INDEPENDENT AUDITORS' REPORT

To the Board of Directors
of Little Kids Rock, Inc.

Opinion

We have audited the accompanying financial statements of Little Kids Rock, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Little Kids Rock, Inc. as of June 30, 2022, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Little Kids Rock, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Little Kids Rock, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Little Kids Rock, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Little Kids Rock, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Little Kids Rock, Inc.'s 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated December 10, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

LITTLE KIDS ROCK, INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2022 AND 2021

1. NATURE OF ACTIVITIES

Little Kids Rock, Inc. (the "Organization") was incorporated in the State of California in 2001. The Organization is operated exclusively for charitable and educational purposes, with a particular focus on music education in elementary and secondary schools in the United States. Business and administrative functions of the Organization are located in the State of New Jersey. The following descriptions provide more detail regarding specific programs run by the Organization:

Mentorship: The Organization provides training and support for teachers and other types of mentors enrolled in the music education program in order to help facilitate and establish a safe, nurturing, supportive and fun environment for students.

Music Education: In accordance with its mission, the Organization provides music education to students, primarily from low income backgrounds, in order to foster musicianship, to develop confidence, responsibility, discipline and other lifelong values.

Musical Instruments and Curriculum Resources: The Organization obtains and provides musical instruments and other curriculum resources to students to use in their participation in music production, recording and performances.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting --- The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Basis of Presentation --- The Organization presents its financial statements in accordance with guidance issued by the American Institute of Certified Public Accountants' Audit & Accounting Guide for *Not-for-Profit Entities* and the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC).

ASC paragraphs 958-205-45-2(a) through (d) establish standards for external financial reporting by not-for-profit organizations and require that resources be classified for accounting and reporting purposes into two net asset categories according to the existence or absence of donor-imposed restrictions: net assets with donor restrictions and net assets without donor restrictions.

ASC paragraphs 958-605-45-3 through 7, *Contributions Received*, require that unconditional promises to give be recorded as receivables and revenue and require the Organization to distinguish between contributions received for each net asset category in accordance with donor imposed restrictions.

Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net assets without donor restrictions - Net assets that are not subject to donor-imposed stipulations.

LITTLE KIDS ROCK, INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2022 AND 2021 (CONTINUED)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

Basis of Presentation (cont.) ---

Net assets with donor restrictions - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Cash and cash equivalents --- The Organization considers all cash without donor imposed restrictions, short-term securities and other highly liquid investments with initial maturities of three months or less to be cash equivalents.

Restricted cash --- Restricted cash is the portion of cash that will be used to cover expenditures that have been restricted by the donor.

Accounts receivable --- Accounts receivable are stated at the amounts management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a charge to bad debt expense and a credit to the allowance for doubtful accounts based on their assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the allowance for doubtful accounts and a credit to accounts receivable.

Inventory --- Musical instruments and other curriculum resources are recorded as program service expenses when they are distributed to schools and other music education programs.

Instruments that are purchased by the Organization for distribution are recorded at the cost of such purchases. Such instruments are shipped directly to the schools when the order is fulfilled and, therefore, are not a component of inventory.

Instruments or other tangible items that are contributed to the Organization are valued at the market value of such in-kind donations when received, and are included in Inventory to the extent they have not yet been distributed. Curriculum resources, such as access to online lessons and streamed media, that are contributed to the Organization are perceived not to have any value to the Organization or donor until they are activated upon distribution and used for program services. Once activated, these items are recognized at market value.

Musical instruments purchased for ongoing use by the Organization in conducting teacher workshops or otherwise carrying out programmatic activities are recorded as inventory, and are stated at the lower of cost or net realizable value.

Inventory also includes costs associated with the development of a specialized percussion instrument for future distribution to schools and other music education programs.

