to show and explain the transactions of the trust; that disclose, with reasonable accuracy, the financial position of the trust and that enable them to prepare financial statements of the trust that comply with the International Financial Reporting Standards. The trustees are also responsible for safeguarding the assets of the trust and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees accept responsibility for the preparation and fair presentation of the financial statements in accordance with the International Financial Reporting Standards for Small and Medium-sized Entities (IFRS for SMEs). They also accept responsibility for:

- i. Designing, implementing and maintaining such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error;
- ii. Selecting and applying appropriate accounting policies; and
- iii. Making accounting estimates and judgements that are reasonable in the circumstances.

The trustees are of the opinion that the financial statements give a true and fair view of the financial position of the trust as at 31 December 2020 and of the trust's financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards for Small and Medium-sized Entities (IFRS for SMEs).

In preparing these financial statements, the trustees have assessed the trust's ability to continue as a going concern. Nothing has come to the attention of the trustees to indicate that the trust will not remain a going concern for at least the next twelve months from the date of this statement.

The trustees acknowledge that the independent audit of the financial statements does not relieve them of their responsibilities.

So far as the trust is aware, there is no relevant audit information which the auditor is unaware of, has taken all the steps that ought to have been taken in order to become aware of any relevant audit information and to establish that the auditor is aware of that information.

Authorised by the trustees of trustees on 07 MAY 2021 signed on its behalf by:

  
CHAIRMAN

  
TRUSTEE

**REPORT OF THE INDEPENDENT AUDITOR  
TO THE BOARD MEMBERS OF MARA ELEPHANT PROJECT TRUST**

**Opinion**

We have audited the accompanying financial statements of Mara Elephant Project Trust set out on pages 8 to 22 which comprise the statement of financial position as at 31 December 2020, statement of donations and expenditure, statement of changes in fund balances, statement of cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of Mara Elephant Project Trust as at 31 December 2020, and of its financial performance and cash flows for the year then ended in accordance with the International Financial Reporting Standards for Small and Medium-sized Entities (IFRS for SMEs).

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the organisation in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Kenya, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Other information**

The trustees are responsible for the other information. The other information comprises the report of the trustees, statement of the trustees responsibilities but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**REPORT OF THE INDEPENDENT AUDITOR  
TO THE BOARD MEMBERS OF MARA ELEPHANT PROJECT TRUST (CONTINUED)**

**Responsibilities of the trustees for the financial statements**

The trustees are responsible for the preparation of financial statements in accordance with IFRS for SMEs, and for such internal control as the trustees determine is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the trust or to cease operations, or has no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of trustee's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the organisation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

**REPORT OF THE INDEPENDENT AUDITOR  
TO THE BOARD MEMBERS OF MARA ELEPHANT PROJECT TRUST (CONTINUED)**

**Auditor's responsibilities for the audit of the financial statements (continued)**

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The engagement partner responsible for the audit resulting in this independent auditor's report is CPA Mike Kimundu, Practising certificate No. 2235

## NOTES

### 1. General Information

Mara Elephant Project Trust is incorporated in Kenya under the Kenyan Trustees (Perpetual Succession) Act, and is domiciled in Kenya. The address of its registered office and principal place of business is Marula Lane, Gate 40C Karen. The principal activity is wildlife conservation and poverty alleviation to the public through reduction of human wildlife conflict and conservation education.

### 2. Basis of preparation

These financial statements have been prepared on the historical cost basis in accordance with International Financial Reporting Standard for Small and Medium-sized Entities (IFRS for SMEs) issued by the International Accounting Standards Board. The financial statements are presented in Kenya Shillings (Kshs) which is the functional currency and United States Dollar (US \$) for presentation purpose.

The preparation of financial statements in conformity with the IFRS for SME's requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the trust's accounting policies. Areas involving a higher degree of judgement or complexity, or areas where assumptions and estimations are significant to the financial statements, are disclosed in Note 3 (a).

#### Going concern

The financial performance of the trust is set out in the statement of donations and expenditure. The financial position of the trust is set out in the statement of financial position.

Based on the financial performance and position of the trust and its risk management policies, the trustees are of the opinion that the trust is well placed to continue in business for the foreseeable future and as a result the financial statements are prepared on a going concern basis.

### 3. Summary of significant accounting policies

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### a) Key sources of estimation uncertainty

In the application of the accounting policies, the trustees are required to make the judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other relevant factors. Such estimates and assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively. The assumptions and judgement set out below do not consider the full impact of the coronavirus outbreak as it is difficult at this stage to predict the full impact of this on the financial statements of the organisation.

The trustees have made the following significant accounting estimates and assumptions:

- **Useful lives of property and equipment** - Management reviews the useful lives and residual values of the items of property and equipment on a regular basis. During the financial year, the trustees determined no significant changes in the useful lives and residual values.

**NOTES (CONTINUED)**

**3. Summary of significant accounting policies (continued)**

**b) Revenue recognition**

- i) Grants from donors are recognised when the organisation's right to receive the funds is established.
- ii) Interest income is accrued by reference to time.
- iii) Other funds are recognised on receipt.

**c) Deferred grant**

Grants are deferred where it has been received to fund specific future expenditure.

