## E-mail from a former Partner

“Hello to everyone at Partners In Housing. I just wanted to send a quick note to let you know how we are doing. Justin is doing very well - he got straight A's at the end of last year, and was on the honor roll all year as well! He plays football and is now going to Jr. High. I am truly blessed by him every day!

We moved back to our old neighborhood into a nice home. Our family has grown out of adversity into the American Dream again.

Thank you for being there through the times others were not. It's the hard times when we really need special people like you who can understand life's trials, see the vision of hope, and continually try to share it with some who may have lost hope long ago. Thank you!” -- Former PIH Partner

**“With my confidence and self worth renewed at PIH, I found a new job.**

**Thank you Partners In Housing for being there when I needed you most!”**

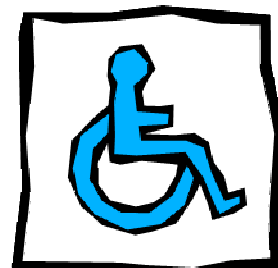

“I had nowhere to go and desperately needed help. A friend recommended I apply to Partners In Housing, and I will forever be grateful. PIH didn't just give me a place to stay – they empowered me to change my life! When you walk through their doors, you’re encouraged to look to the future. They give you the tools to create a better life.”

## *Help & Hope*

“When I became homeless, I was beaten down, abandoned, and just plain broken. In the PIH program, I began to remember my own worth and my accomplishments. Now, my child has a stable home, and I cannot express my feeling of joy”.