LITTLE KIDS ROCK, INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2022 AND 2021 (CONTINUED)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

Revenue and support recognition --- Contributions, including unconditional promises to give, are recorded as received. All contributions are available for use without restrictions unless specifically restricted by the donor. Conditional promises to give are reported when the conditions on which they depend are met by the Organization. Unconditional promises to give due in the next year are recorded at their net realizable value. Management assesses the time value of money based on material pledges to the Organization and the length of time to be received. Material unconditional promises to give due in subsequent years are reported on the Statement of Financial Position at the present value of their net realizable value, using interest rates consistent with investment rates applicable to the years in which the promises are to be received.

The Organization accounts for revenues from special events as an exchange transaction as each party to the transaction receives and sacrifices commensurate value.

The Organization accounts for program service arrangements as exchange transactions and recognizes revenues after the Organization has performed the services agreed with the other party.

Funds received in advance of their proper usage are accounted for as deferred revenue in the statement of financial position, so as to match revenues with expenses.

Fixed assets --- Fixed assets are recorded at cost and are depreciated using the straight-line method over the estimated useful lives of the assets, generally 2-5 years. Depreciation is provided based upon the actual number of months in use during the year the costs are capitalized. The Organization's policy is to capitalize fixed assets with a purchase price of \$5,000 or more and a useful life of one year or more. Expenditures for maintenance, repairs and renewals of minor items are charged to earnings as incurred. The cost of assets retired or otherwise disposed of and the related accumulated depreciation are eliminated from the accounts and any resulting gain or loss is reflected in the statement of activities. Major renewal and improvements are capitalized.

Non-cash contributions --- The Organization discloses all contributed goods and services regardless of whether the goods and/ or services received are recognized as revenue in the financial statements.

Items sold to the public or used in fundraising are reported as revenue at the cash value received in the exchange at the time of sale, with the resulting non-operating gain or loss being the difference between the fair value received from the donor and the cash received at the time of the sale. Alternatively, if a nonfinancial asset is used internally and otherwise not sold, the revenue is offset by the asset or related expense.

Income taxes --- The Organization is a not-for-profit organization described under Section 501(c)(3) of the Internal Revenue Code ("I.R.C.") and is therefore exempt from federal income taxes under Section 501(a) of the I.R.C. The Organization is also exempt under corresponding state statutes in all 50 states. Accordingly, no provision for Federal or State income taxes has been presented in the accompanying financial statements.

LITTLE KIDS ROCK, INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2022 AND 2021 (CONTINUED)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

Income taxes (cont.) --- The Organization adheres to FASB ASC Topic 740, *Income Taxes*, which provides guidance and clarification on accounting for uncertainty in income taxes recognized in the Organization's financial statements. The guidance prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return, and also provides guidance on de-recognition, classification, interest and penalties, disclosure and transition. For the years ended June 30, 2022 and 2021, the Organization has no material uncertain tax positions to be accounted for in the financial statements.

The Organization files an informational return with the Internal Revenue Service and all 50 U.S. State jurisdictions. The Organization's Form 990, Return of Organization Exempt from Income Tax, is subject to examination by the IRS, generally for three years after they were filed. Each state has its own statutes governing the examination period. The Organization hires a third party to file registrations in all 50 states and as such, the third party maintains the compliance for these state filings.

Use of estimates --- The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional allocation of expenses --- Expenses are charged to each program based on direct expenditures incurred. Any program or supporting service expenditure not directly chargeable is allocated based on an indirect cost pool that is reasonable and consistently applied. Program expenses are those related to music education and musical instruments. Management and general relate to administrative expenses related to those programs. Fundraising includes direct and indirect costs of special events.

Allocated indirect expenditures include salaries and related payroll expenses, which are allocated on the basis of estimates of time and effort. The indirect labor hours cost pool serves as the basis for allocating supplies and other general office expenses. Rent, utilities and other facility and overhead costs are allocated based upon the number of employees directly allocated to each function.

Allocation of joint costs --- Costs incurred in connection with joint activities that include both fundraising and program components are assessed and attributed specifically to these components. As part of its mission, the Organization provides opportunities for students to participate in music performance and, as such, costs directly related to such performances at joint activities are considered program related expenses.