**d) Expenditure**

Cost allocation between expenditure lines is made based on the approved project budgets at the discretion of the management of the project. These financial statements include only costs allocated by the project teams to the funds received from the donors.

**e) Capital funds**

This represents restricted funds utilised for purchase of equipment. The initial amount is credited to a deferred grant account known as capital grants. The grant balance is amortised annually at an amount equal to that of depreciating the assets purchased with the grants.

**f) General reserve fund**

These are unrestricted funds and represent the accumulated reserve that is available for use at the discretion of management in furtherance of the objectives of the organisation.

**g) Taxation**

The nature of the programme is not for profit and is not expected to be subject to taxation. The organisation however is yet to receive a tax exemption certificate. The trust has applied for the Tax Exemption Certificate in 2019, undergone a site inspection and complied with all requirements asked of it by the authority and has received a letter approving the exemption.

**h) Grant and other receivables**

Grant receivable is the excess expenditure over donation as at year end is only recognised where there is commitment of additional funds from grant providers.

Other receivables include deposits and prepayment for services/goods to be delivered in future and advances to staff. Other receivables are only accounted for if there is tangible evidence that the service/goods will be performed/delivered in future or a refund will be made in the event the service/goods is not performed/delivered.

**i) Payables**

Payables arise in the ordinary course of business where the company receives goods and services and pays for them at a later date. Payables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest rate method.

**j) Property and equipment**

All property and equipment is initially recorded at cost and thereafter stated at historical cost less depreciation. Historical cost comprises expenditure initially incurred to bring the asset to its location and condition ready for its intended use.

**NOTES (CONTINUED)**

**3. Summary of significant accounting policies (continued)**

**j) Property and equipment (continued)**

Depreciation is calculated on reducing balance basis to write down the cost of each asset, to its residual value over its estimated useful life using the following annual rates:

|                    | <u>Rate %</u> |
|--------------------|---------------|
| Computer equipment | 30            |
| Motor vehicles     | 25            |
| Software           | 30            |

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposal of equipment are determined by comparing the proceeds with the carrying amount and are taken into account in determining operating surplus or deficit.

**k) Cash and cash equivalents**

For the purposes of the statement of cash flows, cash and cash equivalents comprise cash in hand and deposits held at call with banks.

**l) Retirement benefit obligations**

The company employees contribute to the National Social Security Funds (NSSF) a statutory defined contribution scheme registered under NSSF Act. The Company's contributions to the defined contribution scheme are charged to the statement of donations and expenditure in the year to which they relate.

**m) Translation of foreign currencies**

The company maintains the project funds in Kenya Shilling which is the functional currency. Transactions in USD during the year are converted into Kenya Shilling at the rates ruling at the transaction date. Assets and liabilities at the reporting date are translated into Kenya Shilling at rates ruling at that date.

The resulting differences from conversion and translation are dealt with in the receipts and payment in the year in which they arise.

**n) The trust as a lessee**

Leases of assets under which a significant portion of the risks and rewards of ownership are effectively retained by the lessor are classified as operating leases. Payments made under operating leases are charged to statement of donations and expenditure on a straight line basis over the period of the lease.

**o) Comparatives**

Where necessary, comparative figures have been adjusted to conform with changes in presentation in the current year.

NOTES (CONTINUED)

4. Restricted donations received

**9. Trust deed**

The trust was incorporated on 1 May 2015. The first trustees on incorporation deposited into the trust fund an initial sum of Kshs. 1,000 and thereafter any further funds or asset given to the trust will be held by trustees as part of these trust fund.

The trust deed:

- allows the trustees to participate in charitable purposes and projects in the East Africa and particular emphasis to the Kenya's greater Mara ecosystem and Tanzania's greater Serengeti ecosystem. The activities include conservation and effective management of the environment and of its indigenous fauna and flora;
- also requires the trustees to accumulate and capitalise the whole or any part of the income of the trust fund by investing in authorised investments.

**17. Related party transactions**

**2020  
Shs**      **2019  
Shs**

The following transactions were carried out with related parties:

**i) Key management personnel compensation**

|                                 |                   |                   |
|---------------------------------|-------------------|-------------------|
| a) Short term employee benefits | <u>10,672,843</u> | <u>13,132,998</u> |
|---------------------------------|-------------------|-------------------|

**18. Prior year adjustment**

Comparative amounts relating to the financial year ended 31 December 2019 have been restated to reflect changes in functional currency from US dollar to Kenyan Shilling. The adjustments are as shown below:

**2019  
USD**      **2019  
Shs**

|                        |           |                  |
|------------------------|-----------|------------------|
| Translation adjustment | <u>65</u> | <u>(471,196)</u> |
|------------------------|-----------|------------------|

The restatements above decreased retained earnings for the year ended 31 December 2019 by an amount of Shs. 471,196 and increased translation reserve US dollar by USD 65.

**19. Presentation currency**

The financial statements are presented in Kenya Shillings (Kshs) and US dollars (US\$).

|                                                            |               |               |
|------------------------------------------------------------|---------------|---------------|
| Rates used in presentation of US\$:                        | <b>2020</b>   | <b>2019</b>   |
| Statement of financial position 1 US \$                    | <u>109.17</u> | <u>101.34</u> |
| Statement of income and expenditure (average rate) 1 US \$ | <u>106.47</u> | <u>102.10</u> |
