Part III, Line 4: Description of organization's collections and how it furthers its purpose.	Part X Line 2The academy is organized as a california nonprofit corporation and has been recognized by the IRS as exempt from federal income taxes under IRC section 501(A) as an organization described in IRC section 501(C)(3), qualifies for the charitable contribution deduction, and has been determined not to be a private academy. The academy is annually required to file a return of organization exempt from income tax (Form 990) with the IRS. In addition, the academy is subject to income tax on net income that is derived from business activities that are unrelated to their exempt purposes. The academy determined that it is not subject to unrelated business income tax and has not filed an exempt organization business income tax return (from 990-T) with the IRS. Management believes that the academy has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the financial statements. the academy would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred.