3. CONCENTRATIONS OF CREDIT RISK

Arising from cash deposits in excess of insured limits --- The Organization maintains its cash accounts in three financial institutions. During the year, cash balances may exceed federally insured limits of \$250,000. Management believes that the Organization has no significant risk of loss on these amounts due to the failure of the institutions.

Program service contracts	28,350	11,565
Total	<u>\$ 103,935</u>	<u>\$ 103,791</u>

7. LINE OF CREDIT

The Organization established a \$1,250,000 line of credit with JPMorgan Chase Bank on November 5, 2021, which replaced the former line that was in effect, with similar terms as of June 30, 2022 and 2021. Balances on the line are due back in full on or before November 5, 2022, unless the note is extended or renewed by the bank. Interest on the unpaid principal balance is computed on the basis of actual days elapsed in a 360 day year at the “Adjusted SOFR Rate” (the “Note Rate”) and at the rate of 3.00% per annum above the Note Rate. The line was taken for working capital purposes and is secured by all assets of the Organization. As of June 30, 2022 and 2021, there were no amounts outstanding at year-end.

8. PAYCHECK PROTECTION PROGRAM LOAN

On June 15, 2021 and April 6, 2020, the Organization obtained Paycheck Protection Program loans in the amount of \$579,707 and \$579,707, respectively, pursuant to the terms of the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) enacted March 27, 2020. Under the act, so long as the Organization incurs certain qualifying expenses, they may apply for and receive forgiveness on the loan by the Small Business Administration (“SBA”). Any loan balance remaining following forgiveness by the SBA will be fully amortized over the remaining term of the loan.

On June 14, 2021, the SBA granted full forgiveness of the Paycheck Protection Loan received on April 6, 2020, which is recognized as revenue in non-operating activities on the Statement of Activities. 9. NET ASSETS WITH DONOR RESTRICTIONS (CONT.)

Table continues from previous page:

	2022	2021
Location (general program operations):		
Other Midwest	-	1,551
Other Northeast	-	1,269
Other South	5,000	2,917
Other West	-	1,128
Capital Grant – Office Equipment	12,895	16,094
Digital Initiative	217,445	239,860
Higher education	50,000	-
Program expansion	1,258,041	1,055,476
Total net assets released from restrictions	<u>\$ 2,601,987</u>	<u>\$ 2,480,147</u>

The prior period adjustment of \$20,000, which reduces total net assets with donor restrictions as of June 30, 2022 was due to management's evaluation of the balances at year end which concluded that certain contracts were not restricted even though they contained a letter outlining the purpose of the grant. Since the outline represented in general terms the nature of operations of the Organization, the grant was deemed unrestricted by nature.

11. NON-CASH DONATIONS

Non-cash donations consisted of the following at June 30, 2022 and 2021:

	2022	2021
Curriculum resources	\$ 1,034,894	\$ 1,024,136

Auction items	119,152	65,853
Total	<u>\$ 1,243,384</u>	<u>\$ 1,195,216</u>

The Organization has received curriculum resources, such as access to online lessons and streamed media, that are valued when they are activated upon distribution to schools, teachers, and students. As of June 30, 2022 and 2021, the potential future value of such curriculum resources received but not yet activated was approximately \$4.8 million and \$5.8 million, respectively. Based on the current trend, management estimates that approximately \$1 million of these resources will be activated annually.

13. LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The Organization's liquidity management plan is to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. Cash in excess of 90 days operating expenses is invested in short-term investments, including certificates of deposit and money market funds. Management anticipates meeting general expenditures within one year of the date of the statement of financial position with existing financial assets plus funding provided by anticipated contributions from the general public. Furthermore, as described in Note 7, the Organization has a \$1,250,000 line of credit available to meet cash flow needs.

The following represents the Organization's financial assets as of June 30, 2022 and 2021, reduced by amounts not available for general use:
